## Fallen Angels...

Elizabeth Clare Prophet tears the mask from the face of the ancient deceivers of mankind... exposing their profile of evil and tracing it back to the fall of heavenly angels into human bodies.

Strong ties bind the fallen angels in the earth to the dark prophecies of our time and to the evil that is enacted daily through man's inhumanity to man.

War, religious hatred and fanaticism, terrorism, global pandemics, economic turmoil and extreme weather are the harvest of ancient sowings by rebel angels and a duped humanity. *Fallen*

*Angels Among Us: What You Need to Know* shows how we can effect positive change on planet earth. It takes us behind the world of appearances and shares a perspective that is shocking and yet profoundly hopeful.

### Part 1

Gracious ones, I am seated in the great lotus throne and I meditate upon the law of your life. I meditate upon the love that is God within you and I meditate upon the great wisdom that you can become.

I AM Gautama, O sons and daughters of the Most High. I speak to the gathering of souls of America as you surround me now in the great amphitheater of light. More than two hundred million strong, you have come, bidden by the Ancient of Days, who has kept the flame of life for you for many thousands of years while you have not known either that you have a flame or that the flame must be tended.

And so we have sent our legions of angels with the special invitation to be with us in this moment of the consecration of the year 1979 unto the great flame of the Mother of Mercy, Kuan Yin, who ensouls a flame of Mother unto America, China and the nations of the earth. With me stand Lord Sanat Kumara, the great sponsor of life, and Lady Venus;

2

Mighty Victory and his consort; the archangels, whom you know as servants of the light; and Elohim, who keep the flame of the crown which you may one day wear. Lo, Maitreya. Lo, Jesus Christ, your Saviour in this age.

I AM your brother on the Path, Gautama, Siddhartha. You have known me out of the vast memory body of the mind of God. I am seated in that threefold flame that is the destiny of your souls. And so you are summoned, as we, your brothers and sisters on the path of light, unfold to you the panorama of the past, of the present and a wall of the future upon which you shall write meaningfully of the victory you shall forge and win.

America, ordained by God as a land of freedom, is as a ship at sea in a storm, bent low in the oncoming waves, and you are all souls aboard that single ship of life. Your karma, your destiny, your origin have decreed this moment in cosmic cycles for you to be together to share in the inheritance of this great land. You are sponsored by the Knight Commander, Saint Germain, whom I introduce to you as the father of the age, the great architect of freedom, as Samuel and Saint Joseph and your own Christopher Columbus. The person of Saint Germain and his messengers come to you in this hour with a most vital message for the fiery destiny of these United States.

We come to summon your souls to do the will of God. We come for an awakening and a quickening. We come now to show you, in the twinkling of an eye, as it were, the records of the founding of this nation and all that has transpired from its birth unto this hour. These two hundred years and the previous centuries of settlement mark the great calling of the twelve tribes of the children of Israel to the Promised Land,<sup>1</sup> where even the Messiah should come again as the birth of the Man-child in you by the hand of the Woman clothed with the Sun.<sup>2</sup>

Behold the Goddess of Liberty, who has welcomed you and endowed you with a flame that no other citizens of any

other nation have in this hour. It is the unique flame of your nation, bequeathed to you, right or wrong. Whatever the spectrum, whatever your positioning in consciousness, this flame is the endowment of all who walk these soils who are in these several states.

### **The Path of the Wheat and the Path of the Tares**

Now, souls of light, now, evolutions who have lagged behind your divine plan, to each and every one of you I show the path of the wheat, the path of the tares—the path of the seed of Christ and the path of the seed of the fallen ones. See how these fallen ones invaded the destiny of this nation very early, even during the period of the presidency of George Washington. See how they foreknew, by the reading of the psychic record, the divine plan of God, the prophecy and its fulfillment in your life.

See the motivation of greed. See the enslavement of souls. See the manipulation of the banking institutions and of the money itself. See the heroes who have walked upon the stage of the nation to defend a great light, who knew well of the conspiracy of the Illuminati and those who remain today, even those who are our captive audience, for we expose all.

And here in this great gathering there is nothing hidden that is not revealed. And therefore each one's aura and the record of incarnations of devotion to light or to darkness is made known. I, then, need not comment.

You see before you your representatives. You see your president today. And you see side by side the great light of Abraham Lincoln, as he sought to bring a torch of freedom and to preserve this nation from the mechanization and the manipulations of the abundance of God. It was over this very conspiracy that the Civil War was fought, and the light in the center who knew the odds was one who is yet familiar with

Armageddon, one who is yet to incarnate again among this people.

Look about you now, then, as you see individuals who have claimed to be representing truth and light. See they are there from Church and State. All is exposed. All is made known. And your own Christ Self now seals within your heart the memory of truth, the memory of error. This is the meaning of the judgment when all the tribes of the earth stand naked before the Lord Christ.

And thus, on this eve that has become the dawn of a new year, a special gift is given to the people of America. It is their just portion of the All-Seeing Eye of God. For you, in the sincerity of your hearts, have prayed unto God and God has answered. He answers through us as emissaries and through your own internal flame of life.

