

*Beloved Archangel Jophiel*

### Wisdom Shall Have Her Perfect Work

Beloved ones, the seven archangels require spokesmen! They require time in the media! We need to tell our story as we have told it in part in the *Vials of the Seven Last Plagues*.

We need to be known as real and living beings. As Jesus required John the Baptist, the forerunner of his coming, so the hosts of the LORD require their evangelists who will go before the angels as messengers of the Word.

You, then, are chosen even before you yourselves have chosen. And yet in reality, by free will, your commitment was sealed in the Beginning. From the Beginning, then, you represent the ark of the covenant, arcing the light of the sun into the forcefield of the Matter plane.

Let the Word go forth because you speak it! Hear, then, in my fiat this day the formula for your own fiat, for all that I say must become your own. And when you make it your own...

Vol. 65 No. 25

*Beloved Archangel Jophiel*

July 1, 2022

## Wisdom Shall Have Her Perfect Work

From out the white-fire core of being I release the light of wisdom to challenge darkness, to reverse the tide of darkness, to bind the fallen ones of darkness, and to restore the children of God to the great light of the eternal Presence.

I AM Jophiel. I stand with the Cosmic Mother and her children throughout the universes, and I sponsor life! I sponsor Wisdom as the handmaid of the LORD, and I release the teachings of the New Jerusalem to the messenger and to souls of light.

Let the alchemy be drawn forth and let the cycles go forth. For with the alchemy of the Holy Spirit as a grid of light that shall be placed over the Matter sphere, there shall come to pass the saying that wisdom shall have her perfect work.<sup>1</sup>

Let us see how wisdom, as the understanding of flow, opens the floodgates of love here in the children below, raising them to the heights of the Source whence is come, then, the great geometry of being.

Yes, you are poised midst the valley of despair and the summit of glory. It is, then, through the law of cosmic interchange, as you are poised in consciousness in the center, that the entire manifestation of the polarity of Spirit-Matter must reverse as a giant turning, 180 degrees, as it were—the reversing

*Wisdom Shall Have Her Perfect Work*

210

of the poles of Spirit and Matter so that the entire Matter hemisphere may be filled with light and that which was Matter may be transmuted in the hemisphere of Spirit.

So it must come to pass as the alchemy of the cosmic interchange, as hierarchies of light offer themselves as the living sacrifice to live in and through embodied mankind. So mankind must reach up and know that this truly is the formula for the washing of the water by the Word.<sup>2</sup>

Let the fire of God descend into the depths of the seas! Let the seas be exalted! Let fire, air, water, and earth come under the dominion of the Elohim, the archangels, and the lords of the rays! And let he who is Christ the Lord, let him reign in you because you have chosen to exalt the Christ light from the spheres of the chakra, sphere upon sphere, until the Lord who reigneth is upon the crown of life, wearing the crown and receiving the many crowns of those who offer their material attainment in exchange for the spiritual crown of the Son of God.

Let it be that the rejoicing of him who comes to reign forever is by your freewill choice to allow this Christ Presence in you, to allow Jesus the Lord, Saint Germain, Mary the Mother, and all the saints of heaven to be a part of your very own citadel of consciousness.

### **We Come to Give You the Cup of Cold Water in Christ's Name**

I AM Jophiel of the light! I AM of the light of the stars, and I bring these stars into your grasp.

The archangels have assembled for this conference. The archangels bring the teachings of the Holy Grail. We suspend the Grail within your midst. Our cup runneth over and you receive the drops of golden oil, the holy oil of gladness that now comes forth from the heart of the Almighty One.

Let the energies of the seven archangels be for your soul liberation. Let the crown of Jophiel and a mighty sphere of light (that I place as a magnet upon your crown) be for the magnet of Mother flame, of the white-fire core of being and the raising of these energies.

Each of the archangels has come in order to pass to you a dispensation such as that given by Archangel Chamuel.<sup>3</sup> You have this day, then, received a magnet of love in your heart that is for your attraction, now, of wisdom and of power and of the purity of your own God-control.

