This Government and This Nation Shall Not Perish from the Earth

I Enlist Your Support of the Holy Cause of Keeping This Nation Free under God

Good evening, ladies and gentlemen. I address you as heart friends of old and as devotees of the will of God. For no matter what the outer appearance or the outer consciousness or the outer circumstance, I know that each of you within your soul is a devotee of that will.

I come to caress the soul with fire, to cut across all mortal desire with the action of the blue lightning of the mind of Christ. I come with the fiery sword of the will of God to cut you free and to bring you into an era of God-government in this nation and in every nation upon earth. I come with a covenant and with a mandate from the Darjeeling Council.

When times are critical, we direct ourselves to the crisis and we wait for another occasion for our poetry, our song, and our dance. At this hour, ladies and gentlemen, you must have the knowledge that the dark ones, the sons of Belial and of Beelzebub, are conspiring in chambers in Washington, D.C., and in other cities of this nation as to how they can accelerate the plan for the takeover of your government,

This Government and This Nation Shall Not Perish. . .

which is “of the people, by the people, and for the people.”¹

I address you in order that this government and this nation shall not perish from the earth. I address you to enlist your support of the holy cause of keeping this nation free under God—not for vainglory, not for chauvinism, but solely as the opportunity under the sun for every man and woman to attain the fullness of the Christ-potential.

The hierarchy is not prejudiced for America or against other nations. The scope of our consciousness is vast. We do not segregate mankind. That is the work of the dark ones. We do not compartmentalize, nor are our tactics those of the cloak-and-dagger, divide-and-conquer method. We come to consecrate individual man and to consecrate a place, a territory, for the evolution of that man.

We see the scroll of the future. We behold the handwriting on the wall. We know that by their foundation, by their system, most nations upon earth are not conducive to the free flow of soul energies that is required for the spiral of the Aquarian age to unfold. We know that whereas individuals in the government of this nation have been subject to forces of prey, to the pollution of the fallen ones and to their blackmail, the system itself is stronger than the individual. The divine document that is the Constitution, when properly employed, can deliver America from a bureaucracy and from those who are corrupt who presently hold the reins of power.

I say, then, our love for this nation is a love that transcends all boundaries. It is a love for the planet as a whole, as a place where man can be free to follow* communion with his God and to bring forth a golden-age culture out of that communion. We, then, have all of humanity in mind when we enlist your support for the final definition of what this government ought to be and shall be. United we stand, divided we fall.

Precious hearts, in the coming weeks and months the

*seek to attain

destiny of this nation will be decided. The ascended masters can intervene and bring forth a stronger government with stronger leaders if we have the authority to act in your world by the word of your own mouth, by your own heart and mind. The Law states that we cannot intervene unless you call upon us in each twenty-four-hour cycle.

I am therefore asking that you become more than devotees of the will of God—that you *become* that will, that you *become* that flame, that you have an awareness of your identity in that flame as you have never had before. I ask you to invoke the will of God as a fiat, as a decree, as an invocation, as a meditation, and to meditate upon his Law day and night.

We ask for energy. And if it could be said, it might be said that the energy crisis consists in the fact that the ascended masters do not yet have enough energy from embodied mankind, by their fiats and their decrees, to step through the veil and to bring in the golden age. We are asking for that energy this night because it is critical to the fate of the planet, to the fulfillment of the divine plan.

You stand on the brink of an age when this teaching shall be published abroad and spoken abroad through this messenger in every city in this nation. At this very hour those representatives of darkness on astral planes, who are out of embodiment, fear the light that she will bring to all people. Their fear is the trembling of the dying as they anticipate the grave that they themselves have dug. Their fear is the terror of the night. It is the fear of the fallen ones. And I tell you, there is nothing more dangerous than a wild animal who treads in fear. It will take any chance and make any move as a final desperate attempt for self-preservation.

