## **The Opening of the Door to the Octaves of Light Part 2**

My beloved, it is a privilege and an honor to be called to serve in the teaching centers, and the Darjeeling Council depends on chelas of the will of God to extend all of the teachings, principles, activities, life, and love of Camelot to those centers.

Beloved ones, those who are the manipulators of World Communism, those who aid and abet it through world capitalism, they have determined to destroy the cities of the free nations.

They have set about that destruction by many avenues to corrupt the youth, to demoralize the people, to break up the families and the homes, to introduce new laws of materialism and greed, to corrupt the governments of the cities and to make of them a mass mechanization. They have sought to tear down the flame of life within the cities...

## The Opening of the Door to the Octaves of Light

### Part 2

Therefore, Camelot is come again and again wherever there is that teaching center and that study group. And these nuclei of light are for the setting of the matrix for communities of the Holy Spirit to light up the planet for the beginning of the golden age. There must be many communities, but they must be under our hierarchy. For unless a person of the Holy Spirit anointed by the chohans be in the position of leadership, there is but an amalgam of human consciousness and a degeneration of the inner purpose.

There must be the sacred-heart chalice within each center. Therefore, we seek shepherds. For with those leaders able to carry that flame, we can begin again. And Morya and Saint Germain have their eye on other nations where the light must go forth. For the rising of the astral plane through human creation does definitely threaten nations that are destined to hold the light of freedom in this decade and for the fulfillment of this century.

I speak of India and of Chananda's call long ago for a teaching center there.<sup>1</sup> Well, it is not in the distant future. But I say that those of you who would carry the light there must

become strong and true. You must become Excalibur,<sup>2</sup> sharpened and ready to do battle with the Indian false hierarchy and the false teachings and to bear a light unto a people who know the Mother intimately.

India is the home of the Mother and the home of the great adepts, and therefore the light comes out of the West and goes unto the East for the completion of the squaring of the circle. There are souls here who will not ascend until they see their day fulfilled on that land of India, for you have a mission and you have a work to complete. And if you sense this in your heart, come to our retreat, come to Camelot and to the Ashram of the World Mother. For we will not send you forth without proper preparation, for we know what goes before you. Legions of angels lead the way and answer your call, but you must face untold darkness as well as light, all telling.

### Serapis Bey Places His Electronic Presence in the Teaching Centers

Therefore, we would dot the earth swiftly with centers of light. And therefore we bring you the message of joy, of holding the flame, of ascension temples around the world. For in this retreat Serapis Bey announces to you, by my Word and by my flame, that he will now join El Morya and Saint Germain and set his forcefield of ascension light in every teaching center. And therefore he will place his Electronic Presence wherever there is a teaching center, wherever there are those who are willing to dedicate their life to the opening of the door to the octaves of light in the name of Sanat Kumara.

My beloved, it is a privilege and an honor to be called to serve in the teaching centers, and the Darjeeling Council depends on chelas of the will of God to extend all of the teachings, principles, activities, life, and love of Camelot to those centers.

Beloved ones, those who are the manipulators of World Communism, those who aid and abet it through world capitalism, they have determined to destroy the cities of the free nations. They have set about that destruction by many avenues to corrupt the youth, to demoralize the people, to break up the families and the homes, to introduce new lows of materialism and greed, to corrupt the governments of the cities and to make of them a mass mechanization. They have sought to tear down the flame of life within the cities, and we have sent our chelas to build up that flame of life.

I will tell you that without this teaching center in San Francisco, the Goddess of Purity could not have diverted the center of the recent earthquake apart from this city<sup>3</sup> and there would have been much greater destruction in San Francisco, as has been predicted by the fallen ones and the psychics and as is due this city for the wanton misuse of the sacred fire and the banding together and the boasting of these homosexuals, who have defiled the light of the Virgin. That karma that was on Sodom and Gomorrah could well have fallen upon San Francisco in this very year but for the chelas of the flame who determined to keep that flame, but for the service of the light and the messengers coming here.

Beloved ones, I open your eyes that you may see that the value of life of the individual is tremendous to the cosmos. And therefore we look for quality and not quantity. The single heart that beats with the heart of Serapis twenty-four hours a day is the heart that is the Keeper of the Flame of Life for millions within a city. And that heart does counteract such infamy and degradations that I dare not even speak of them—those practices of Satanism and of blood ritual and murder that continue to the present hour.

Beloved ones, this abomination indeed upsets elemental life, and expiation is required by the Holy Spirit. Therefore

the people know not the danger that is upon them as a Damocles sword, nor do they know the danger that is spared them by the humble chela unnoticed by the world and sometimes scarcely noticed by his peers—that chela who has the constancy to know that the power of Astrea and of the violet flame makes all the difference in the preservation of worlds.

