

*Beloved Purity and Astrea*

### **The Binding and Judgment of the Great Whore**

*Releasing the Light of the Mother within You*

Yes, all mankind wait to see the Divine Manchild. They hope for the avatar. They hope for the Christed ones to come forth and save them from their sins. But what price are they willing to pay? Will they pay with their impurities? Will they submit them to the flame? I say, toss them to me! I will take your impurities.

Have the courage to stand, face and conquer where you are! Life responds to a fervent, humble prayer. Life will not leave you bereft of support in time of trouble. And the white-fire core of the Mother flame within you, when called upon, will magnetize an electrode of the Great Central Sun and the action of Purity and Astrea to raise your energies and to anchor them in the All-Seeing Eye of God for the immaculate vision of victory.

## The Binding and Judgment of the Great Whore

### *Releasing the Light of the Mother within You*

Now let the light of the Elohim come forth! The circle of blue flame encircles the earth, as the belt of the Great Divine Director.<sup>1</sup>

We are come in the oneness of the fiery core of Alpha and Omega in response to the call of the Great Divine Director. We come, then, wielding the sword of blue flame and the circle of blue-white lightning for the action of the arresting of the spirals of all that opposes the victory of the Cosmic Virgin incarnate in every man, woman and child upon this planet.

So you have heard of the Luciferian ones. You have heard of the fallen ones and that many have been brought to judgment in recent months.<sup>2</sup> *Now* comes the judgment of the Great Whore and the impostors of the Divine Mother and the impostors of Kali and Durga and Mother Mary and all who implement the will of the Cosmic Virgin.

*Now* judgment is spoken this day and the action of Astrea goes forth to *bind* the Great Whore, *bind* the Great Whore, *bind* the Great Whore! It is *done* in the name of the living

Christ by the action of Purity and Astrea according to judgment and justice this day implemented by the Four and Twenty Elders! Those impostors of the feminine beings of hierarchy, those whose time has come, must go to the Court of the Sacred Fire for judgment in this hour.

*Now* let it be known that the freedom of the Divine Mother in all is a resplendent victory when there is the binding of all that is anti-Mother in this planetary body, a binding of all that is an insult to the Cosmic Virgin and the use of the body of the Cosmic Virgin in advertising, in pornography, in activities of lust that belie the Creator and the Christ incarnate.

In the name of the living God, I stand before you to *plant* in this focus, in this city, the action of Almighty God that releases judgments on the whoredom of this world. *Now* let it be known that those who go awhoring after other gods—the idolators, those who are self-centered and worshipping the lusts of the flesh, even the Babylonians incarnated once again—they are judged and they are bound this day. And the fallen ones are bound, which is an indication of a great curtailment of their activities by the Great Central Sun Magnet, by the action of Alpha and Omega.

Just as Antichrist attempts to usurp the throne of the living Christ in the seat of God-government in this and many nations, so it is the Great Whore that usurps the position of the Divine Mother. *Now* this day she is dethroned, and the legions of our angels and legions of Archangel Michael's band have seized those cohorts of the fallen ones, those who actually caused what has been known as the fall of Eve and the descent of the energies of the feminine ray. *Now* let them rise through the Mother! *Now* let those energies be restored to the children of the light as the lost inheritance usurped by those whose perversion of the Divine Mother is known as

Babylon the Great.<sup>3</sup>

Behold, Babylon is fallen, is fallen, and the hosts of the LORD come forth with the defenders of the light and the great teams of conquerors and the legions of angels from the God Star, Sirius. And there is a cordon of lightbearers defending the Divine Mother and the Mother flame within each and every one of you and all who serve that flame with utter humility, devotion and purity.

### Be Purity!

Who has said that purity is impossible? *I AM Purity!* I stand before you in the living presence of the Elohim! *We* will not compromise the standards of the Great White Brotherhood or of the Mother ray! Let humanity conform to purity or let them give accounting this day. And let us see whose allegiance is on the side of cosmic virtue and the alignment of the Mother flame for the victory of the age!

Yes, all mankind wait to see the Divine Manchild. They hope for the avatar. They hope for the Christed ones to come forth and save them from their sins. But what price are they willing to pay? Will they pay with their impurities? Will they submit them to the flame? I say, toss them to me! I will take your impurities.