I say, then, that on the brink of this expansion all of the forces of darkness converge at this very point to stop the flow of light. I enlist your aid. I ask you to decree, giving calls to

Archangel Michael and especially the invocations that are on the blue pages of your decree books. I ask you to think of me each day and to realize the warning which I gave forth in my dictation concerning the “vote of confidence,”² that if the president were to resign or to be impeached, he might be replaced with a dark horse, one of the dark ones. This is always a factor to consider in the chess game that we play.

The vacancy of that office could create not only chaos and confusion but [it could also mean] the stepping into power of the Antichrist himself. I say this with great deliberation, for indeed the problems of the planet are not easily resolved even by the ascended hierarchy. For hierarchy must wait upon that nebulous commodity, the human consciousness, which cannot be predicted inasmuch as it is moved by astral energies and because mankind have not surrendered. Therefore when we consider alternatives, we must affirm that to allow one who has acted in total dishonor to remain in the office of the president of the United States would not be in keeping with our commitment to the laws of God and to the pristine will.

Therefore, I am recommending this night to the Lords of Karma (the solar beings who govern the destiny of this system of worlds) that a complete exposure of the activities of Richard Nixon and his colleagues be made apparent to the American people by the hand of the Keeper of the Scrolls so that honor may be restored once and for all.³ And may those who fear that honor and who tread in the night be brought to the realization that this land is made of stalwart souls who decry the misrepresentation of their holy will that has been carried on as a chicanery of holy purpose.

Let it be done, then, by the order of the Keeper of the Scrolls and by the mandate of “We, the people!”⁴ For you see, this government of the United States is a government that

represents not only mankind but also our hierarchy of light. And the office of the president of the United States is a holy office that is sponsored by hierarchy. We cannot condone or sponsor in that office one who has betrayed the purposes of the Divine Woman and the Divine Manchild, one who has sold the very essence of the flame of freedom to the tyrants, to the Luciferians in the other nations of the world.

This is a serious moment for hierarchy and for mankind. We desire to see a son of God who is committed to the light of the Christ to take that office. I tell you, precious hearts, that in order for this to happen there must be a binding of the forces of darkness, of the Luciferians and of Lucifer himself.⁵ For you must understand that he who holds the reins of darkness, the Liar and the father of lies, controls those who are known as the Illuminati, the secret government, and those who are in power by reason of their moneyed interests and their control of the Federal Reserve Bank and the international economy. All of these forces, all of these financiers collaborate to see to it that only a son of darkness can hold that office. And when a son of light appears he is assassinated swiftly, quietly, while the dark ones enjoy the misery and the confusion and the havoc that they wreak upon society.

Precious hearts, we are asking you to call for the reign of the Prince of Peace in the White House, in the Capitol, in every heart. We are asking you to mount with a holy fervor, to ride with the one on the white horse, with the one out of whose mouth there comes the sword—the sword of the sacred Word.⁶ We are asking you to count yourselves among the saints who love not their lives unto the death.⁷ These are they whose names are written in the Book of Life.⁸ With all of your heart, with all of your soul and mind, I say, make your vote count for the holding of the focus of light in America.

I ask you, in consonance with the directive that came

forth from Lanello, to secure a globe, a lighted globe, to place it upon your altar⁹ and to raise your hands over that globe, knowing that the energies of the secret rays will flow through your hands. I ask you to hold your hands two inches above that globe and to continue to hold them over the United States as you give your invocations and your service each day. Know, then, that God acting through you will hold his hands over America to bless this nation, to keep it free, to restore harmony, God-government, God-economy.

There is still time. There is still space. There is still opportunity. We stand on the brink of a destiny that will be either the ushering in of heaven on earth or of hell on earth. Therefore, no sacrifice that you make is too great. When you consider your children and the world they will have to live in, your love will mount for all humanity.

