### **Part 2**

You are deemed, in one sense of the word, mere “mortals” by mankind, who behold you walking down the street and sometimes say to themselves, “Well, I wonder what that gray head is going to do.” Beloved ones, there may be many of you with gray hair in this audience, but I tell you that there is a great fire within your heart! And that is what I am concerned with. And those of you who do not have it, but who may acquire it eventually, through some means or another of service to the light, will find that the light that is within you is sufficient for the days that are ahead!

And there is no outward evil condition that cannot yield to the light if you will *invoke it* [messenger pounds podium] *in God’s name and call it forth and put it into practice and use!* I say to you, beloved ones...

## The Goddess of Liberty's Freedom Class

### Pleasing Your Own Mighty I AM Presence Is the Greatest Honor You Can Ever Achieve

#### Part 2

Beloved ones, in the name of independence and freedom, cease to be fooled by the human! Cease to be fooled by those who would bring forth discord and gossip and destructive activities! We have stood behind The Summit Lighthouse, not because of any specific individual in it, but because of the fact that the concept [of The Summit Lighthouse] itself is divine. And those who enshrine it, those who are serving the cause at the Heart Center,\* have to the best of their ability rendered a cosmic service. It does not mean that they could not do more. It means that they have lived according to their present capacity, and we yearn to see that capacity expanded.

Some of you may not realize—but most of you will if you will let the scales of illusion fall from your eyes—that there was a masterful stroke of divine genius in our service today, which may have seemed to you to appear as an ordinary procedure.<sup>1</sup> But I assure you, it was more than ordinary by far.

In case some of you would like to try it, I urge you to stand

\*the organization's headquarters, or main location, which was located in Fairfax, Virginia, at this time

upon your feet in rendering a [spiritual] service to mankind for one hour, and then find out for yourselves if there was not a masterful stroke of cosmic genius in the release which we gave to you today. Perhaps it did not manifest in all of the absolute perfection in which we released it, but at least it manifested very close to it. And for that we are most grateful to every one of you who participated in it.

Beloved ones, this was performed for a purpose—to generate within you a cosmic spirit of brotherhood toward one another so that from this nucleus there could expand a great fire ring of cosmic initiations around the world. Beloved ones, stop and pause to consider what this means. You are brothers, now, of the flame and sisters of the flame, welded together through the great cosmic fire rings and by the cosmic fire angels of my band. This is a more than ordinary procedure by far.

You are deemed, in one sense of the word, mere “mortals” by mankind, who behold you walking down the street and sometimes say to themselves, “Well, I wonder what that gray head is going to do.” Beloved ones, there may be many of you with gray hair in this audience, but I tell you that there is a great fire within your heart! And that is what I am concerned with. And those of you who do not have it, but who may acquire it eventually, through some means or another of service to the light, will find that the light that is within you is sufficient for the days that are ahead!

And there is no outward evil condition that cannot yield to the light if you will *invoke it* [messenger pounds podium] *in God's name and call it forth and put it into practice and use!* I say to you, beloved ones, if you are going to keep the flame, you must recognize that in keeping it you are declaring your independence from outer human conditions forever! And you are, then, dependent upon your own mighty I AM Presence *for*

*your life, for your supply, for your abundance, for your wisdom, for your brotherhood, for your compassion, for your grace, and for your ascension!* Yes, indeed, even for your ascension, and that especially.

If you would drink, then, of the great cup of liquid light which I offer you today at spiritual levels, you will realize that you can partake of that same communion which beloved Godfré\* offered to David Lloyd.<sup>2</sup> And if you partake of it today at spiritual levels, do you think, beloved ones, that the hour will not come when you yourself will find that this elixir is penetrating your consciousness and giving you the flame of freedom flowing through your physical form?

And you will find, through the power of the flame, that you are being reborn anew, hour after hour, and refreshed and regenerated and actually ascended in consciousness until, by and by, the day will come when the great spiritual magnet will be so strong that the attraction that pulls you upward will be so much greater than that which holds you down here. You will quite naturally rise because *there is no longer any gravitational power whatsoever to keep you down here! And you're going to go up, beloved ones!* And that is our gift to you today on this your cosmic Independence Day of freedom in the mighty I AM name!

