**Victory for the Light  
by the Sword of the Sacred Word**

Understand that victory is a perpetual joy! It is a joy that is not compromised. It is without alloy. Joy must be the bubbling of your consciousness that dispels all darkness, doubt and fear and makes you know the eternal Presence of the I AM, who speaks the Word and speaks the tone so clear: "Behold, I AM here. Behold, I AM there. Behold, I AM everywhere!"

And so my legions come with drawn swords—blue-flame, fiery swords of the sacred Word. And this is the light of the holy will that implements your victory still.

## Victory for the Light by the Sword of the Sacred Word

Hail, sons and daughters of flame! I AM come in the flaming presence of the light of the equinox. I come by the light of hierarchy. I come from the center of God's will, and I come his divine plan to fulfill.

For I AM the defender of the faithful, and I step forth in this hour of the release of light to the planetary body. And I come for the protection of forcefields of light, of light consciousness and of holy innocence. I come to protect the children of Terra who are to receive impartations of the Holy Spirit in preparation for the final quarter of the century.

So I come forth. And I come to seal the auras of the light-bearers. In every church, in every place of worship this hour, there is a sealing of light and of fire and of holy mercy. For it is God's desire to see millions among mankind become the focal point for the Holy Spirit to bear witness unto the cloven tongues of fire for the sacred communion of twin flames, of Alpha, of Omega, of Father-Mother God, that wholeness might be the mark of the grand finale of the movement of the cycles of the years to the fulfillment of the golden age.

I come in the spirit of victory. Victory for the light is our proclamation! Victory is our seal! And victory is the momentum

whereby we heal. Healing is the aspect of the Holy Spirit that you must bear. And so, precious hearts, victory is the fire of integration and the mantle that you may wear.

Understand that victory is a perpetual joy! It is a joy that is not compromised. It is without alloy. Joy must be the bubbling of your consciousness that dispels all darkness, doubt and fear and makes you know the eternal Presence of the I AM, who speaks the Word and speaks the tone so clear: "Behold, I AM here. Behold, I AM there. Behold, I AM everywhere!" And so my legions come with drawn swords—blue-flame, fiery swords of the sacred Word. And this is the light of the holy will that implements your victory still.

O precious ones, do not be beaten down with those forces of misqualified energy that come to surround you. For you must understand that I am even here creating a vortex of sacred fire intensifying the Word so that these energies will come, and come even at a greater rate to be transmuted. And therefore I say, I say in the name of the Christ, let all darkness be consumed in the flame! And let the flame within these hearts, who have given their invocations to me and to God, be increased for the action of transmutation, for the consummation of all energies in fulfillment of the light Spirit of Almighty God!

### I Stand with You to Challenge the Carnal Mind

And so as the waves of the sea leap to meet the sunlight in the air, so let the fire in each heart *blaze* forth and seal the light of the maiden's prayer—for the transmutation of planetary darkness, for the challenge, then, of the carnal mind. For I stand with you, in the name of Jesus the Christ, yes, to challenge that carnal mind, that Antichrist and all satanic power!

I AM the champion of the Divine Mother and the Man-child. And I raise my arms of light on behalf of everyone who

holds the flame upon Terra. And in the name of the Christ, I am authorized, because of your invocations to the blue light of the cosmos, *now* to roll back a certain percentage of that carnal mind. And it is rolled back right into the flame that you have invoked, right into the cosmic threefold flame, whose fires you have increased by the action of your meditation, your invocation and your devotion to life. So I say, with millions of blue-lightning angels I stand across the margent of the world to blaze forth that light and to roll back and to *challenge!*

Do you understand the meaning of the challenge? When the challenge goes forth, then the one that is challenged must stand forth and face the knight that champions the light. And therefore, do not be surprised when the carnal mind boldly comes forth to condemn your consciousness, your effort, your teaching and your faithfulness in the flame.

So understand that in that moment you may raise your sword of blue flame and sound the death knell to that carnal mind. And therefore remember, for each challenge that you fling, there is the light and the bell of the angels that does ring. And the ringing sounds the opportunity to slay the dragon and the beast and the false prophet and the energies of the end of a cycle that oppose your victory. I say, then, let all forces of resentment and revenge and rebellion and retaliation be *rolled* back by the power of my sword!

### The Power of the Spoken Word and All-Seeing Eye of God

I AM the flaming power of the sacred Word. I AM Michael! And I stand in the flaming Presence of the Son! And the Son is the Holy One of light within your heart, and that light is the energy by which every foe is consumed. And you will see, then, in the weeks and months ahead, how that enemy of the carnal mind, arrayed in so many sympathies and lies and confusions and delusions, is not only put down

but is *exposed* in many ways, unexpected ways, by the power of the All-Seeing Eye of God that now is quickened by the power of the rod with which my angels touch each one at the brow—for the consciousness of the Cosmic Virgin and the immaculate conception of a planet reborn.

This *is* the six-month cycle of the convocation of the new birth, of rebirth in the Christ. So be born again by the power of the spoken Word, by the power of the sacred sword, and by the action of the All-Seeing Eye. For through that eye you shall see and know and *be* the fulfillment of the immaculate conception of your divinity!

So I *seal* the earth with the energies of the will of God that you have invoked, that are multiplied in the consciousness of the Cosmic Christ by the power of the ten thousand-times-ten thousand. *So* is this assembly blessed. *So* is the focus of the will of God become an electrode in the earth for the divining rod of wisdom's power. *So* are all the faithful in Jesus Christ, in Gautama Buddha, in the light of the Divine Mother blessed as components and compatriots of the one nation under God, of the new order of the ages, and of the Church Universal and Triumphant.

I AM Michael, the Defender of the Faith. And I shall defend all who call upon me, in the name of the Christ, every hour of every day, of every night until the hour of the victory and the sacred flight into the arms of the eternal Presence and the ascension in the light!

I thank you. And I bid you a good afternoon in my heart's love and gratitude, as you have welcomed me here this day.