Have the courage to stand, face and conquer where you are! Life responds to a fervent, humble prayer. Life will not leave you bereft of support in time of trouble. And the white-fire core of the Mother flame within you, when called upon, will magnetize an electrode of the Great Central Sun and the action of Purity and Astrea to raise your energies and to anchor them in the All-Seeing Eye of God for the immaculate vision of victory.

Without vision the people perish,<sup>4</sup> and they perish hither and yon throughout the globe for want of purity. For mankind

have not the energies of the Divine Mother to center in the third eye for the return to wholeness, for they have consumed them upon their lusts! *Now* let it be known that the Great White Brotherhood will not tolerate the abuse of the sacred fire<sup>5</sup> on this planetary body!

*I AM Purity. I AM Astrea.* And the call goes forth! Let the demons tremble! And let those quake who consider that they perform their actions that are a compromise of living truth in secret. I say, that which is done in secret shall be shouted from the housetops. For this is the year of judgment not only of the fallen ones. It is the judgment of the lightbearers as well.

Therefore bring your fruits, bring your accomplishments to the altar of the Lord. And if you are found wanting, be willing to face the Word and the penalty. Be willing to invoke the light to replace the darkness. God is a merciful God. He is no tyrant.

*I AM* the action of that rod and *I AM* thrusting that rod into the very heart of the earth! Let man conform to the law of inner being, and let men and women know that the Law cannot be flaunted, that you cannot go against that law with impunity.

So then, as Moses delivered the Ten Commandments to the recalcitrant children of Israel, we come forth! If you would have purity, then invoke Astrea.<sup>6</sup> If you invoke Astrea, then see that you *be* purity! For Astrea will not answer if you invoke that light and then forsake the virtue.

What is purity? Purity is wholeness. Purity is the love of the Cosmic Virgin. Purity is loyalty to the cosmic honor flame, loyalty to your own soul blueprint, the placing of the *I AM* Presence first, last and always, and the ego and its selfishness, the tyrant with its tirades, nowhere. It has no place in the hierarchy of the ascended masters or their chelas.

*I come with the fire of Kali and this is the action of the*

Divine Mother! *This* is the understanding of the fierceness of the Cosmic Virgin that slays the demons on behalf of the Divine Manchild within you.

Know you not that the consuming of the sacred energies of the Great White Brotherhood, which are given to you, in those activities that are not of the Christ exacts from your soul a frightful karma and a frightful penalty. You cannot take the light of the Brotherhood and turn it into darkness for selfish aim.

Come clean, then! Come clean in heart and soul! And be loyal unto truth, and see that spoken word and action are loyal to the truth of every man and woman. I say, *shatter* those momentums of darkness, of pride, that desire for revenge that will keep you in a perpetual round until you become dog-eared by your round in time and space.

I tell you, this is the moment of grace. This is the moment to break through to the door of reality. *This* is the moment when ascended master truth is available. Eat while the table is set, while the food is hot, for the Cosmic Virgin has prepared the feast. Take care, then, that you are not hungry in days of famine. For the cycles move; assuredly, they move. This is the height of abundant flow of cosmic wisdom. Apply it and be free. Those who tarry will face the consequences.

#### **Release Every Perversion of the Mother Flame within You**

We have come with that purpose of the binding of the Great Whore. This is on the scale of the macrocosm. Now we say, those who would be rid of the Great Whore within as the perversion of the Mother chakra, submit it on the altar now, silently within your heart. Release that energy in the name of the Christ, and it will be taken according to your will and your sustainment of that will day by day.

*You* are the creator of your own carnal mind. Do not blame it on the fallen ones! *You* accepted that carnal mind. Now you kick it out! The same is true with every perversion of the Mother flame. *You* created it. None other than you can be rid of that force.

Because you are a creator, a preserver and a destroyer, you can also do the same again, so that even if that force is taken this day, you can re-create it by your recalcitrance. Would you wander again forty years in the desert wilderness? I say nay! There is not time.

The Elohim come forth! We have other planets and evolutions whose salvation is nigh. We will not forever toy with mankind. We are here! And let none dare challenge this presence or this messenger. We are here in the flaming presence of reality. This day you are graced by the causal bodies of Elohim, who have existed aeons and aeons beyond your own creation or your soul's descent into form. Therefore I say, respect hierarchy and respect this release!

