The Archangels Stand for the Deliverance of the People

Part 1

I AM Raphael, who stands in the Presence of God. I bow before the throne of Alpha and Omega, and Alpha does place within my hand the sword of flaming truth. It is the scepter of authority that I wield, descending into the planes of earth this day for the regeneration and the life of the true doctrine of the Lord Christ unto the sons and daughters of God.

The fallen ones have purveyed their false doctrine, and I come. I come leading the armies and hosts of the LORD in the defense of the Christ incarnate in every son and daughter of God.

I place before you this observation of my heart, the heart of an archangel, that although the fallen ones have denied the eternal light of the Christ with the setting forth of the denial of that Christ made by the established religions of East and West, yet I have seen that those who are of God have never forgotten that they are indeed sons and daughters of God with the full authority of that joint heirship. And therefore moving midst the various religions of the world, the sons and daughters of God have never set aside the inner light, the glory of the Word of the Ancient of Days.

Beloved ones, when I say that they have established a doctrine of the denial of the Christ, I consider the denial of that Christ within each and every child of God to be a blasphemy against beloved Mary, my own twin flame, and the incarnate Word of the Lord Christ that descended through her. And therefore, beloved ones, that holy thing born of her that should be called the Son of God¹ is the eternal Son and light before whom I bow within each and every one who is the offspring of the Most High God.

Judgment Is Delivered by the Seven Archangels through the Body of God upon Earth

Beloved ones, we come in the midst of atheism, materialism, agnosticism, and the ignorance of the Law even by the children of God. We come in the person of our messenger. We come in the person of each and every disciple of the inner Christ. We come in your person and we release the sword of truth as a power, an effulgent light, and it is the dividing of the nations to the right and to the left.

As those who have seen the great light are become that light, they cry out "Hallelujah!" and rejoice in the name of the Lord. And as the fallen ones, then, see that light, they cry out in outrage and they denounce the messenger. And their line is the line concerning the false prophet, for they have received the same lie of the fallen ones that has ever been directed against the children of God and our emissaries.

Beloved ones, this is happening today and every day. For the line of judgment is come. It is delivered by the seven archangels collectively through the body of God upon earth. And those who are of the light in every church form a composite, a mosaic of [souls of] light through whom we release the sacred fire. And that fire draws the judgment and the line, and therefore we find that even the little children

are condemned by those [fallen ones] who have the inner knowing that the light has come and therefore they will be exposed as they have misused the light emanation of the eternal Christos.

There Must Come the Dividing of the Way

I stand in the center of the platform. To my right and to my left are the archangels of the seven rays. We come in the fullness of the glory of the Lord and we come in the temple of the people, standing for the people of Almighty God.

Beloved ones, there is a turning of cycles. There is a promise fulfilled through the Immaculate Heart of Mary. There is the light extended from far-off worlds to inner worlds of consciousness. With the great turning of the wheel of the Law at the spring equinox, with the blooming of the lilies of the resurrection, so there is the resurrection of love fires. And the love fires of the chastening and the compassion of the Almighty One are once again delivered upon the lightbearers, upon all evolutions of the earth at the hand of the archangels. We stand in the flaming flame. We stand, then, to defend the light and to release that Word.

Beloved ones, there must come the dividing of the way. There must come the dividing of the way in the motion picture industry, as there are purveyed upon the youth those images of anti-God, anti-Christ, and the desecration of the sacred fire of Alpha and Omega and of the Cosmic Virgin. And therefore I stand in the light of the All-Seeing Eye of God.

I AM the angel of truth with the flaming sword, and therefore now receive the hand of the archangel, as the hand of God has declared that the All-Seeing Eye of God will judge the unrighteous use of the eyes of the world, the eyes of mankind upon that which is not lawful to reveal in the openness of the world.

Beloved ones, Mother Mary raises her arms of light as a canopy of the God consciousness of truth. And that light of truth in those in whom error dwells becomes the sores upon the body temple, the outpicturing of that energy that is not of the light. And so the crystallization of the God flame is the alchemicalization of darkness, and so it surfaces upon the body of those who have misused that light.

