### **Guarding the Souls of Christed Ones Part 1**

Today the Lord of the World has summoned me into his chambers, his “office,” you might say, and he has... reminded me of the calling of the Lords of Karma to the Mother of the Flame to write the *Mother's Manifesto*.

The Mother has written her manifesto over and over again in lectures, in teachings, and in dictations. It remains, then, for the staff once again to put together, step-by-step, the point and counterpoint of the ascended masters' teachings, side by side with the indoctrinations of the fallen ones. It is this exposé that is the *Mother's Manifesto*, and indeed it is the work in this age of the Woman and her seed.

I bowed before the Lord of the World, my assignment within my heart. And so I come to you now to impart once again the great concern of Gautama as he is in daily consultation with Lord Maitreya, and as we, the World Teachers, are called upon to translate the cosmic...

## Guarding the Souls of Christed Ones

### *The Dharma of Illumination*

#### Part 1

Seated now in the seat of the World Teachers, I AM come to deliver my message to those who would receive the mantle of the World Teachers and who are willing to take the responsibility, as our messengers have assumed that mantle over the years and over the centuries of service.

I recall now when we summoned our band of devotees together in the Order of Saint Francis, and the Poor Clares gathered to embrace Mother Poverty.<sup>1</sup> Our role in the service of the Christ was in many ways like that of today—the challenge of the calcification in society, of callousness toward Christ, toward the child, toward the spiritual man and woman whose life, whose very soul was neglected.

I come, then, to summon once again the band of devotees who formed a part of that mission. For in each age we together, Keepers of the Flame, have served in another plane and consciousness of God's mind, fulfilling, then, our dharma in another of the chakras.

### A Message from the Lord of the World

Today the Lord of the World\* has summoned me into his chambers, his “office,” you might say, and he has addressed me thus. He has said to me:

Kuthumi, when you speak to the Keepers of the Flame concerning the preservation of souls, of light-bearers for that Mission 2001,<sup>†</sup> tell them that I have called you, and tell them that I have said that all dharmas must be submitted to the one dharma of illumination. It is illumined action that must be taken, first by the sons and daughters of God, and then by the torch of that wisdom passed.

And therefore he has called the members of the temple, from every level of the temple to the highest level, the level of the crown chakra, and he has said:

No matter what the calling, let the son, the daughter of God today merge the great light of talent and of mission with the great sphere of the Great Divine Director and the God consciousness of the crown chakra. And let us lead, in this year of the ten-year plan,<sup>2</sup> with the flame of Cosmic Christ illumination.

Let us lead, then, with the teaching, and let able sons and daughters take the pen in hand and organize and set forth the wisdom teachings that we release hour by hour by hour to our messenger. Let that which comes forth from fiery worlds, from the etheric level, be received by those who function at the mental level. Let the messenger, then, be released to receive the teaching as a great flowing stream of God's consciousness, and let those who are the true shepherds serving under the messengers realize that

\*Gautama Buddha

<sup>†</sup>See p. 6 for a description of Mission 2001.

it is their duty and responsibility, before every other dharma, to organize this teaching in book form.

And then he said to me:

Kuthumi, there are thousands upon thousands of souls who could in this moment and this hour understand the very teaching that the Mother of the Flame will present at *Soul Liberation*. And yet they are so beset by their programming, by darkness, by ignorance, that there is no way that we can open the path for them to attend.

Therefore, let the teaching be in books. Let our angels be runners to bring these books to souls of light everywhere. And let the sons and daughters of God realize that the staff serving our messenger today is already serving, with little or no sleep at all, to produce the work that they produce, and that the books are not forthcoming—not because of the absence of their sacred labor but because of the absence of others who must come now and fill the ranks of those who are determined to organize and set forth this teaching.

The Lord of the World then reminded me of the calling of the Lords of Karma to the Mother of the Flame to write the *Mother's Manifesto*.<sup>3</sup> The Mother has written her manifesto over and over again in lectures, in teachings, and in dictations. It remains, then, for the staff once again to put together, step-by-step, the point and counterpoint of the ascended masters' teachings, side by side with the indoctrinations of the fallen ones. It is this exposé that is the *Mother's Manifesto*, and indeed it is the work in this age of the Woman and her seed.

