In marriage there is a need to love and to love. It is a love of forgiveness, compassion, understanding, and a willingness to pick up the pieces and start over again when there are problems—and to keep on trying, to keep on loving, to keep on forgiving and to keep on nurturing one another.

Elizabeth Clare Prophet and the ascended masters offer both a practical as well as mystical understanding of marriage and its opportunities for spiritual growth and world service.

The Miracle Pouch of Violet Flame

*Set the World Afire
with the Rolling Joy of the Violet Flame!*

Part 2

In the light of freedom, my vision goes to other shores. In the light of freedom, I salute the brave heroes of the centuries and of this century who have stood and won in the face of the oncoming dragon of World Communism.

Understand—you who hold the line in Taiwan, you who hold the line in Hungary, my own native land, you who hold the light in Poland, in Czechoslovakia, you who hold the light in East Germany and in the Soviet Union, you in Red China, you in every land of the earth, you, O my beloved—understand the law of cycles. Understand the law that requires an outplaying upon the world scene of that which comes out of the pit, out of the subconscious of the entire planetary body of earth and her evolutions. It is called the dweller-on-the-threshold.

Therefore the dragon expends itself, *expends itself*. Understand the law of the energy veil. The expending of that *e-veil* is the deceleration of its own momentum that indeed appears

to be an acceleration, but it is the outplaying of a death that cannot die until it be fulfilled in its own law of death.

The energy of this death cult upon earth, therefore, casts a long shadow over the earth. And as it casts its shadow, there is a sickness in the souls of millions and in their bodies—in the physical body, in the astral body, in the mental body, in the etheric body.

The Violet Flame Transmutes Death into Life

Beloved ones, there is a disease and the disease is called death. And that death can be transmuted into life by you by invocation to the violet flame and by the gift of miracles in God's name. Until the violet flame is applied to that illness of death, it will not recede.

The gift of the violet flame is the great miracle of the century to consume, to roll back with that thrust, that roll and a ho, ho, ho! And the laughter is the laughter of a cosmos. It is the laughter of life—life that has become the fullness of itself by the utter transmutation of every record of death.

Would you defeat the dragon of World Communism? Then understand the psychology of death and the death wish carried by the fallen ones, which the messenger has begun to explain to you today. Understand that that is the core and the seed of the world cancer of socialism that creates an insanity of the mind, a schism within the emotions, a distortion, like a horror chamber, in the etheric body, and ultimately the grayness and the stench within the physical body of the physical cancer itself.

Many of you have tended loved ones in the hour of this crucifixion as they have given their lives in the process of a transmutation that could have been accomplished by the violet flame had it been invoked in the moment of the inception of the disease of death and that which is the culture of

that disease, hatred itself. Beloved ones, you have realized, then, that that disease can be all-consuming and yet love itself is all-consuming.

Understand that the earth has an illness. The planetary body itself has a sickness. The unguent, the miracle drug, the cure is always and always and *always* the violet flame, the violet transmuting flame that sings as it consumes.

The Violet Flame Sings the Tune of the Keynote of the Atom

Why is it the singing flame? Because it sings the tune of the keynote of the atom. Whatever the substance—a tree, a flower, the mountains, the body temple, the soul—every atom and every molecule of Spirit and Matter has its vibration, its keynote. And when the violet flame touches that particle, it automatically sings the note of that substance, and that substance conforms to its own inner blueprint, its own inner harmony. And the violet flame sings many, many melodies all of the day.

O violet singing flame, sing the song of these souls! Sing the song of the souls! Sing the songs of the individual atoms of being, the organs of life. And let these chelas now come—let them come to the Cave of Symbols¹ with me this night. O violet flame, enfold them in thy swaddling garment! Now wrap them in that flame, in that sari. Let them now have the remembrance of their years in Mother India when they took their initiations under the great yogis of the ancient days. Let them come now dressed as they were.

Let them know that I, too, have a devotion to Mother India and I meet with Chananda² this night, who comes to the Cave of Symbols. And the Indian Council of the Great White Brotherhood is there to greet you when your souls take leave of your bodies in sleep.

Our Diplomatic Mission: Project Amethyst Jewel Go Two by Two and Carry Our Message

Why does Chananda come? He comes for that diplomatic mission announced to you by the archangel Gabriel, that Project Amethyst Jewel.³ For Chananda holds the key to Asia and the light of Asia that comes out of Mother India. And therefore Chananda with Kuan Yin have their own plan for the victory of the light in the nations of the Far East.

