## I Come to Prepare the Way for the Coming of the Christed One

### *Thanksgiving Day Address*

O life, come forth! O life, be renewed in all!

I AM this day proclaiming the thanksgiving of the angels and the presence of a love of worlds unknown to you—a love that beckons, a love that flows, a love that comes to earth preparing for the newborn king, the Christed One, the Second Coming, in the hearts of mankind, of a flame imparted from the Father above, a flame that is a kindling fire for the glow and the ritual of life ascending.

Life *is* ascending. I proclaim it! And I say, let darkness recede before the oncoming light of the risen Christ!

I AM the fullness of resurrection fires within you. No longer shall the darkness stand between you and your God. For Christ, the Mediator, is proclaimed as the eternal Presence in the heart of every one, the light that lighteth every man, every woman, every child.<sup>1</sup>

Earth is blessed this day with a flowing from the fount of Omega, and from Alpha the sacred Word of fire, of Spirit's high desire, drawing mankind into the upward spiral of victory—a victory of the years, a victory over all mankind's fears.

*I Come to Prepare the Way. . .*

This is the hour of the turning of the tide, and I come to prepare the way, as John prepared the way, for the coming of the Christed One.<sup>2</sup>

### **Shatter the Matrix of Antichrist and Unlock the Christ Potential**

So I do now go forth, and I shall walk over the earth this day to prepare the consciousness for the coming of the Holy One, the Holy Spirit flame, the Presence of our God and that all-consuming fire. And the law beneath the rod is an action of sacred fire intended to propel all mankind higher.

I come to release a light that will abort the downward spiral of degradation, disintegration, negativity. I come with legions of light from out the Sun. I come bearing a lily in my hand. I come in the mystery from a far-off land. I come to wrap the earth in a swaddling garment of light, a net, drawing souls into the fragrance, the holiness, of that great delight of law appearing, cycles clearing, mankind divining the presence of a light they have not known before.

Who but the one God flame, who but the all-knowing, all-powerful, all-loving can reverse the course of human destiny, making it that divine destiny that was intended from the Beginning. This is not a usurpation of the holy will. This is a fulfillment of mankind's free will. For the free will of souls has been tampered with by the one who came to me in the wilderness with temptations three.<sup>3</sup> That one has gone afar to lead mankind astray, to lock the soul and the free will in a matrix of carnality.

In the name of God the Father and God the Son, I issue the fiat of the Holy One of Israel this day. *Shatter* the matrix of Antichrist! I AM the Presence of the Lord, and I say, let it be broken by the eternal God!

I say, let mankind be free to know, to be and to be grateful for the Presence of God. Let mankind be free to follow the Law, to come beneath the rod of his appearing. Let mankind be free to express the God-given gift of free will.

*Break* the hypnotism! *Break* the spell! *Break* the spell, and shatter all matrices less than that divine blueprint. I proclaim it!

And I AM the one who is one with the Christ in ye all. And I AM one in the hearts of children being born to an eternal life. Passing through this place in time and space, these little ones bring a torch of fire from God on high. They come, and their consciousness of the Eternal will not be lost. For I have placed my seal upon the newborn this day and upon the children, that they might retain the image of the holy angels, who ever behold the image of our Father, that they may retain the image of the Christ and the memory of life in inner planes.

This is the will of the Father. And, lo, I come to do that will.<sup>4</sup> Lo, I AM that will in you. I AM your friend and brother and guide. I AM thy holy Self locked inside.

I say, unlock the Christ potential! Let the Christ come forth! And know that you also are sons and daughters of God, respected as the offspring of the Most High, revered by angels, by all who make their way from far-off worlds to tarry with the earth as the invisible angels tarrying here, ministering. So the angels bow before the flame of God within you.

#### Let the Energies of the Christ Flow

I come also, for the servant is not greater than his Lord,<sup>5</sup> and I AM this day the servant of the Christ in you all. In the view, the glorious view, of this Christ, I gave my life, I give my life, an eternal life-giving energy; and so it does flow from my heart perpetually as the flow. And the blessed gift of the

stigmata, given to the saints, is the flow of my life flowing freely to all, anchoring through those who have so consecrated body and soul in the service of the Lord.

Let life flow from you all, from your hearts. Let sacred essence go forth. And let the earth this day receive the renewal of the ancient sacrifice that is not a sacrifice in the sense that mankind understand but is an equalizing factor whereby, as Above, so below, the precious essence of Spirit flows, flows and flows from your heart, your head, your hands, your feet.

Let the energies of the Christ light flow. And therefore unto you, one and all, is given that sacred gift to be the focal point of that sacred essence called the blood of Christ, which, understood correctly, is the light, the essence that flows as flowing flame from hearts of fire. Let it flow, as it flows from on high! And let it be for the balancing of the sin, of the karma, of the energies that have been mistakenly placed, by the misuse of mankind's free will, out of the framework of the law of being.

By the flow of my life in you, by your acceptance of that flow, there is reenacted this day that sacrifice which brings the world to a new beginning, a new salvation, a new enlightenment. And it is by that holy offering of selves above, ascended masters, and selves below, unascended ones consecrated to that flow, that it is possible to reverse the spiral. And therefore with a mighty heave and with the groaning and the travailing, as the mother with child brings forth her firstborn, so unto earth is given this day the rebirth of the Christ.