I bowed before the Lord of the World, my assignment within my heart.

And so I come to you now to impart once again the great concern of Gautama Buddha as he is in daily consultation with Lord Maitreya, and as we, the World Teachers, are called upon to translate the cosmic consciousness of the Buddha and the Christ—first to sons and daughters of God, then to children of God, and then, of course, to all mankind and the evolutions of this earth in some form, in some way.

### The Exactness of the Planning of God

Beloved ones, we must begin at the top. We must begin with the top teaching, and therefore I call to you in this day of wisdom and of learning. You must realize that the messenger is a literal fount of illumination from our octave, that that which we give to the messenger is often (in fact, in the vast majority of cases) unknown to her, even the moment before the words are spoken. It is the simplicity and the openness and the freedom of her soul that enables us, through this transparency, to bring to you a multitude of details and facts and teachings that are directly from the archives of the Royal Teton Retreat.

These archives have been preserved for this nation America and for all nations. They have been preserved directly for you, and it is even written in these archives for whom among you the particular teaching is given.

Even the names that you bear today, given to you, so to speak, “by accident” by your parents, were already written in these records a century or more before your birth, and with your name is the assignment and the particular teaching that the messenger would bring forth that would fall upon your ears and would give to you the key to your mission.

If you could but realize the immensity of the cosmic computer and the exactness of the planning of God that he releases through the Great Divine Director, you would run to

surrender to the vast cosmic mandala of the Cosmic Virgin that is reflected in this movement of the Coming Revolution of the Mother and her children.<sup>4</sup> You would realize that you have a very special and personal place in the unfoldment of this teaching.

But first things must come first, and first is the discipline of souls through the process of souls serving to set forth material that is foundational and that is needed. This is intended to bring about your initiation as well as your preparation for individual work under the ascended masters.

### **We Must Have the Body of Information That Is Needed**

Over the years the messengers have set forth a vast body of teaching, 95 percent of which remains unpublished.<sup>5</sup> It is not only the publishing of this material but it is the organization and the extracting of those facts and teachings that are pertinent when viewed together, side by side with each other and then on the parallel line of the very needs of this decade and the coming decades.

Thus, you see, there is vast opportunity for creative input for those who would be a part of our Order of the Brothers and Sisters of the Golden Robe,<sup>6</sup> those who are content to draw their bliss from communion with the mind of God and the sorting and the codifying of the Law and the teaching.

There is room, then, for you in our libraries, which are in the East as well as the West in our retreats. I ask, then, those of you who have not seen yourselves as librarians or editors of the masters' teachings, to consider and reconsider again. For you see, our band of devotees serving even now did not have a particular training for that calling but were trained by us because they were willing to secure basic and necessary skills. And so you do not need to be accomplished

as a professional in the field, but you must be willing to expand the heart flame and to be God's instrument.

Let us reconsider, then, that for the ten-year plan for the Coming Revolution, we must have the body of information that is needed for the leaping of the spark of illumination heart to heart.

Many of our books are already creating this spark, and the spark is leaping around the world. But there are gaps in communication. And the great problem, as we see it in our councils at the Royal Teton Retreat, is that the up-to-the-minute releases of both the ascended masters and the messengers are not the releases that are being received by the students, and the time lag in this release is just enough to cause a certain delay in a glowing acceleration of energy that is intended to keep on circling the earth, as you might visualize a satellite whirling in motion.

This delay and this lag will prove ever more costly as the revolution accelerates and yet does not have the pins of light necessary to undergird the foundation of the Great Pyramid of Life that will be built.

Mission 2001 is the completion of a certain structure of a pyramid of lives assembled—assembled for the victory of Camelot, of education. And it will represent the first quarter-century of the dispensation of the passing of the torch of the Lord of the World to the Mother and to those who will be able to receive that portion of the torch that is theirs to keep.