I say, be en-fired with his will this day. And include in the room where you have your altar a picture, a photograph, of the White House and of the Capitol Building. Both are necessary so that in your mind's eye and through the third eye and all of your chakras you can direct, with the Elohim, the [light of the] seven rays for the balance of the Holy Spirit. Let it be done, precious hearts. And let this message be published to all members of the company of saints of the Keepers of the Flame.*

I have directed this messenger to commence at midnight this night a fast on behalf of the salvation of The Summit Lighthouse, of America, and of the planet.¹⁰ For in that order the Luciferians desire to destroy the platform and the opportunity for evolution.

I ask you to join in prayer. Fasting is according to your own free will and capacity. I desire to strengthen the ranks of the lightbearers with a spirituality that they have not yet known. I desire to strengthen them with an invincible

consciousness of Christ-victory, an indomitable will that will not be put down because heaven, with all of the forces of the Christ as legions arrayed in white, is standing on the hillsides of the world [waiting] for the greatest victory that has ever been won in time and space.

You see, precious hearts, Lucifer and the Luciferians have caused the destruction of a number of worlds in this galaxy. And now they are concentrating the full momentum of their energies upon this earth to destroy the youth, to destroy hope.

They shall not prevail! They shall not pass!

This is the edict of God. Let it become the edict of man and you will see the fusion of light as Above, so below.

I AM Morya of the first ray, and I will not give up the ship! In the words of Saint Germain, “I will never give up! I will never turn back!”¹¹ I AM that will. I AM that will in action within each one of you.

Therefore walk the streets of America with determination—with that determined jaw of Lanello and with that steely firelight in your eyes—and you will see how the demons will tremble before your path. For I AM Morya within you. My turban is flying high and I say, I will unroll it as the scroll and the spiral of that light which God has given to me as the diamond. And I place as collateral that diamond of his will upon the altar of God until America is free once again to breathe the fiery air of the Holy Spirit.

O America, rise up! For this is a warfare of the Spirit and it shall be won by those who are one in Christ.

Peace be unto you, fellow servants of God. I AM your Morya, at your service, at your call. I AM *will* in action!

Let us be up and doing. The hour is short. And behold, as sin lieth at the door,¹² so the Christ does knock. Bid him enter and behold the salvation of God.

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.”

This dictation by **El Morya** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, March 24, 1974**, during the class *In Celebration of the Equinox*, held at Cobo Hall, Detroit, Michigan. [**N.B.** This dictation was previously printed by The Summit Lighthouse in 1974 in the booklet *Exhortations out of the Ark of the Covenant*, no. 2, which is no longer available. This *Pearl* is the original dictation with edits from the first publication. The bracketed words are words added by the current editors for clarity in the written word.] (1) During the civil war President Abraham Lincoln dedicated the Soldiers’ National Cemetery at Gettysburg, Pennsylvania. He concluded his address saying: “These dead shall not have died in vain, that this nation, under God, shall have a new birth of freedom, and that government **of the people, by the people, for the people** shall not perish from the earth.” (Gettysburg Address, November 19, 1863) (2) On November 4, 1973, El Morya gave a dictation called “**A Vote of Confidence.**” He warned: “There are matters of great import taking place this very hour across the planetary body in secret chambers behind closed doors. There the councils of the sons and daughters of God are taking place. But there, also, the councils of the dark ones are in session. While some are plotting the overthrow of the government of the United States, others are plotting to raise up a new president on the wave of mankind’s fears and doubts, uncertainties, and questioning attitudes. The plot is to encourage the people of America to rally against the president [so that the forces of darkness will] have an excuse to bring in the dark horse, the one who is more representative of darkness still. Therefore consider well [that] each time there is a change in government, each time there is the passing of a torch from hand to hand, there is the opportunity for the falling of that torch to the ground or for the raising of that torch higher than before. This is an hour when extreme vigilance must be manifest in the children of the light and those who call upon the Lord day and night.” (3) **Richard M. Nixon** was President of the United States from January 20, 1969, to August 9, 1974. His administration became involved in a string of incidents known as the Watergate scandal. On June 17, 1972, police arrested five men who broke into the Democratic National Committee headquarters at the Watergate complex in Washington, D.C. In January 1973 the five, along with two accomplices, were tried and convicted. All were directly or indirectly employees of Nixon’s reelection committee. In March, one of the men alleged that there was a cover-up involving senior administration officials. From May to August the U.S. Senate hearings investigating the affair were broadcast and caused devastating political damage. In spite of mounting evidence, Nixon continued to deny his own involvement in and any knowledge of these illegal activities. Several high-ranking officials were convicted. When Nixon’s secret tapes of White House conversations (recorded since 1971) were released, his role in the cover-up was