What? Do you think we have been idle since all of these discussions have been carried on in the secret diplomacy? Do you think that we have simply stood by to allow mere mortals to interfere with the divine plan of earth and her evolutions? Do you think that we who can tremble the stars, we who hold in our hand the judgment of the nations, we who stand with Mother Mary, who has but to lower her right arm for the descent of karma in the earth—do you think that we will allow the interference with that to which the Ancient of Days has dedicated his heart in this age?

I tell you, beloved ones, we will not place before you our own secret diplomacy, but we will come and we will commune with you. And you who will have the ability to have recorded within your chakras that which transpires this night will have an inner knowing, a veritable glowing in your centers, of Elohim, of seven holy Kumaras and those who indeed are in God-control of the earth this hour.

I say, fear not. Do not fall into a heap of fear and doubt, anxiety, chaos or confusion as you are stimulated in fear by the media and the journals of the day. But I say, instead press on with an acceleration, with a determination, with an energy of light. And do that which you are called to do—to go two by two and to carry the message of our teaching and of the opportunity for souls of light to be one with us as chelas in the Law.

We are examining the applications of our chelas—those who would come, those who would respond, those who would be prepared to be sent forth from Camelot as public servants in the various agencies and arms of the governments of the nations. We will consider, then, your applications and qualifications. Whether in the Spirit or in the Matter cup of Camelot, we will use each and every one of you to anchor light and to multiply yourself.

**Love One Another as Every Ascended Master
Has Loved His Very Own**

Hear, then, the teaching of the law of survival that is the law of an exponential growth, an expansion, a multiplication. Understand that the multiplication of your Christ consciousness is that which the Law requires of thee in this hour. And each time you give the momentum of your Christ Self and place it as your most precious gift upon the altar of another, you have multiplied yourself, and the seed of your own Tree of Life grows with the seed of the Christ Self of that one. And therefore you are in the heart of every part of God whom you have loved.

Love, then, one another as I have loved you.⁴ This is that new commandment of the Guru unto his chelas, that ye love one another as (in the same manner as) I, Saint Germain, have loved you, as Jesus Christ and every other ascended master has loved his very own. It is a love that is a joy of the Guru becoming the chela and the chela becoming the Guru and the giving of the all of self, only to discover that the all of self has increased so that each succeeding gift of the self is greater than the last.

Love one another. Be in love with the life that is God within one another's heart. Oh, this is the true family. You bear, my beloved, the flame of the Essenes, of Camelot and of

all of the lightbearers who have nestled together across the earth, across the ages. This focus of the Holy Family, of brothers and sisters of Francis, this focus, this love does indeed hold a light that enrages the hordes who would destroy mother and father and marriage and family and child by their doctrines of Communism.

Therefore, our radiation of light for the keeping of the Holy Trinity is indeed within the Chapel of the Holy Family. And here in the Chapel of the Holy Grail,⁵ we summon those who have come through the Holy Family to their path of initiation in proving the great mysteries of the Grail cup.

**The Pearls of Wisdom Hold the Key
to Passing Your Initiations**

As you drink of the *Pearls of Wisdom* given to you by Gabriel,⁶ look, then, for the initiations which each mystery portends. See how an understanding of a key and of enlightenment is that which is given to you the day before your initiation on that very point of the Law.

What do you think, then, when you are not disciplined or fastidious in the studying of those *Pearls of Wisdom* or the seeing to it that you have your very own copies? It comes to pass that your initiation comes on time, by cosmic timetable, and perhaps you pass; perhaps you do not. But in passing, you may walk by faith and not by hope and charity as a flame of wisdom and of love. And so it is our prayer that faith will see you through. But there comes a moment, beloved ones, as you accelerate in those initiations of your ascension, when it is absolutely necessary that you hold in your hand the key, that you might pass through the oncoming astral hordes bent upon your defeat.

If you read not, then, our messages, may we give you more? The Law dictates that we may not. And therefore,

we implore your soul now to turn over a new leaf so that our messenger will not have to remind you and ask you each day, “Have you read your *Pearls of Wisdom*? Do you have your *Pearls of Wisdom*?” For you see, the heart of a messenger must be the uplifted chalice of the Grail to receive ahead of time the great essence of light, the elixir of hope that will be yours without fail.