Archangel Gabriel Stands in the Light of the Sacred Fire

Archangel Gabriel stands, standing once again in the midst of the temple of the people, standing for the defense of the light of the sacred fire. And therefore the light of that sacred fire descends through the raising of the arm of the archangel. It is the descent of the sacred fire as the judgment of the misuse of the science of rhythm in the energy of the word, in music, in sound. It is the judgment of the misuse of the sacred fire by man and woman, the purveying of the false doctrine of abortion and the purveying of those doctrines already declared by the Lord Christ to be unacceptable in the presence of the Holy of holies, the misuse of the sacred fire in the perversions of sex—therefore the judgment of Sodom and Gomorrah, therefore the judgment of homosexuality in every form.

Beloved ones, Archangel Gabriel stands in the light of the sacred fire. It is an energy so intense, beloved ones, that the darkness that is upon the earth will not be able to stand in the day of the light and in the presence of the sacred fire. Let those, therefore, who have identified with the misuses of this energy of the light of the Mother be naked before the LORD God, with the Lord Christ, and let them be stripped of their garments.

**The Judgment through Lord Chamuel:
Let Love Be the Foundation of the Economies
of the Nations**

Beloved ones, the light intensifies through the hand and the arm of the archangels, and, lo, Lord Chamuel stands in the midst of the land. And from this altar the arm of the Lord Chamuel descends, and it is the judgment of the misuse of love by the tearing down of the holy family, by the erection of the Communist state, the totalitarian state, and by the abuses of love in the false systems of socialism that have evolved as a solution to mankind's problems, when the solution to mankind's problems is pure and simple—the light of love extended heart to heart in the mutual sharing of the communion cup, the bread of life, and the body of our Lord.

Therefore let love be the foundation of the economies of the nations, and let those false systems now be judged as the Word of the Lord, as the messenger has spoken it.

**Archangel Michael:
The Judgment of the Misuse of the Will of God
in the Government within This Nation**

And therefore Archangel Michael stands, and in his standing he releases the light of the arm of the Lord in the descent of that sacred fire as the judgment of the misuse of the will of God in the government within this nation.

And he himself has stood before you within this conference to declare what that judgment and what that action of the sacred fire would be. And therefore let us reveal the government upon the shoulder of the individual Christ. Bear in mind, beloved ones, that it is the assembly of the elect in this company of lightbearers. It is indeed your response to the call of the Lords of Karma and the Lord Christ.

Beloved ones, you have shown your immense and profound understanding and your conviction by the vibration of the Word and the light emanation of the letter from Jesus Christ unto the Keepers of the Flame, unto the friends of God.²

Beloved ones, angelic hosts of light have stood round about and applauded this open door of contact and this reverberation of the ripples of light and the music of the spheres as each and every one of you has caught from near and from far the message and the Word of the Lord Christ, even when that message contains the bittersweet energy of both the judgment and the light of the resurrection.

We therefore proceed with the understanding that there is a body of God who are capable of standing in the hour of the judgment and who are capable of remaining wed and tied to the inner God-reality even when there is the rising among the fallen ones of the opposition to this pressing down and pressing in upon the earth of the LORD's hosts.

**Archangel Jophiel:
The Judgment of Those Who Misuse the Light
of the Mind**

And therefore Archangel Jophiel raises his hand now, and the arm descends as the judgment of those who have misused the light of the mind and have taken the mind of Christ to evolve systems in the media, in advertising, and in the misuse of that brilliance of that light for the glory of the human ego instead of the glory of the Divine Ego.

Therefore let the academicians now be called before the altar of God, and let them use the brilliance of the mind of God to display the wonders and the glories of the Lord Christ as he is incarnate in the sons and daughters of God.

And let education now reflect that light and that tutoring of the soul, and by the excellence of that light let us evolve a

golden-age civilization based upon the Great Pyramid of Life. And then you will see that the paltry manifestations that have come forth through the misuse of the mind of God cannot in any way compare to the great and glorious manifestations of the golden age.