Now then, let the circle and sword go forth! Let that Great Whore be *bound* in each and every one who will submit it!

*Blaze* the light of Astrea! *Blaze* the light of Purity! *I AM* the all-consuming fire. *I AM* the vortex of living flame that draws into the center of God, by the action of the Great Central Sun Magnet, all that is less than the Cosmic Virgin within you. So be it.

Some of you retain impurities in the cells and atoms and molecules of the four lower bodies. These will surface and go into the flame with prayer and with fasting, with continued invocation to the circle and sword of blue flame. See, then, that you understand that all of the dross cannot be skimmed off. This is a refining process. It is ongoing. Each day when the sun dawns, behold a new likeness of thyself in form, changing day by day, dying unto the old man and living unto

the new.<sup>7</sup> This is your calling. This is your opportunity. Be free, O cherished ones!

I AM in the fire of the Mother flame within you. I release that fire for your own good. I AM the discipline of the Law. Without fanfare, without fancy, I come, and I possess two objects only—a sword of blue flame, a circle of blue flame. I have surrendered all else unto God. God has returned unto me these implements for your freedom. Take them. Be free. *Call* them forth for all humanity, and *know* that every precious moment counts for the victory!

I AM Purity and Astrea. I AM free. *Will* to be free and you shall.

**“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.”** This previously unpublished dictation by **Purity and Astrea** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, May 25, 1975**, in San Diego, California. **(1) The belt of the Great Divine Director.** In his book *The Magic Presence* (Chicago: Saint Germain Press, 1935), Godfré Ray King described the belt, or girdle, of the Great Divine Director: “This Majestic Being stood fully six feet four inches in height. . . . The girdle encircling his waist was a mass of sapphires and diamonds, and from it hung a panel to a few inches below the knees. This also was a mass of jewels” (p. 385). When you give the decree to the Great Divine Director, he will place his blue belt around you at the etheric level for the protection of your chakras. **(2) Many have been brought to judgment in recent months.** One of the most significant of these was Lucifer, who was bound on April 16, 1975, and taken to the Court of the Sacred Fire, where he stood trial before the Four and Twenty Elders for a period of ten days. He was sentenced to the second death on April 26, 1975. **(3) Babylon the Great.** Rev. 14:8; 16:19; 17:5; 18. **(4) Prov. 29:18.** **(5) For more on the abuse of the sacred fire** as well as teachings on the use of the sacred fire, or sexual energy, and how to redirect and raise that energy, see Elizabeth Clare Prophet, *Finding a Higher Love: A Spiritual Guide to Love, Sex and Relationships*; available at <http://Bookstore.SummitLighthouse.org> or by calling 1-800-245-5445 or 406-848-9500. **(6) Invoke Astrea.** See “Decree to Beloved Mighty Astrea—“the Starry Mother,” decree 10.14, in *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation*. ## THE RADIANT WORD

### The Sacred Fire

#### The Marvelous Light of God that Flows through You Every Day

Excerpt from *Finding a Higher Love:  
A Spiritual Guide to Love, Sex and Relationships*  
by Elizabeth Clare Prophet

Our sexual energy can be understood as sacred energy, or sacred fire. It is the energy of God, the very energy of creation. It is the energy that blesses us with offspring as children as well as offspring of the mind and heart that come forth as creations of the Spirit. It is the creative energy that brings forth art, culture, education, science, technology, and personal fulfillment. It strengthens us, heals us physically, and enables us to bring forth our personal talents and creative genius. . . .

God gives us free will, so we have the freedom to choose how we use the sacred fire and our sexual energies. . . . When we first realize that we have been misusing our energy in ways and degrees that are detrimental, it may be easy to be critical of ourselves. But the misuse is understandable if we develop such habits when we’re not aware that they are problematic, when we don’t know why or how to change them, and when they are reinforced, indeed encouraged, in the culture all around us.

When we have a greater understanding, we can rejoice in our new knowledge and be patient with ourselves as we go through the process of changing those habits. With the realization that sexual habits are a matter of energy flow, we can experiment with changing that energy flow. We have the opportunity to redirect, raise, and expand the energy, the light, within us. Gaining self-mastery in this way can be an exciting and rewarding experience. Just think what a difference it can make for you when you take charge of the marvelous light of God that flows through you every day!