See, then, that the seven archangels are the leaders in battle of the twelve tribes. And we come to give you the cup of cold water in Christ's name, filled not only with the teaching but with the impetus of that teaching that *is* the Holy Spirit.

Children of the One, be not dismayed, for we are not! We know that the extreme of darkness precedes the coming dawn. We know the vigil, and we know the discipline of love required. We also know that those who work and wait on the LORD are always and evermore the instruments of his handiwork.

### **Let the Children of the Light Go Free!**

Let your temple be, then, the habitation of the Most High God, as I give to you the vision of the golden city of the sun, temple of Helios and Vesta,<sup>4</sup> where some of you have journeyed in your finer bodies. This golden temple and the golden city are the archetype for the filling in of your pyramid of life in this solar system.

As you meditate upon the sun, creating the arc of light with your devotion, know that on the return current is given to you not merely the substance of great love but within that love the wisdom—the wisdom of an outline etched in crystal of that which you will be. And do you know that one day scientists of Spirit-Matter will find these formulae written,

inscribed by God in the very cells of life?

The exploration of universes within by scientists who can perceive simultaneously the Spirit-Matter sphere will be presented to the world as that science, a portion of which was known on Lemuria and which is given in the etheric retreats of the Brotherhood. The preservation of earth as a platform for evolution is God's desire. When you confirm that desire by will, by invocation, by word, by love, you have pouring through your centers the balancing light of the fountain of eternal youth.

Let the children of the light go free! Let souls be liberated in the Aquarian cycle of the violet-flame action of the Holy Spirit! Let the nations of the tribes of light come together, and let the Word be made known. Let the messenger go forth! Let the teachings go forth! Let contact be established by the forerunners of the Mother, with a nucleus of lightbearers who live today in every nation. They can be found! They can be contacted! They can hold the cylinder of light for the transfer of the cosmic interchange. They can decree the Word.

Let the network go forth! Let those who understand the necessary preparations in the printed word, in the media, even in the use of the science of public relations and in the action of presenting that which is given as it is intended to be for the exaltation of the individual—let them come forth now and recognize that your mission is at hand, that all that you have done up to this moment for the world in terms of the selling of products or the sponsoring of individuals has been your preparation for the sponsoring of the coming of the hosts of the LORD.

### **Become the Living Witness of the I AM THAT I AM**

Beloved ones, the seven archangels require spokesmen! They require time in the media! We need to tell our story as

we have told it in part in the *Vials of the Seven Last Plagues*.<sup>5</sup> We need to be known as real and living beings. As Jesus required John the Baptist, the forerunner of his coming, so the hosts of the LORD require their evangelists who will go before the angels as messengers of the Word.

You, then, are chosen even before you yourselves have chosen. And yet in reality, by free will, your commitment was sealed in the Beginning. From the Beginning, then, you represent the ark of the covenant, arcing the light of the sun into the forcefield of the Matter plane.

Let the Word go forth because you speak it! Hear, then, in my fiat this day the formula for your own fiat, for all that I say must become your own. And when you make it your own as you give your calls to Mighty Victory from his Word,<sup>6</sup> then you will prepare the way for the great possibility of the cosmic interchange taking place within you. And as it takes place within you one by one, then there will be the mounting of the great cosmic force whereby earth herself may be turned for the great conversion of the light.

Let it come, then. Let the interchange come whereby you become the living witness of the I AM THAT I AM and whereby the former self is passed away into the Greater Self, and the Greater Self descends even as the New Jerusalem.<sup>7</sup>

Create, then, the new bottle of consciousness. Form it now as the four sides of the pyramid. Let the water of Life pour freely into the bottle, and therefrom let there be poured that golden liquid, that elixir to all who would drink.