### **Receive the Charge of Life That I Give to You**

You who can see and hear and listen, you who with Hercules are accustomed to the saving of worlds, you then will know whereof I speak and receive the charge of life that I give to you.

Have not all the scientists and psychics predicted their earthquakes? Beloved ones, cataclysm comes only by edict of the Karmic Board as it transfers through elemental life the necessary adjustments in the earth.

Do you think that the LORD God withdraws his hand and allows accidents to happen in the earth? There is not a rain, not a hailstorm, not a tornado that does not come because of the necessity to expiate human karma and the misuse of the sacred fire.

Therefore the Law itself does act. And often when the great mercy of heaven would intercede on behalf of human life, we are not allowed. Therefore we stand back and our angels move in to bind up those who are burdened, who may lose their homes or even the life of family members. For we come, we minister, we love, we soothe, and we pray. But we cannot stay the hand of karma when that karma descends by the Law itself.

Therefore understand that there are forces abroad in the earth and in the astral plane who manipulate mankind's karma and attempt to use that energy to exaggerate the returning karma. And therefore the practice of voodoo is

rampant against these United States, against the lightbearers, against the Mother herself.

Voodoo and witchcraft out of the Caribbean, out of certain forcefields in this nation, even in Central and South America and out of Africa, that voodoo that is practiced against the light would long ago have caused serious problems to your activity and yourselves. But the light of God that never fails in your dynamic decrees is the light of Elijah. And all of the altars of Baal torn down by the mighty Gideon of old<sup>4</sup> cannot equal the altar of the heart where the threefold flame burns, where the chela does worship fearlessly in fearlessness flame!

Therefore there is consternation among the fallen ones, for they have not been able to hurt or defile in all my holy mountain, saith the LORD God of hosts!<sup>5</sup> For he is in the midst of Israel!<sup>6</sup>

Therefore, *charge* in the name of Archangel Michael! *Charge*, and see how the rolling of the violet flame and the thunderous calls to Astrea send legions of demons into the very forcefield of Astrea to be bound and removed from the planetary body!

We clear from the within to the without, and therefore the signs and wonders that some seek as proof of our witness are not forthcoming. For the calls of our chelas touch to the very depths of the astral plane, and the work of the messenger is unto the clearing of the pit itself.

Therefore that which is removed by these invocations are the unseen forces of the entire subconscious, electronic belt of the planetary body. And therefore does life continue. For these are the very forces projected upon the screen of life, even by prophecy itself, and prophecy is the warning of Almighty God. And that prophecy that is the result of the projection on the screen of life of coming events, of coming karma, has often been set aside by the Word of the devotees.

**“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.”** This previously unpublished dictation by **Archangel Gabriel** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, August 12, 1979**, during the seminar *A Retreat on the Ascension*, held in San Francisco, California. Parts 1 and 3 of this *Pearl of Wisdom* are published in this volume, nos. 10 and 12. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. These books are available at <https://Store.SummitLighthouse.org>; audio products are available at [www.Ascend.edMasterLibrary.org](http://www.Ascend.edMasterLibrary.org). (1) **Chananda’s call long ago**. In a dictation given through the messenger Elizabeth Clare Prophet on December 28, 1975, Chananda stated that “the Indian Council of the Great White Brotherhood summons the messenger...to project the blueprint for the teaching center in India. So let it come to pass, for there must be the restoration of the original teaching of the Mother brought forth upon that continent.” (2016 *Pearls of Wisdom*, vol. 59, no. 23, part 1) For information on the teaching center in New Delhi, India, see <https://chananda.org>. (2) **Excalibur**. According to the legends and histories of King Arthur of Britain, Excalibur was the name of the sword given to Arthur by the Lady of the Lake. The ascended master Lanello, in a dictation entitled “The Sign of Excalibur,” explains that “the gleaming, silver-white sword Excalibur, blinding in its presence, signifies the fire of the Mother complete and raised. Thus, it is in truth the appearance of the ascension flame.” (1985 *Pearls of Wisdom*, vol. 28, no. 4) (3) **The recent earthquake**. On August 6, 1979, a 5.7 earthquake occurred on the Calaveras Fault near Coyote Lake, in Santa Clara County, California. Although the shock was felt in the San Francisco Bay area, the damage was limited to the nearby towns of Gilroy and Hollister, and no deaths were reported. (4) See Judg. 6:25–32. (5) Isa. 11:9.
