**As You Are Purified by Elemental Life,
So Purify Elemental Life**

***Become the Focal Point for the Igniting of the
Elemental Kingdom with the Fires of the Resurrection***

Part 2

Precious hearts, your body elemental also participates in this rite [of cleansing by the salamanders and the sylphs]. It is a rite of the four seasons that we are enacting here today so that in a very personal way you will become one with nature. When the salamanders and the sylphs have accomplished the housecleaning of each of these two vehicles (the etheric and mental bodies), then they become a fit habitation for the elementals.

Did you know that within your etheric body, if you keep it cleansed by the action of fire, salamanders will come and tarry as a guest in your house, in your temple dedicated to the Holy Spirit?

As You Are Purified by Elemental Life, So Purify Elemental Life

*Become the Focal Point for the Igniting of the
Elemental Kingdom with the Fires of the Resurrection*

Part 2

Precious hearts, your body elemental also participates in this rite [of cleansing by the salamanders and the sylphs]. It is a rite of the four seasons that we are enacting here today so that in a very personal way you will become one with nature. When the salamanders and the sylphs have accomplished the housecleaning of each of these two vehicles (the etheric and mental bodies), then they become a fit habitation for the elementals.

Did you know that within your etheric body, if you keep it cleansed by the action of fire,* salamanders will come and tarry as a guest in your house, in your temple dedicated to the Holy Spirit?

Have you thought about the fact that elementals can inhabit your four lower bodies and thereby provide strength and a bulwark for the defense of truth and the action of the sacred fire?

*i.e., by the action of the violet flame

Have you thought about the fact that when your four lower bodies are polluted, as the four lower bodies of the planet Earth presently are, you do not attract the highest, freest beings of light? On the contrary, you attract discarnates of a lower order, and these too may be found to inhabit the house of man. And therefore consider whether in entertaining strangers unawares you will be entertaining angels, elementals, and masters, or whether you will be entertaining lower forms of life not worthy of the Christ.

Sometimes we chuckle a bit when we see mankind hurrying and scurrying to prepare their houses for unexpected company. Have you thought about hurrying and scurrying to prepare your four lower bodies to receive the Son of God, who comes as a thief in the night,¹ who comes to the wise virgins who keep their lamps trimmed and filled with oil?²

And so you never know at what hour you are to receive the Son of God in the person of elementals or angels.³ Therefore, be ye ready. For now the door is open once again, and the mighty undines enter. Undines of the water now enter this place in order to polarize your emotional bodies and to give you the balance of the mighty waters of Neptune and Luara.

O mighty undines, you who hold the balance of the water element and of the emotional bodies of mankind, I ask you, in the name of the risen Christ, to focus your love, your great feeling for the Mother of God, in the emotional bodies of these devotees of the sacred fire. Enter now the open portal of the feeling body of each one, and tarry there to purify and flush out the energies of each one's emotional body.

By the polarization of your emotional body to the Christ and to the Divine Mother, each undine now reenacts the

ritual of the bride of the Holy Spirit, of the washing of the water by the Word.⁴ And it is by the power of the spoken Word, anchored this hour in your chakras, that this activity takes place within you.

Thus you come to understand the necessity for the offices of messenger and of prophet in every age. For as the mouth-piece of God, these servants of the Brotherhood anchor at the physical, the emotional, the mental, and the etheric levels the energies which God desires to impart to man. And now you are joined by mighty gnomes—gnomes who are God-free, gnomes who come from the great halls of the Mountain King, who were heard by the composer, Grieg, when he composed his famous piece.⁵

Thus the gnomes descend to defend you in the hour of need. They strengthen. They make straight. They uphold your right to be in the physical domain, to walk the earth as sons and daughters of God. Staunch they are, as mighty soldiers, foot soldiers. They march across the face of the earth and they come to render service. And in return, they ask one favor:

Their prayer is that you might also pray for the precious gnomes, such as those depicted in the story of *Snow White and the Seven Dwarfs*⁶—the seven dwarfs who each had an impediment. Some were grumpy, some were happy, some were fat, some were thin. You see, precious hearts, the gnomes can be no more than mankind allow them to be, and so they pattern their destiny not after the divine Logos, the Deity established in you, but they pattern their destiny after mankind's credo, which exalts man instead of God.

And thus the manifestation of man, imperfect as it is, is taken on and borne as a weight. Some of these little gnomes walk as hunchbacks in the rocks and mountains and caves of the world, waiting for the coming of the Son of God,

waiting for the touch of resurrection's fires through which one day they shall be free to ascend into eternity.

So the elementals, one and all, await the fires of the resurrection. And these fires will come to them in that day when mankind purify their relationship to the animal kingdom, to the elemental kingdom, and when these elementals shall be free of those forms and mortal cursings that have been imposed upon them. For do you see, precious hearts, that if the LORD God Almighty were to endow elemental life with immortality at this time, he would also endow with immortality those imperfect patterns created by the sorcerers and the sorcerers' apprentices?

This, then, is the calling of the hour: As you are purified by elemental life, so purify elemental life. So as you have freely received, freely give in the name of the Christ.

When you reach a crescendo of the fires of the resurrection within your consciousness, you will become the focal point for the igniting of the elemental kingdom with the fires of the resurrection. And as a conflagration that sweeps across the face of the earth, the fire of the resurrection will sweep across the four kingdoms of the elements, and these shall know and have the right to be free in immortality.

And now, the four beings of the elements who have tarried with you, bringing your bodies into a beautiful alignment of the perfect cube, retire and withdraw, ascending from your midst. They return to the heart of freedom—the violet flame which they ensoul.

May I say that the totally free elemental is rare upon earth, for they all suffer the burden of mankind's consciousness—that is, for the most part. Thus for this ritual and this service this day, we appeal to another system of worlds where elementals are God-free and sealed in light. Therefore you have been touched in a very intimate way this day by the

Cosmic Virgin through her helpers from these kingdoms.

Now I see the peace that is upon you from this communion with nature. And in this peace that exudes from your very souls, you have an increased awareness of that which you have been deprived of for many centuries.

You sense that by nefarious means or by neglect, one way or the other, your ties to nature have been weakened or severed altogether. Now you see how the four lower bodies regain their balance in the threefold flame when there is that daily ritual of communion and the entering in of being, the entering in of the elementals, the merging of the spirit of man with the spirits of nature.

I take my leave of you in the fond prayer that you will remain and retain the memory of this communion with the Holy Spirit in nature.