**“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.”** This previously unpublished dictation by **Kuthumi** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Friday, October 7, 1977**, during the *Soul Liberation* conference, held in Pasadena, California. Part 2 of this *Pearl of Wisdom* is published in this volume, no. 15. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. These books are available at <https://Store.SummitLighthouse.org>; audio and video products are available at [www.AscendedMasterLibrary.org](http://www.AscendedMasterLibrary.org). **(1) Mother Poverty.** The messenger Elizabeth Clare Prophet has taught that “when the Mother personifies herself as poverty, as Mother Poverty, it is to teach us not to be possessive. We must be neither possessive of poverty nor of wealth.” (April 19, 1974) It is the teaching that “we must be empty in order to be filled.” (May 6, 1976) “By espousing Mother Poverty, [Saint Francis] made the impoverished self the backdrop for the appearance of the Christ in an age fattened by self-satisfactions and indulgence in carnal pleasures.” (June 5, 1978) **(2) The ten-year plan.** In a dictation given on May 3, 1977, Gautama Buddha announced that “the Lord Buddha has extended to you as people of God one decade for the turning of the tide—one decade from this hour for the spreading abroad of the teachings, for the contacting of hundreds of thousands of souls who will take the teachings and the science of the spoken Word and use it for the salvation of earth. After the decade has passed from this hour, there is no guarantee forthcoming from the Lords of Karma or from the Keeper of the Scrolls that the tide can any longer be turned from the fate that has been plotted by the dark ones.” (1978 *Pearls of Wisdom*, vol. 21, no. 28, part 1) On May 4, 1977, the messenger stated that the Darjeeling Council gave the assignment to every student, staff member, and Keeper of the Flame to devise a ten-year plan, which is “the development of the strategy beginning with you, right where you are. . . . It’s a ten-year plan for action. Now we accept wholeheartedly the challenge. We also accept absolutely our God-victory and that it is going to happen because it all depends on us.” On May 13, 1987, at the conclusion of the ten-year period, Gautama Buddha gave a dictation during which he read a proclamation from Alpha, stating: “Blessed hearts, we have said that with the passing of the decade, the opportunity for the saving of the earth could be denied. I, Alpha, write to you this day that this opportunity has been lost to the fallen ones—that no new dispensation is forthcoming on this Wesak 1987 for the planet as a whole, but the dispensation [that is forthcoming] is a mathematical formula to each individual according to his own inner attainment.” (1987 *Pearls of Wisdom*, vol. 30, no. 24) **(3) Mother’s Manifesto** refers to a series of lectures delivered by Elizabeth Clare Prophet: “The Manipulators of Capitalism and Communism,” “Psychotronics: The Only Way to Go is Up,” “The Religious Philosophy of Karl Marx and the Economic

Philosophy of Jesus Christ,” and “Marijuana: The Death Drug.” “The Manipulators of Capitalism and Communism” is available on two DVDs; the lecture on the philosophies of Marx and Jesus is available under the title, “The Seduction of Socialism and the Responsibility of Freedom,” including additional lectures on socialism. This lecture is also available in book form entitled, *The Economic Philosophy of Jesus Christ vs. The Religious Philosophy of Karl Marx*. See websites noted above. **(4) The Coming Revolution of the Mother and her Children.** On October 6, 1977, Elizabeth Clare Prophet stated: “This is a movement of the Coming Revolution. It is the Coming Revolution of the Mother and her children. We will be hearing this as the theme of our soul liberation. Our souls cannot be free while our temples are the victims of the fallen ones. . . . The fallen ones cannot destroy the flame, and therefore they attempt to destroy the temple that houses the flame.” The messenger then delivered lectures on the attack on youth through drugs and rock music. On October 7, Mrs. Prophet stated that “the revolution of the fallen ones takes place just minutes before the Coming Revolution of the Mother and her children, which is a revolution in higher consciousness.” **(5) Teaching that remains unpublished.** Since 1977, a great amount of material has been published in audio, print, and video formats, although varying amounts of dictations and lectures remain to be published in each format in the coming years. **(6) The Order of the Brothers and Sisters of the Golden Robe** is a fraternity/sorority of ascended masters and their embodied students dedicated to the enlightenment of all people of God through the flame of wisdom and illumination. The ascended master Kuthumi is the sponsor of this order. For further information and instructions on joining this order, see [HolyOrders.org](http://HolyOrders.org).
