**The Opening of the Door to the
Octaves of Light
Part 3**

The mysteries that are told are not the mysteries that I tell. The mysteries that are told are the keys, and only those who are of the light can take those keys and turn the lock to the inner retreat.

The mysteries spoken in the parables of Christ, the teachings of the ascended masters, they are keys only to devotees. Did you ever stop to consider that fact? It is a living truth. To speak the mystery to one not quickened in the light, to one who is of the seed of the wicked, it makes no difference. He has not the vibration or the inner light to take the mystery and thereby open the door to the secret chamber of the heart.

The mysteries are always sealed except to the Lamb and the initiates of the Lamb. We fear not the publishing abroad of our Word, for only the souls of light can...

The Opening of the Door to the Octaves of Light

Part 3

You who have come newly into our aura, welcome. You have had a strong cup to drink in this retreat. You have heard many teachings. You have seen how the real chelas of life are tutored for the real calling of defending the innocent. You have seen the demands of the real Gurus.

I ask you, do they compare in any way to the false paths that have led you astray? I see and I know that there is no comparison! There is none who can equal the light of a Serapis Bey, of El Morya, of Saint Germain, nor deliver the ultimate freedom of the path of the ascension!

Did you think that we would present to you a single formula and that you could write it down and keep that piece of paper and read it once a day and thereby know that you would ascend?

The ascension path, the path of the golden ratio, golden spiral, is an enigma until you grasp the flame of love and understand the person of the Lamb and the Presence of God—seen yet unseen, known yet unknown.

He humbled himself, fashioned himself as a man like other men, walked among them, was so like his disciples as to be

scarcely recognizable. Therefore the Lamb cometh, the Lamb goeth forth, and often disappears from the midst of his adversaries. For they do not see him as he is. They do not know him as he is. They see by their corrupt consciousness. They see only the corruptible one. They have no vision of the Incorruptible One! But the sheep of the Good Shepherd, they see and know the Incorruptible One. They understand the mysteries.

The mysteries that are told are not the mysteries that I tell. The mysteries that are told are the keys, and only those who are of the light can take those keys and turn the lock to the inner retreat.

The mysteries spoken in the parables of Christ, the teachings of the ascended masters, they are keys only to devotees. Did you ever stop to consider that fact? It is a living truth. To speak the mystery to one not quickened in the light, to one who is of the seed of the wicked, it makes no difference. He has not the vibration or the inner light to take the mystery and thereby open the door to the secret chamber of the heart.

The mysteries are always sealed except to the Lamb and the initiates of the Lamb. We fear not the publishing abroad of our Word, for only the souls of light can take that Word and live forever.

The Meaning of Divine Friendship

I AM Gabriel. I AM the friend of the Mother. I AM the friend of the Mother's friends. I AM the friend of all who befriend the ascended masters and their chelas. My legions bear the banner of friendship, for we desire that you should know the meaning of divine friendship.

Some of you have longed for a true friend, one to whom you could speak, pour out your heart, share every part of your soul. Some of you have been disappointed again and again. You have sought a friend in father and mother and

brother and sister and associates through all of your life, but the friend whom you have sought you have not found.

Have you been betrayed? It is the story of every light-bearer. Have you been persecuted? Thereby you know you are of the light.

I come to communicate divine friendship. It is a cup for which you must reach. For when you seek limited friendship, in limitation, beloved ones, you receive what you seek. If you desire human comfort, now it will come; now it will be withheld. But if you reach up for divine friendship and divine comfort, the cup is given. But you must return the cup.

The ascended masters and angels are loyal friends to the uttermost. We are loyal. We share a trust. As we give our friendship, committing ourselves in loyalty undying, we expect the same. We expect our friends upon earth to shun evil and the ways of evil. We expect friends on earth to set their house in order and to seek companions of light and to not share our cup with our betrayers. When we give our cup, it is for our friend. It is not for the friend to give away to those who cannot be our friends, for they have not tarried with the Lamb or the Lamb's wife.

We do not give our light for it to be squandered upon those who will not get their own light on the path of initiation. It is not your privilege to give the ascended masters' light to those who turn and use it for their lusts, for their material gain, for their success, or even for their physical health, when they have not paid the price of devotion to Almighty God.

The Cosmic Honor Flame Is the Flame of the Ascension

I AM Gabriel. I AM the friend of God. I do not compromise my friendship with him for friendship with those who have betrayed him.

There is a cosmic honor flame! Live by it! Serve it!

And know what it means to have access to the courts of heaven! Know what it means to speak the name of Gabriel and to have Gabriel at your side. Consider the price. The cosmic honor flame is the flame of the Holy Spirit! It is the flame of the ascension!

All who have not the flame, I say of them, they shall not pass into the circle of our oneness, into the guru-chela relationship! They shall not cross over the line of the circle of our wholeness!

Therefore, search the soul. For I have one thing yet to say, and it is this: Examine your consciousness, confess your sins, wash your robes, and do not withhold from God or from the messenger any compromise of the Law or of the Path.

For when you entertain an untruth, a falsehood, when you withhold the knowledge that should be given, in that moment you have severed your tie to the messenger and to our Brotherhood.

