I am in the center of love. I am in the center of your temple, a rod of infinite fire concentrate. I am energy as rod of the Law, of love within you.

Behold, I inhabit the temple of my chela! Behold, I inhabit the temples of chelas of the Mother and the Buddha, of El Morya, of Saint Germain, and of Lanello if you will...

Beloved Lanello

A Thrust for the Purpose of Love

O light within each heart, send forth a beam unto all that lives! Send forth a beam, a bridge in the night, a way for souls to take flight to the higher way of communion in the LORD!

O souls of infinite fire, I address you from the rose, from the most tender rose of our love. I address you from the fiery coil, a spiral of infinity, and each of you is a dewdrop ascending upon the spiral of an infinite rose of love.

I am come into your midst to give you courage, the love of the heart in its age of maturity. O courage! O heart! Expand now! For in the momentums of anti-love upon earth, only love will endure—our love, the love of twin flames, of Guru and Chela, of ascended masters and their unascended chelas, of the love of Mother and her children and the Shepherd for his sheep.

I am in the center of love. I am in the center of your temple, a rod of infinite fire concentrate. I am energy as rod of the Law, of love within you.

Behold, I inhabit the temple of my chela! Behold, I inhabit the temples of chelas of the Mother and the Buddha, of El Morya, of Saint Germain, and of Lanello if you will have me. I am a bright, right fellow now aflame with love!

A Thrust for the Purpose of Love

200

I come! I come with a rose, the pink rose of Nada in my buttonhole. I wear the rose for love, for the dance of the hours, for the graduation of initiates, and for that prom that is the promise of love twixt hearts Above and below.

I come for the celebration of the graduation of the soul unto the heart plane, and I come for the rolling back by love—*thundering* love, *whispering* love, *Holy Spirit* love—of that darkness contrived of deception that lurks in the hearts of evil, evil ones in the capitals of the nations who plot the destruction of souls.

And yet we hear, by a megaphone attached to our ear. We hear rising from their whisperings in their chambers every plot against the souls of light. We reverse it! We draw it into light and we say: Thus far and no farther, proud wave of the consciousness of Luciferians! Be bound by the hosts of the LORD this day!

The Meaning of the Word Made Flesh among You

I AM Lanello! I come for a thrust of a purpose of love. It is the purpose and the power to create—to create by love, by the vision of the selfless Eye of God, the selfless Eye ever beholding the Greater Self of all.

I come, then, to add the thrust for a purpose of love unto the cosmic purpose of illumination and purity! I come to roll back human selfishness by love! I come with a great sword of the Spirit fashioned of the intensity of love and of love's judgment!

Beloved ones, the very oncoming tide of love upon you in this week has given to you those testings of your souls that you would term the more serious initiations on the Path, where the fallen ones target life and limb and soul in their wager to destroy all that is pure and all that is holy.

O beloved ones, the shadows of light are cast before the

coming events of cosmic light dispensed by the Cosmic Council. And those who are not weary in well doing, who are the sensitive souls, are always sensitive to the oncoming light as they read the mirrored moon image of the perversion of that light before the light is even manifest in physical octaves.

This is because, beloved ones, as you see, when the light comes forth physically to be anchored by the Word through the messenger in the very sands of the earth, in the mountains, the rocks and the seas, it has already passed through the etheric plane, the mental plane, and the astral plane. And at the point of the release of the Word there is the action of the Holy Spirit transferring and sealing it for earth and her evolutions. This is the meaning of the Word made flesh among you. As atoms and molecules become cups of Mater to receive the light, *you* are filled with light as the first-fruits of redemption!

And therefore the coming of the great love tide is pronounced by the Ancient of Days, Lord Sanat Kumara, who by love tarried with earth and her evolutions for the kindling of the threefold flame of love from Shamballa by the love of Gautama Buddha, who left family and a life of ease to keep that flame of life, of freedom, of the soul's pursuit for enlightenment by love, by only love—the coming of the avatars, the crucifixion of the Lord Jesus Christ, the offering up of the son by Abraham, by the Virgin Mary, by every mother who has given her son to go forth to be, in war and in peace, the conquering hero.