Archangels Uriel and Zadkiel:

The Judgment of the Impostors of the Holy Spirit

Now, beloved ones, Archangel Uriel raises the arm of light, and the arm of Uriel descends. And the arm of Uriel descends in defense of the holy family and in judgment of the misuse of the abundant life and of the Trinity that burns upon the altar of the community of the Holy Spirit.

And therefore Archangel Uriel stands in the temple of the people, standing in the churches of the nations, and he comes, therefore, for the judgment of the impostors of the Holy Spirit, of the discarnates and fallen ones who have attempted to fool the children of God with their tampering with the light of the Holy Ghost.

Now Archangel Zadkiel stands, and with the descent of the arm of Lord Zadkiel there is the judgment upon those who are the shepherds of the people, those who ought to be the priests and priestesses of the sacred fire who have misused the light of the seventh ray and therefore have established rituals at all levels of life, from the satanic rituals of darkness unto those rituals that have held the people in bondage to fear.

Beloved ones, whether it be the superstition of the witch doctors or of the necromancy and the black magic of those who represent the people in the temples as the rabbis or ministers or priests—whoever has used the light of the Christ to declare upon the people that condemnation—these therefore are counted as practitioners of the black arts and receive the judgment of the LORD God this day.

The Preventing of Planetary Cataclysm and the Holocaust of World War

The seven archangels therefore continue to stand within the earth. And as our word has gone forth in the pouring out of the seven vials,³ so we will come, sent by the LORD God cyclically upon our mission, to stand before the Court of the Sacred Fire and to stand in the midst of the temple of the people wheresoever and whensoever that people are gathered in the company and in the numbers of lightbearers required by the Lords of Karma to make up that chalice and to deliver this light emanation of the Christ.

Through the heart of the Lord Jesus, through the heart of Saint Germain, this light of judgment descends. It is the will of Almighty God. For, beloved ones, only by the return of mankind's karma will there be the preventing of that planetary cataclysm and the holocaust of world war that could very well ensue were it not for the staying action of the Lords of Karma and for the intercession of elemental life as they implement that which will manifest as limitation upon the ability of individuals to use their free will to create darkness and the binding energies of the night.

Do Not Forget This Light Emanation of the Archangels

Now, therefore, I desire to give to you a dispensation and an energy, and I desire that you will take to your heart this light and this word and seal it there. For it is most important that your remembrance be infired with truth and that on a daily basis you do not forget this light emanation of the archangels.

Beloved ones, it is this—that having stood in the presence of the seven archangels in the hour of this release of energy, there is sealed within each and every one of your hearts now, within a great sphere of pearl, a pearl within your heart, this momentum and this energy of this particular judgment.

And I say “this particular judgment” so that you may study the words and know that we, the seven archangels, have sealed within you the light emanation of the judgment of the Christ in these matters, which the LORD God the Father has assigned unto him.

Therefore in the day and the hour when you observe the injustice of the Law, you may merely call upon the seven archangels to reenact this ritual, and you may call for the release of that sacred fire from the pearl within your heart, and so it will be.

And so it will be that where you stand in time and space there will be a replica of this ceremony that will vibrate by the current of light and sound. And it will be the emanation quivering in the planes of Matter, quivering in the planes of Spirit so that that energy will be brought to bear specifically upon the moment and specifically upon those conditions of karma that now must be checked by the lightbearers in embodiment.

It is necessary, beloved ones, that the judgment should come. That it must come through those who embody is the Law and the will of our God. And therefore he has sent the only begotten Son into the world over and over again that the souls of light may be saved and that the souls who have turned against the light might be judged. Therefore Jesus declared, “For judgment I am come.”⁴

You need not be burdened with the judging of others. You must only be the open door for the LORD God within you and the Lord Christ to release the light emanation that we have released as the judgment of the One God.

