You Can Become a Living Immortelle of God
Our Hope Is for the Healing of Mankind

Men can today have faith that the miracle power of Almighty God is moving in diverse and strange ways, his wonders to perform. He has sent me to bind up the wounds of the nations, to heal the brokenhearted, and to make all to understand the meaning of infinite love.

I come, then, this day with this call ringing upon my lips to the angels of healing, who respond to bear the flame from the heart of the Father to each afflicted part. But in reality it is the whole body that is afflicted. It is not just the part that manifests the problem. It is the entire man that needs to be made whole.

And so, as we come today, our consciousness is imbued with the strength of healing and the angels bear healing in their wings. And they come in floods and they come as a river of God, a river of God that flows...

You Can Become a Living Immortelle of God *Our Hope Is for the Healing of Mankind*

Let all who are my sheep hear my voice, for I AM with you always, even unto the end of the world.¹

How tender and beautiful is the gesture of hope that God has brought to every man through his own Holy Christ Self and those higher dimensions of the Spirit that are unafraid but deem themselves vehicles of expression of the Infinite unto humanity.

As I gaze today upon mankind, I feel those same feelings that stirred within my heart so long ago. I feel the same longing to bring the lambs that are astray back to the fold. I feel the same desires to gather those who will be fishers of men in this day,² when so much instruction in righteousness is the requirement of the hour.

Hear my words and understand that the hierarchy sends forth the call, and the call is for the healing of the nations. The fruit of the Tree of Life must be dispensed and men and women must answer my beckoning to “Go ye into all the world and preach the good news unto every creature.”³

For our love is still the same as long ago. It is transcendent, infired with cosmic power and strength. Our love has grown

larger through the years; it has not diminished. And our hope on behalf of humanity is for the healing of mankind.

The Healing Angels Come to Heal the World

You have heard it said, let that which is lame be not turned out of the way, but rather let it be healed.⁴ And so I come forth this day imploring the Father of all to send legions of his healing angels into the world domain—to the hearts of little children, to those who are aged in outer consciousness and form, to all mankind—to once again renew their faith in our presence. And I say, O angels of healing, let thy light be brought to the earth as a beacon of cosmic hope to many hearts!

Men can today have faith that the miracle power of Almighty God is moving in diverse and strange ways, his wonders to perform. He has sent me to bind up the wounds of the nations, to heal the brokenhearted,⁵ and to make all to understand the meaning of infinite love.

I come, then, this day with this call ringing upon my lips to the angels of healing, who respond to bear the flame from the heart of the Father to each afflicted part. But in reality it is the whole body that is afflicted. It is not just the part that manifests the problem. It is the entire man that needs to be made whole.

And so, as we come today, our consciousness is imbued with the strength of healing and the angels bear healing in their wings. And they come in floods and they come as a river of God, a river of God that flows, as though out of Eden,⁶ into the consciousness of the world thought to heal the world, to restore the sight to blinded eyes, to open the continents of the air to the hearing,⁷ and to heal the tongues that cannot speak.

Immortality Abides Within

We come today to restore the spiritual gifts to humanity, to teach the new and living way through our flesh, which was broken for the purposes of renewing the strength of humanity, long suffering in the night of self-induced misery. The tower of Siloam fell as a karmic hammer upon some, but they were not sinners above all those that dwelt at Jerusalem. I said then and I say it today, "Except ye repent, ye shall likewise perish."⁸ For immortality is the natural fruit of cosmic grace, and immortality abides within.

In order for men to understand the transmittal of the oil from its own chalice to the wick and then to the flame, let them understand that immortality is the burning and smoking lamp showed of old unto Abraham.⁹ Let them understand that that burning and smoking lamp is within them. In some it has sputtered and gone out even before the cry, "Behold! the bridegroom cometh."¹⁰

The Christ Consciousness as a Sign of the Renewing of the Holy Spirit

Let us make known, then, to one and to all the strength of our desiring, which is to heal and to vivify in man the divine image, to tenderly portray to his consciousness the awareness of our strength, the awareness of our intent, the fire of our purpose. We come today to re-create within the soul those tracings that are the restoring of cosmic boundaries from the very heart and domain of God.