Now, therefore, as we expose truth and error, we also expose those who embody the same, and you will never be without the recollection of this moment. And though you would deny that which you have seen, though you would deny that which is exposed within yourselves, yet all of these lifestreams standing now do witness the vastness of evolution—from the least unto the greatest, from the ascended masters and their direct tie to you through their embodied chelas. All of this now is a beginning for you to put in place the pieces of the jigsaw puzzle.

Why are there those who come, who come bargaining away the souls, the lives, the soil, the nation, a free people in Taiwan, in Eastern Europe, in Africa, in each of the nations, where one by one the fallen ones would overthrow the lightbearers?

Those who would lead America must come to the realization of a bit of the history of the lifewaves of earth, of the several evolutions distinctly apart, one from the other, those who are at cross-purposes with one another. Thus, the mystery of embodied evil is no greater a mystery than that of

embodied good. See clearly the alignment of the dark ones. See clearly the forging of the union of the souls of light.

### **The Portrayal of the Records of Infamy and of Light**

Souls of America, in the peace of God I come. I show you now what will be the outcome of your nation if you continue to betray the truth, to cover over the error, to fail to have the courage to challenge the spoilers in your midst. And if you continue playing as children when you ought to have the responsibility of sons and daughters of God, then, then it is altogether possible that you will lose the freedom won for you by the Ancient of Days and by the 144,000 within your midst.

I summon the souls of light now to begin classes in the ascended masters' universities in the retreat of the Royal Teton.<sup>3</sup> I summon you, then, to learn the way of life made plain. I am praying before the altar of God that this experience (which will last through the hours of the night) within the aura of these cosmic beings will be the great miracle that comes forth out of the Great Central Sun through the causal body of Saint Germain for the alchemy, for the transmutation, for the quickening.

For unless great changes are made and that swiftly, unless sons of light represent the people in each level of government and especially within the economy, then I say to you, you may have to look to another quarter of a million years of evolution, such as that which you have just passed through from the early days of Mu<sup>4</sup> unto the present hour. The forging of planetary freedom by the Great White Brotherhood has taken all of this—the evolution of the Woman and her seed, the evolution of life, with all of the struggles and all of the complications of the rebellious ones.

As I am speaking, the cycles of this history are portrayed in the great circular screen of the amphitheater. And so

because your consciousness has experienced this history, even though it is difficult to observe, your souls can see and know and trace the record of infamy and the record of light. My angels hold the balance in your temples, though even with the holding of that balance, you experience a certain pain. For there is nothing to take away that pain when you come face to face with the law of being.

And so, certain of your medicines and the drugs that have been popularized have given to you the illusion that you can escape reality and somehow pass through the arena of life and the testing of your souls insensitive to its lessons. Well, beloved, I expose your subconscious as your individual initiation, because the fate of earth hangs in the balance of your consideration of these issues in the light of truth rather than in the way in which your politicians and your teachers have presented the issues of this decade.

Some of you know that the path of the Buddha is not one that defends happiness at any price. Happiness is only happiness when it is real. But when it is based on a euphoria of incomplete knowledge, an absence of awareness of the dangers of life, then truly that happiness is a mockery and becomes that mockery of the damned as they mock the souls of light who know not their dire plight.

### **You Can Be the Victors of an Age**

Now hear the great orchestration of music that resounds from the Great Central Sun. The music that you hear, O people of America, is a music that you have known long, long ago in the great halls of Alpha and Omega. It is the music of your keynote, your destiny, your path, your ascension. And even you who rebelled against God so long ago had to blot from your ears the victory music that even then was the sounding of the ultimate triumph of the Son of God.

Now you see him face to face. You can no longer deny God in truth, nor can you deny the blessed Son. And now you see amplified the great blazing glory of your individual Christ Self. This, too, can never again be denied.

The challenge of this year will be, then, for you to face the facts that you will be given throughout this night and to determine to act upon these facts. The will of God has interceded to liberate your will. Behold El Morya, the great disciplinarian of your souls, who stands for the honor and the integrity of that will. Behold the master of the first ray, and behold his sponsorship of our messengers, who yet live and move among you as a Mother flame, as the Ever-Present Guru,<sup>5</sup> whose teachings and books you can hear, you can study, you can read and with them be the victors of an age and the great liberators of every nation.

All of the resources of the consciousness of God—the science, the technology, the intelligence, the genius, love itself—these are abundant in your midst. Summoning the resources according to the divine plan of the Great Divine Director, you can forge a victorious golden age even in this late hour of your wrong choices.

### **Equal Opportunity for All to Come into Alignment with the Will of God**

I am here to tell you that not one of you, no, not one, will be without accountability if you fail to respond to the truth of your own I AM Presence for the decisions that you make—you who represent the people, you who are the people. And I speak directly to the president, to the cabinet, to all advisers, all senators, congressmen and members of the Supreme Court. I speak to all who serve in the federal government, especially within its agencies, within the State Department, within the Central Intelligence Agency, and to those who have

formed their pseudogovernment and their cloak-and-dagger tactics of secret diplomacy behind the scenes. In this moment, you look into the eyes of the Lord of the World.