The Cleaving Asunder of the Real from the Unreal

Beloved ones, as you accelerate the God consciousness within you and this harmony flows from you in all directions

as a great blazing sun of Reality, and as you use our mandate, our word, our dispensation from your heart, you will find that this emanation in and of itself will be the challenge—the challenge that cleaves asunder the Real from the unreal and causes individuals who come in contact with our light to choose whom they will serve.

Beloved ones, the effect of our messenger in Ghana, West Africa,⁵ has been this very polarization where some of the people of light have gathered and rallied round the message of the ascended masters, and others who have believed the lie of the false doctrine have gathered and rallied in their Christian Council to condemn the messenger.

And those who are persuaded in a liberal understanding of political and economic issues have declared that a woman and a prophet ought not to meddle in the affairs of state and in the affairs of politics and economics. And therefore you see that those who have believed the lie of the fallen ones or those who are a part of these fallen ones in embodiment, whether in Church or in State, have been forced to declare themselves, and so they have publicly, in the press and in the media, declared themselves.

And so you see, our coming is never for worldly acclaim or praise or approbation. It is not by praise or blame, denial or confirmation that the Word of God endures. The Word of God that lives forever, even when heaven and earth pass away, is the eternal Christos.

The LORD God Is Gathering Souls unto the Resurrection and the Life

That Word must be spoken for the alchemy. When the elements melt with a fervent heat and when the issues are laid bare, then individuals in the presence of the power of the Holy Spirit feel compelled to take a stand. For you see,

those who are threatened must speak out against the truth, and those for whom the truth is salvation must also witness and give praise unto the LORD. This is the meaning of the preaching of the gospel in every nation, beloved ones. And therefore you can expect that this action will be repeated again and again as we send *you* and *you* and *you* to each and every one of the nations of the earth.

Be not concerned, then, at the outcry, and be not moved either for the praise. For in the midst of all of this, the LORD God is gathering souls unto the resurrection and unto the life, and he is diminishing the light and the energy in those who use it to condemn.

You who have lifted up the Christ within you, now see the glory of an age. Now see the glory of the ages. Now see how this emanation of the light is for the cleansing and the clearing of the air and it is for the dividing of the way. By this means is your soul liberation come.

Feast” and addressed to the “Beloved of My Heart,” Jesus spoke of the intimate communion we have had with him for millennia and of the promises that he made to us, saying, “When we were together in the last days before my ascension and since that hour as we have met again and again upon your going out and coming in to the Presence of God, as your souls have incarnated lo these two thousand years, you have asked me ‘of things to come concerning my sons.’ (Isa. 45:11) Even then you desired to be taken up from the earth with me to sup with me in glory and to sit with me upon the right hand of my Father. And I gave to you my promise, which I have kept, to be with you in the hour of death and the reawakening of the soul to eternal life. And I gave to you the promise of our coming in the ‘last days’ when you would experience the kingdom of heaven on earth as the marriage of your soul to your own beloved I AM Presence prepared by your own Christ Self, the *king* who holds the *key* to your *incarnation* of the God flame.” Jesus invited us to the marriage feast, which he said is prepared for us at all retreats and conferences, and he spoke of the judgment of those who had been bidden to the marriage feast but have not responded due to pride, ambition, and the “glamour of psychic phenomena.” He also stated that “the fallen ones, who have murdered the sons and daughters of God through the ages,” are now brought to the judgment by the Four and Twenty Elders. Jesus concluded his letter with the following words: “As always, I will stand upon our platform that the few have graciously provided. . . and there I will raise my hands in blessing and in welcome to the many. And I will transfer to you on Easter Sunday that portion of the Holy Ghost which you are able to receive according to the strength of your wedding garment. The platform is necessary for your evolution, for the balancing of your karma, and for your ascension. The platform is your heart, is our focus, is America, is the earth. All of these must be sustained by the flame of constancy, by the call that compels the answer, that ye may have your victory. Work while ye have the light.” This letter was published in the 1978 bound volume of *Pearls of Wisdom*, pp. 281–85, currently out of print. **(3) The pouring out of the seven vials.** See *Vials of the Seven Last Plagues*.