Fear not, little ones. As I have said before, it is the Father's good pleasure to give you the kingdom.¹¹ The kingdom of God is at hand.¹²

As of old, when the light of the Holy Spirit flowed over the hill country reaching the hearts of men in their cosmic

heights, so once again I say, let the flame flow. Let the consciousness of the light of the Holy Spirit be intensified in the world domain. And let the cosmic teachers bear the responsibility of declaring the living Word, as the living waters lap the souls of men.

You have offered yourselves in our service and we have received you. But see that you come to our sanctuary with clean hands and a clean heart and a clean mind,¹³ for thus shall thy offering be most acceptable. Know ye not, O ye of little faith, that the flowers have more faith to reproduce after their kind than do some human beings who do not understand that they came forth from God and that to him they will return.

Let their hearts, then, not be troubled by outer circumstances, but let them understand the virtue of our appearing. For the Christ consciousness will appear within you as a sign of the renewing of the Holy Spirit. You will mount up as on wings of eagles.¹⁴ You will fly into the blue, and the golden sun of cosmic illumination shall cause your hearts not to faint. For you will remember the words of old that spoke clearly: "The LORD is my shepherd. I shall not want. . . . Yea, though I walk through the valley of the shadow of death, I will fear no evil, for thou art with me. Thy rod and thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies."¹⁵ Do you understand that these words are still the anointing of the heart as it applies itself unto God?

You Can Follow in My Regeneration

I have something that I wish to direct to all of you. It is this: The way that you can please God is to believe that you can follow in my regeneration. You can place your feet in the hollow of the footprints I have left. You can accept the mantle of the prophet of God. You can understand the need to go,

in my name, into the world domain. You can understand the fiat to heal the sick, to raise the dead, to perform those works which I performed.¹⁶ You can understand that I AM with you always, even unto the end of the age. You can mount in consciousness to those cosmic heights that will bring into the forcefield of your consciousness the faith we drew in performing our mission.

And I tell you, as the lilies of the valley grow and speak of tiny bells of purity and hope, as the rose unfolds her petals and wafts her fragrance everywhere, so can you become a living immortelle of God, cleansing your consciousness now and determining that you will walk in the footsteps I have walked, that you will love God as I have loved him, that you will reveal him as I revealed him, that you will understand that to you is given the mantle of the responsibility of teaching and speaking and glorifying God.

You are here. I have come to the earth again through you. And as you draw me very close to your heart, the world will see that the power of healing and virtue to a poor humanity, naked and unclothed, unkind and without understanding, is being supplied with the light of understanding, that they may be clothed, that the hungry may be fed, that the bread that came down from heaven may be broken.

The renewal of the light in the world of form is our hope, broken though the institutions be that bear my name. As they have forgotten me and denied me before men upon earth, I must deny them also before my Father, which is in heaven.¹⁷ But by a like token, I will affirm your Presence. I will affirm your offering. I will accept you if you will accept me and the mantle of my responsibility to humanity in this age.

Go ye, then, into the world and teach them the light that I AM, the light that you are, for we have one Father and he has sent us forth.

Spirit sparks, arise. [Congregation rises.] Fear not, O little ones. My light is as close as it ever was, closer still, for many more bear the mantle of my will.

Go ye, then, into the world and do your Father's will, that many come home in this age, that many understand, that many love. So shall we renew the strength of the kingdom upon the planetary body. So shall we restore the hope of the ages to the little children's door. Once again they shall see. Once again they shall hear the anthem of the free.

Go thou and do likewise, for truly I AM with you always, even unto the end of this age!

Peace be unto you always, in the name of the living God.