I thank you in God's holy name and bless you in the name of the great I AM Race,<sup>3</sup> in the name of America, the land of the free; in the name of India and the great and magnificent, devoted people of the Far East; in the name of both East and West; and in the name of brotherhood.

Peace, then, dear hearts. The hour is coming when you shall have your victory. Fear not. Be of good cheer.<sup>4</sup> It is I, the light of the world in all that shall expand you until you become as illustrious as God intended on the day he saw your

shining souls and beings emerge from the great spheres of light in the Great Central Sun. I thank you and bless you with all the diplomatic courtesy which I can extend to your precious lifestreams. You are my children, born of the flame, and I love you, each one.

God bless you. (Won't you please be seated.)

Thank you, and good afternoon.

"The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom." This previously unpublished dictation by **Saint Germain** was delivered by the Messenger of the Great White Brotherhood Mark L. Prophet on **Thursday, July 4, 1963**, during *The Goddess of Liberty's Freedom Class*, held at the Dodge House in Washington, D.C. [N.B. Bracketed words have been added for clarity in the written word.] Part 1 of this *Pearl of Wisdom* is published in this volume, no. 7. (1) Saint Germain could be referring to a decree service led by Elizabeth Clare Prophet that concluded a lecture by Mark L. Prophet or to a private Keepers of the Flame meeting that initiated members into the Keepers of the Flame Fraternity. (2) **Cup of liquid light offered to David Lloyd.** David Lloyd was the son of a British officer in the Punjab of India. At the age of twenty, he received the message from an unascended master that when he found a man on a great mountain in North America who would offer him a crystal cup of sparkling liquid, he would find the one who could assist him in making his ascension. Despite extremely difficult trials, disappointments, and sorrows, David Lloyd continued his search for fifty years, until the day he happened upon Godfré Ray King on Mount Shasta. Godfré indeed gave him the crystal cup of "living liquid-light," and David Lloyd drank the elixir. Then Godfré grasped both of David Lloyd's hands in his own. As his youth returned, he rose from the ground. The moment of promise had come, and, in the presence of Godfré, David Lloyd physically ascended from Mount Shasta. Thus, David Lloyd is among the masters who have made the physical ascension. See Godfré Ray King, *Unveiled Mysteries* (Chicago: Saint Germain Press, 1939), pp. 235–41. (3) **I AM Race.** The word *America* is composed of seven letters, which form the words *I AM Race*. The term *I AM Race* signifies a race of lightbearers of all nations who retain the inner memory of the individualization of the Godhead identified to Moses as I AM THAT I AM (Exod. 3:13–15). (4) Matt. 14:27; John 16:33.

## Forever Thine

In the name of the beloved Mighty Victorious Presence of God I AM in me, my very own beloved Holy Christ Self, Holy Christ Selves of all Lightbearers of the world, beloved Guru Ma and Lanello, the entire spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth! I decree:

My mighty great God Presence  
On shining wings of Light,  
Come blaze thy radiant Light rays,  
Be a beacon through the night.  
High in thy constant watchtower  
Of the Summit now you blaze;  
Deep within the hearts of men  
You're anchored there to raise  
All to Love,  
All to Love,  
All to Love.

My mighty great God Presence  
On radiant sunbeams bright,  
Come with thy Faith, Hope, Charity,  
The Threefold Flame relight.  
Release now through the Summit  
That Ascended Master touch  
That harmonizes heart with heart  
With each responding, oh so much  
To thy Love,  
To thy Love,  
To thy Love.

My mighty great God Presence,  
With thy being I AM one;  
I but invoke thy radiance  
To know that thou art come.  
The tower of power upon the Rock,  
The Summit is enduring;  
Deep in men's hearts, its healing rays  
Abide, all evil curing,  
By all thy Love,  
By all thy Love,  
By all thy Love.

(continued)

My mighty great God Presence,  
Our consciousness so raise  
Till we know such joy of being  
We lift our voice in praise.  
From hearts of children everywhere  
Is gratitude now pouring;  
Releasing chords of harmony  
Their own God Self adoring  
With all their Love,  
With all their Love,  
With all their Love.

I AM, I AM, I AM adoring Thee  
With depth and breadth and height  
Of consciousness as it expands  
With radiating Light,  
Beloved I AM,  
Beloved I AM,  
Beloved I AM.\*