And all who hear in the heart, all who hear in the soul can receive, then, that sacred energy, that magnetic coil of energy from my heart, that will be the reversing of the spiral, the reversing of the tide, from defeat unto victory, from death unto life, from discouragement unto hope, from separation unto union.

### I AM the Christ in You

O hearts united in love, find one another. Find yourselves in me, for I AM alive within you. I AM that Christ that sheds a tear for the creation that has lost the awareness of the Creator. I AM that Christ in you that is the balance of life, the healing of the nations. I AM that Christ. I AM in you. And insofar as mankind allow themselves to become the mouthpiece of the fallen ones, to utter blasphemies against their God, so I AM also that Christ who is crucified daily in the body of God upon earth.

That which I AM, ye are also. Know you not, O precious ones, that as you commune with the Christ within, you are also the Christ in the hearts of the downtrodden, in the hearts of the proud, in the hearts of all, seeking and not seeking.

Where there is life, there I AM. Where there is life, there you are. And in that Presence, in that understanding, *know* that I AM THAT I AM the authority to command life free, to compel the atoms into the sacred fire, to compel the earth into the blueprint of a golden age. For Christ is the King of kings and Lord of lords. Christ is the reigning Presence, as mankind will bid him enter. That Christ in you has the same dominion, the same potential which I AM, which every ascended being is.

Know, then, that where there is war, where there is deception and betrayal of this nation in secret pacts of diplomacy and in the laughter of the fallen ones—where there is all of this, there is also Christ in you, who is able to challenge the challengers of your liberty. There is that Christ that reigns if you will but make the fiat and the call and determine to challenge the Adversary wherever the Adversary lurks.

Spiritual wickedness in high places is abroad across the world and in the nations. And to ignore that fact is to ignore

also the coming of Antichrist to the individual as well. When you know the love of the Presence of the blessed Mediator, you must also know, through that love, all that assails that Presence in these little ones. And you must have the courage, the forthright determination, the boldness to stand where you are and challenge all that would deprive you of your love, your union, your peace, your flow.

See, then, that you stand this year as watchmen on the wall of life and, in your thanksgiving, that you keep the Angelus of that watch—watching, waiting for the coming of the Lord in the hearts of mankind, watching and praying till the angel comes to disturb the water and mark the moment of the healing of the whole man.<sup>6</sup>

I AM in you the victory of the day. I AM in you the victory of the flame. Let all, then, who will accept the Christ as the true identity of Selfhood accept also the reversing of the dark spirals and believe only in the Presence of God that is able to raise up life and light and a new generation and an age of enlightenment and peace.

So I bow before the light of the Lord of the World, of Gautama, and of Saint Germain. And my gratitude this day is to the God of Freedom to the earth—my father and my brother, my son and my mother, my all and myself. So I place before this mighty one, this Saint Germain, the blessings and the praise and the offerings given unto me this day for his great example, for his great flame, for his vision and his protection.

I AM, then, with you always, even unto the end of the negative spirals of being, even unto the fulfillment of the promise of our God. I AM with you. I AM in you. And I AM the flow of life in the body of God in heaven and on earth. I AM the kingdom of thy Presence come for the glory eternal of our God.

I salute you in the flame. I tarry in Mater. And I take my leave of you, with my angels, to walk the earth this day, to prepare for the coming of the Holy One and the Spirit of Israel.

Let all that is Real accept the Holy Spirit in the tabernacle of being.

## THE RADIANT WORD

“Jesus, I Bid You Enter My Whole Temple Now!”

Excerpt from a dictation by Jesus Christ given July 5, 1991  
Published in *Pearls of Wisdom*, Vol. 34 No. 41

O receive me this day! I, Jesus, stand at the door of your heart and knock, even at the door of the secret chamber of your heart. I would enter. Would you have me enter, my beloved?

I come quietly, softly, gently. I will not jar you. I am truly the Good Physician and I have come to repair both the house and its occupant. I ask you to accept me in the deepest levels of your being. If you can do this, beloved, defying the forces of darkness that have taken up their abode in the unconscious levels of being, at the subconscious, even at conscious awareness and levels of the etheric body—if you can, though standing before me as the shorn lamb, yet defy the force of Antichrist that has managed to enter at so many unguarded doors of consciousness, if you can hold that will and determination, *I shall truly enter.*

As I have said to you, “Occupy till I come,” so I say to you now, allow me to occupy. For I must have your assent, your consent, beloved, to enter any secret, sacred part of your being that you have kept most private, compartments of shame or self-glory or self-deprecation.

Whatever they be, beloved, I ask you (for your free will must have its day) to simply say:

*Jesus, I bid you enter my whole temple now!*

*By my free will, by my God-dominion, I welcome you!*

*And I let go of everything, my Lord.*

So be it. It is done and I am entering, beloved. If you give this fiat regularly, then each time your being passes through the cleansing fires of my heart and is washed by the waters of the Word I incarnate, you shall find again and again the opportunity to receive me.