revealed. On August 9, Nixon resigned. (4) **“We the people.”** These are the opening words of the preamble to the U.S. Constitution. The government’s intents and principles are succinctly described within it. The preamble reads: “We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.” (5) **Lucifer** was bound and taken to the Court of Sacred Fire where he stood trial for ten days. On April 26, 1975, he was found guilty and sentenced to the second death. (6) Rev. 19:11–16. (7) Rev. 12:11. (8) Rev. 21:27. (9) In his dictation given December 31, 1973, Lanello said: “Apply the Law and give the invocations that will deliver this earth into the hands of Almighty God. I ask specifically that you shall keep upon your altar **a globe of the planet** and that you shall daily hold that planet in your hands and raise it up to the I AM Presence, symbolically offering the earth and her four lower bodies into the arms of the Presence. I ask that you shall give that invocation ‘I AM Thy Chalice’ [no. 1.02], so that you . . . become the chalice of the light that descends. As you hold up the earth in your hands, think of Hercules who has held up the earth for centuries. Think of the great ones and the mighty Elohim and the Christ. Think, then, that in your I AM Presence and in your Christ consciousness you stand in relation to the earth as a mighty being of cosmic light. And you can hold the earth in the hollow of your hand when you understand ‘I AM the hand of God in action gaining victory every day, my pure soul’s great satisfaction is to walk the middle way’” [no. 1.30]. These two decrees are in the decree book, *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation*, available at the bookstore at <http://Store.SummitLighthouse.org>. (10) In later years in The Summit Lighthouse, the messenger and the organization have recommended that some students avoid fasting for health reasons or seek the guidance of a health practitioner. **Recommendations concerning fasting.** Never fast if you are pregnant or a nursing mother. If you have a medical or mental health condition, consult your doctor before fasting. Fasting for more than three days is not recommended unless you consult a health professional. If you feel lightheaded or disoriented or if you become ill while fasting, stop your fast and gradually return to solid foods. (11) **“I will never give up! I will never turn back!”** These are words from Saint Germain’s decree “The Flame of Freedom Speaks,” no. 7.26, in *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation*. To purchase, see note 9 above. (12) Gen. 4:7.

Deliver This Nation under God

In the name of the I AM THAT I AM, I call forth the light. Beloved Godfre, beloved Lanello, beloved hosts of light, kneel with us as we pray for the light in America, as we pray for the flame of freedom. Burn now upon this altar of our hearts! Deliver this nation under God.

Goddess of Liberty, send thy legions of light! Goddess of Liberty, send thy legions of light! Light of God that never fails, blaze forth! Blaze forth! Blaze forth!

We summon the seven archangels. I call for God’s own miracle light for the saving of this nation, America, and freedom throughout the earth. Let it be done, O God, by the hand of the Lion, the Calf, the Man, and the flying Eagle. Let it be done by the flame of Sanat Kumara, Gautama Buddha, Lord Maitreya, Lord Jesus, and all the hosts of the LORD. Ruby Ray, mighty Ruby Cross, send forth thy miracle this day! Send forth thy miracle this day! Send forth thy miracle this day!

In the name of the Father, and of the Son, and of the Holy Spirit and the Mother, Amen.