### **The Perfect Work of Mother Wisdom through All of Her Children**

Go forth then, children of the Sun, in a most practical plan of action. For the legions of light are marching forward, and our coming is imminent. When all of the children of mankind

should stand still and recognize the light in their very midst, we do not even contemplate the tragedy of tragedies—that our coming and our going should be completely unrecognized by the evolutions of earth and that by absolute ignorance, therefore, there is the loss of a golden-age opportunity.

This cannot be! We will not accept it! And we are in the conviction of our God-determination based upon your response, your love of the light, and your use of God's intelligence in the very practical matters at hand.

We commend you, then, for your resources and your resourcefulness. We commend you to further use of your intelligence and to the understanding that you *are* capable, that you *have* our backing, that you are indeed sons and daughters of light, and that this *is* a real movement of the Spirit on the move for God on earth.

So let it come to pass that the deliverers of mankind from angelic hosts and celestial realms are translated into the physical, tangible witnesses, who are then the deliverers in this octave—you yourselves, blessed ones.

Have you ever realized that when you become the instruments of God, you yourselves are acclaimed as the deliverers, when in fact you know all the while that it is because of the hosts of the LORD that you are able to do what you do?

Let mankind, then, have their understanding. We will have our understanding and you will have yours, and together we will see the perfect work of Mother Wisdom through all of her children. This is the fire of wisdom that *binds* the dragon in his lair, *binds* the Fallen One and the seed and the egg! This is the great wisdom that is the universal solvent of all night!

Let it go forth from your heart in a mighty fiat of light, in a clap of thunder, in the release of the yellow lightning of the sun, in the standing still of the great Sun of your own

I AM Presence, and in the intensification of the whirling of fiery worlds!

I AM Jophiel, electrode of light! I *stand* in your midst! I *touch* your crown! I *seal* your heart! I *surround* your soul with milk and honey and gladness, and I walk with you *all* the way!

Carry the Book! Carry the sword! Use the pen! Speak the Word I AM THAT I AM!

**“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.”** This previously unpublished dictation by **Archangel Jophiel** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, October 9, 1977**, during the *Soul Liberation* conference, held in Pasadena, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. These books are available at <https://Store.SummitLighthouse.org>; audio products are available at [www.AscendedMasterLibrary.org](http://www.AscendedMasterLibrary.org). (1) See James 1:4. (2) Eph. 5:26. (3) **A dispensation such as that given by Archangel Chamuel.** In a dictation given on October 8, 1977, Archangel Chamuel announced: “I call you to the great alchemical key of love. I call to Virgo and Pelleur in the sun of even pressure in the heart of the earth. I call to Helios and Vesta. Now the appointed hour is come! Now release the intensification of the love fires of the Great Central Sun! Now let earth receive the acceleration of the light of love, and let this love be for the Coming Revolution. I AM Chamuel, come for the release of the initiation of love within you. Do you have the courage to love and to be loved, precious hearts? O beloved ones, then let love try your love, prove your love, and bring you into the initiations of the Cosmic Christ.” (2022 *Pearls of Wisdom*, vol. 65, no. 23) (4) **The temple of Helios and Vesta.** The retreat of Helios and Vesta in the sun of our solar system is known as the Temple of the Sun. For a description of a journey to this retreat by beloved Holy Amethyst, see *The Masters and Their Retreats*, pp. 485–86. (5) **Vials of the Seven Last Plagues.** Fourteen messages from the seven archangels and their archeiai were originally dictated to the messenger Elizabeth Clare Prophet as *Pearls of Wisdom* in 1975 and then later published in 1976 as the book, *Vials of the Seven Last Plagues*. These fourteen dictations are the fulfillment of the judgments recorded in the fifteenth and sixteenth chapters of the Book of Revelation. The archangels and archeiai came to release the judgments (which began in 1975 and concluded in 2001) for mankind’s misuse of the seven rays. (6) **Calls to Mighty Victory from his Word** refers to the affirmations taken from the dictations of Mighty Victory, which are in *Prayers, Meditations and Dynamic Decrees for Personal and World Transformation*, decrees 22.02–22.08. (7) See Rev. 21:2.