Beloved ones, we, then, plan into the future. And our releases, our dictations, our information to you must be ready when you need it. We endeavor, then, to keep the cosmic clock and the timetable of the release of our Word. We appreciate and we are grateful for your attentiveness to your own life’s cycles and your disciplines, for these always facilitate more blessings, more light and a greater increase.

Now then, at the Cave of Symbols we will study the plan for the year and years to come. Blueprints in many areas are on display and there is an understanding of alternatives. There is an understanding of extensions, expanding and, if necessary, contracting time, space, energy, victory, activity, goal-fitting, goal-preparedness—life in your hands as opportunity knocks.

**Let Our Love Be Your Joy
to Do Greater Works**

I AM Saint Germain. I knock at the door of your heart. I bid you welcome to my retreat. I bid you welcome to one of the homes of light to which I also retreat in meditation upon the Almighty God.

I have come to anoint you with my love, and I have oh so much more to tell you. But I will leave you now and let the year hold in store the unfoldment of revelations, promises and dispensations to your own blessed selves from the Great Karmic Board.

In our expression of gratitude, we send love. And as we send love, let it be in your heart a great joy—a great joy to do those greater works because God has acknowledged and received your offering and tells unto you this night, “My beloved son, your offering is acceptable in the presence of the great Three-in-One.” Now then, to have an acceptable offering unto God, this gives to the servant-son the joy of knowing that on the morrow he may give again another acceptable offering.

LORD God Almighty, it is our prayer, the prayer of the entire Spirit of the Great White Brotherhood assembled now and kneeling before thy light, that we together with our embodied chelas may present unto thee, O God, the year 1979 as an acceptable offering. Therefore we will meet again at Camelot in twelve months. We will meet to present the fruit of our sacred labor together unto thee, O God.

So now prosper thereto thy Word in us, thy manifest Word. Let it prosper and fulfill that which it does please thy holy name I AM THAT I AM. Amen.

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Saint Germain** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Monday, January 1, 1979**, at the New Year’s Class, *The Feast of Saint Stephen*, held at Camelot, Los Angeles County, California. Part 1 is published in *Pearls of Wisdom* vol. 59, no. 1. **(1) The Cave of Symbols** is Saint Germain’s North American retreat, located at Table Mountain, Wyoming. Saint Germain also has a retreat in Transylvania, Romania, and teaches at the Royal Teton Retreat, which is congruent with the Grand Teton, near Jackson Hole, Wyoming. **(2) Chananda** is Chief of the Indian Council of the Great White Brotherhood. His retreat, the Palace of Light, is located in the Himalayan Mountains. He is also hierarch of the Cave of Light (focus of the Great Divine Director in India), situated in the mountain behind the Palace of Light. **(3) That Project Amethyst Jewel.** In his book *Mysteries of the Holy Grail*, Archangel Gabriel announced: “The Darjeeling Council sets forth its solution to world problems. It is Mission Amethyst Jewel. . . . The disciples of that path of God-realization who cluster around the One who is the Word, the Lamb incarnate, form the amethyst jewel of community: clusters of ‘neutrons’ and ‘protons’ as particles of participation in the great God-awareness which the Great White Brotherhood is committed to sustain within the earth body as a counterweight of light midst an evolution yet in the darkness of spiritual neglect. This multiplication of the light body of God-servers is the growing crystal of the amethyst jewel known as the mystery school which we have ordained in the community teaching centers of Church Universal and Triumphant” (chap. 8). Gabriel also refers to Project Amethyst Jewel in chapter 9. See Elizabeth Clare Prophet, *Mysteries of the Holy Grail*, available at <http://Bookstore.SummitLighthouse.org> or by calling 1-800-245-5445 or 406-848-9500. **(4) John 15:12.** **(5) The Chapel of the Holy Family, the Chapel of the Holy Grail.** From 1978 to 1986, the international headquarters of Church Universal and Triumphant and The Summit Lighthouse was located in the Santa Monica Mountains near Malibu in Los Angeles County, California. It was a beautiful 218-acre estate that the Church bought from the Claretian Fathers and named Camelot. Among the various buildings on the property stood a large chapel, which became the Chapel of the Holy Grail, where many Church services were held. The Chapel of the Holy Family was a smaller chapel located in another area of the property. **(6) Pearls of Wisdom given to you by Gabriel.** Archangel Gabriel delivered eighteen dictations about the inner meaning of the Holy Grail that were published as *Pearls of Wisdom* in 1978 and 1979. Subsequently, they were published in *Mysteries of the Holy Grail*.