It is the Law that is operable, and therefore the early Church set the practice of the confession of sins. You cannot compensate for falsehood, for deception, by violet-flame decrees or calls to Astrea. Let your house be aligned!

The Speck of Dust upon the Pane of Glass

There is a certain individual who passed from the screen of life out of this activity who had withheld from the messenger information concerning a serious breach of the code of conduct.¹ Yet that individual appeared to be a sincere devotee and attended many conferences. That withholding and that compromise of the Law was not balanced by any other sacrifice made, for it became that that sacrifice was a substitute for obedience.

Do not think that you can draw down a curtain of light

and cover over those rationalizations of the mind. There is a flame! It is the cosmic honor flame! You must be at peace with your God, with your Christ Self.

I do not say that you should become the victim of the accuser of the brethren or the condemnation of the hordes of darkness. I do not say that you should somehow have a psychological complex. I do not threaten you. I speak the Law! I speak the law of purity!

If you would ascend, you must confess your sin, repent of your sin, then cease sinning and not go back and take the forbidden fruit and think that heaven will wink. It may very well be that heaven will wink, but don't count on it.

Heaven sees virtue. Virtue may very well swallow up vice, but don't count on it. For the Law is written that every jot and tittle must be balanced and settled.²

Some have addressed letters to the Karmic Board, thinking that all could be repaired. But all cannot be repaired when lifestreams suffer and the community circle is violated.* The messenger is the representative of the Karmic Board and therefore should be apprised. Do not bypass the messenger, then, and fancy that by writing letters to the ascended masters and burning them, you can live by the cosmic honor flame.

When there are souls in the community who withhold the truth, they weaken the forcefield of the community and therefore carry that additional karma of sin against the community as well as against the direct relationship to the messenger.

John the Baptist did not come preaching repentance without a cause. And Jesus Christ, after he (John) was thrown in prison, took up the very same cause, saying, "Repent ye: for the kingdom of heaven is at hand."³ They spoke of the consciousness of God at hand, at the very door. But it cannot be assimilated until you set your house in order.

*Archangel Gabriel may be referring to the community of the Holy Spirit at the Church's headquarters or teaching centers.

This, therefore, is my message. Do not overlook and swallow, then, the whole whale while straining out the little fishes. Whether the great whale, whether the little fishes, whether a camel or a gnat, beloved ones, you never know what is the speck of dust upon the pane of glass that makes your soul no longer transparent.

Serve the Light, and the Light Will Serve You

I AM Gabriel. I was the friend of Abraham, who was the friend of God.⁴ I AM the friend of prophets. I AM the friend of all who enter the path of the ascension.

I have spoken forthrightly! Would you not? Would you not seek to avert in souls on the Path the same fate suffered by the one I have described?

How will that karma be balanced? Will another embodiment be required? Perhaps. But the same individual in the same period of time could have made his ascension, as you would say, "hands down," but for the deception and the misuse of the light of God.

Let the heart's motive be opened, as the Book of Life is opened and the secrets of men's hearts are known. Let the desire body be purified.

If you desire to ascend, then I say, desire it with your whole being, your whole mind, your whole consciousness. Do not trifle with the Law, and the Law will not trifle with you.

Become the friend of the Law, and the Law will *work* for you! And the sails of your soul shall billow full with the Holy Spirit, and the earth itself shall rise up to propel you on your mission, and elemental life will serve you. Serve the light, and the light will serve you.

Now I command in the name of the living Word, let the foul and unclean spirits come out of the subconscious of these souls who would be free! *Bind* them, O living Word!

Bind them, Almighty God! Bind them, Alpha! Burn through!
You have *no power* to imprison these souls any longer!

I AM Gabriel. *Come out!* For I have lit a fire. Be *burned* in that fire! Be *burned* in that fire! Be *burned*, I say!

For I stand, and in the name of the LORD I bind you, and my legions bind you, and these souls of the light shall walk henceforth in the light and be free *if they will it so!*

Do you will it so, my souls? [Audience replies, "Yes!"]

I Love You unto the Finish!

I say, I love you unto the finish! Let us now fight the good fight and run in the race. For the race is unto the victors of the flame!

I AM Gabriel. I stand. I still stand. And I will be at your side until you no longer desire my friendship or until you compromise it so that the Great Law requires that I depart. So be it. I have offered you my heart. I will not take it back except by the command of Almighty God.

I choose to kneel before the light within your heart.

[22-second pause]

I AM Gabriel, which standeth in the Presence of God!⁵
I kneel before Alpha and Omega, and I kneel before the company of saints.

LORD God Almighty, bless them that they might go forth in thy name. I worship the light! I worship God! And I succor the soul becoming the light!

I implore the Godhead: Send thy legions for the guarding of these souls unto the Victory. And give them, O God, the courage to come clean before thy altar and to confess the truth and the error of life, and therefore to be free.

*Behold, ye shall know the truth, and the truth shall make you free!*⁶

Word of the living Christ, go forth as the two-edged sword and set my captives free.

O my beloved, I AM always and always your friend,
Gabriel of the light!