God has placed me in that position even as you are placed in your respective positions. It is simply a question of levels of responsibility. Some tyrants of the past have seen themselves rise to that place of world dominion. Think not that you can unseat the Prince of Peace. Think not that you will ever displace the God of Freedom to the earth.

Many of you stand in absolute disgrace before the people of this nation in this hour, exposed. Many of you reveal hearts of goodness yet minds brainwashed by the fallen ones in your midst. See, then, that the penetration of the Eye of God is upon you and that this people, deserving the illumination of the All-Seeing Eye, shall know in this year and in succeeding years, more and more in their outer minds, of this exposure which has taken place.

All will go forth this night from our conclave equal in opportunity to come into alignment with the will of God. Those who are the betrayers may elect, then, to espouse our cause, to defend our witness, to defend the children of the light, to immediately take action to overthrow the laws guaranteeing the right of abortion.

Beloved ones, first things must come first, and the slaughter of the holy innocents is the karma that is calculated to break the spine of America. The introduction of this rationale has come from the archdeceivers reincarnated from Atlantis. See those who have passed on who are in the astral plane experiencing the fruits of their nefarious deeds. See those who have already passed before the four and twenty elders in the final judgment, which is recorded in your own Book of Revelation. See, then, that they are the pied pipers of a mad dream of world conquest. See, then, that all can

submit to the will of God, to the flame of the sacred fire before it is too late.

Now look at yourselves and see. See how powerless you are to determine the fate of this or any nation simply because you have severed the real and living tie to the Source, because you have failed to bend the knee and confess the Christ in every member of the Great White Brotherhood and in every son of God.

See, then, those who are of the light who have been quickened, who are alive. See the inner tie. Look at the great cord of light that binds them to entire lifewaves ascended back to the Great Central Sun. Now look at the vast history of this quarter of a million years and see how the only souls who have been victorious are those who have held this unyielding tie to our Brotherhood of light. You now have the opportunity to break the tie to the fallen ones and to enter in to the great compact of light.

### A Worldwide Body of Freedom Fighters

The Darjeeling Council demands your guarantee of the security and the freedom of the people of Taiwan. The Darjeeling Council demands the recognition of the legitimate government of the people of China by the sons and daughters of God. You, America, can yet turn back these decisions. You, America, have the power to act in God's name. The Darjeeling Council demands that there spring up within the communities of America councils of citizens who will act as one body worldwide to enter into the negotiations of Saint Germain and his diplomatic missions to the lightbearers of every nation.

Behold, America, the fourteen ascended masters who hold the line of your destiny. See that they form a mandala of light and that they sponsor souls in every nation to keep the torch of freedom.

Let freedom-loving souls of America, then, be one with freedom-loving souls of every nation. And let these councils within the communities serve to unite a worldwide body of freedom fighters and minutemen and -women of Saint Germain. Already one on the inner by the cosmic cube and the Church Universal and Triumphant, let them be one in outer manifestation. And then they will act in God's name as a mighty force in this age to overturn the tyrants and expose the demons in their caves and the tigers in their lairs.

*to be continued*

"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom." This previously unpublished dictation by **Gautama Buddha** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **New Year's Eve, December 31, 1978**, during the four-day conference *The Feast of Saint Stephen*, held at Camelot, Los Angeles County, California. Part 2 is published in *Pearls of Wisdom*, vol. 54, no. 2. (1) **The great calling of the twelve tribes of the children of Israel to the Promised Land.** Today the twelve tribes, reincarnated, are scattered among the nations in all races and religions. The ten lost tribes of the Northern Kingdom are concentrated in the European nations and the British Isles; the two tribes of the Southern Kingdom—Judah and Benjamin—are the modern-day Jews. The coming together of the remnant of Israel prophesied throughout the Old Testament is in the United States of America—the Promised Land, where the seed of Sanat Kumara are destined to raise up the Christ consciousness and the flame of freedom on behalf of all nations. (2) Rev. 12:1. (3) **The retreat of the Royal Teton**, better known as the Royal Teton Retreat, is the principal retreat of the Great White Brotherhood on the North American continent. Congruent with the Grand Teton near Jackson Hole, Wyoming, this physical/etheric retreat is an ancient focus of great light where the seven rays of the Elohim and archangels are enshrined. Here Saint Germain, Lord Lanto and the ascended master Confucius (hierarchy of the retreat) conduct their **universities** of the Spirit—courses of instruction given by the lords of the seven rays and the Maha Chohan at their respective retreats for students pursuing the path of self-mastery on the seven rays. (4) **Mu**, or Lemuria, was the lost continent that once existed in the Pacific Ocean. According to archaeologist James Churchward, it consisted of three land masses stretching more than 5,000 miles. (5) **The Ever-Present Guru** is the ascended master Lanello, who continues to direct the activities of The Summit Lighthouse, which, under El Morya's direction, he founded in 1958 when he was the messenger Mark L. Prophet.