Come, then, O mighty tides of love! Manifest by thy Word, O God! *Roll* back the darkness! I stand in the name of the living Christ, in the name of the I AM THAT I AM, and I challenge all perverse manifestations, all anti-love in action as aggression—aggression against the Woman and her seed in every nation and continent of the earth. I challenge it by

the Five Dhyani Buddhas! I challenge it by the Buddha of the flame within you! I challenge it by the fearlessness flame of Ray-O-Light and his flaming sword!

When There Is No Other Recourse Except the Living God

O flaming sword of Ray-O-Light, *roll back* those Cuban troops in Angola¹ in answer to the call of the leader of light who has asked for the intercession of our messenger!²

I come forth! I, Lanello, stand in the midst of Angola this day in the name of mighty Arcturus and Victoria! I stand centered in the being of the Buddhas and I roll back darkness! I invoke the hosts of the light who come now, who come to defend the right of free nations to be free!

Beloved ones, what do you think when the souls of a nation and a people cry out for assistance? What do you think when the leader of a nation, Angola, does not receive help from any Western nation, from any nation so conceived in liberty, whose principles have been espoused now for hundreds of years?

Beloved ones, then that leader, by one and to the other, passes the word to our Mother, “Pray for us, for we are winning against the fallen ones.”

Do you see, then, that there is no other recourse except the living God when the nations of the free world are invaded by the spoilers, are invaded by those who have taken the thrones [of these nations], who have ruled by anti-love, anti-Mother, and who have cooperated with the dragon who has gone forth to make war with the remnant of her seed?³

Do you see why it is necessary for the Faithful and True, the Lord Jesus Christ, and the armies of heaven, the saints robed in white to enter into the fray, to enter into it, then, in place of the armies that ought to be gathering with a mighty thrust and with the energy of fohat and by the meditation of Christ and Buddha?

Roll back that hatred! *Roll back* that invasion! Beloved ones, by the flaming word of your leaders I will guarantee to you that all of this mischief-making of the Soviets and Cubans could be turned back without even the firing of a shot!⁴

Beloved ones, there are economic exigencies that may be used to thwart these diabolical manifestations of devils incarnate East and West. I speak plainly for those who would hear the plainness of love and of truth and of wisdom.

Those who are attempting to spread their brand of Communism throughout the world have the basic concerns of bread, of wheat, of meat, of technology, and of raw materials for their nation and for their people. Let the Western nations withhold all of these! Let the United States of America, in the dignity of the cosmic honor flame, *refuse* to sit at the council table, *refuse* to enter into the negotiations of SALT so long as there remains one Cuban foot upon the continent of Africa!⁵

[16-second applause]

The Solutions Are at Hand

And I tell you that when the words are spoken out of the mouth of the LORD, in the presence and by the power of the Lord Jesus Christ and in the raising of the right hand of the women of the world—not in rebellion but in the reversing by the action of the Buddha of that hatred—you will see those Soviets and those Cubans quietly folding their tents and taking their tanks and their planes and stealing away into the night.

Beloved ones, the solutions are at hand! They are in the very hand of the living God, in the very heart of the disciples East and West! Beloved ones, let these decisions be made forthrightly in the name of the I AM THAT I AM by the 144,000 who are placed at strategic points in government, in education, in science, and in economics.

Let the Word of the LORD go forth! For even as it is spoken by our messenger and echoed house to house by our chelas, that Word is more powerful than radio waves carrying millions of voices, than television waves or amplification by the mass media or the saber rattling or all of the camouflage and the cover-up that comes forth even in this nation by those who are the councils of the wicked taking their seats of authority within the United Nations, within the State Department, within the CIA, and within the very offices of the president and his cabinet!

Let the Seed of the Wicked Be Cut Off by Love

Beloved ones, we speak! For the entire world hears the voice of the messenger of God! We speak because every soul is still listening to catch every drop, every dewdrop from the rose of our love. The souls of the body of light upon earth are attuned unto this wavelength and it flashes forth by the amplification of the light of God that *never, never, never fails!*

Therefore, let those who have trampled upon cosmic law, international law, national law, and the dignity of human life receive the judgment of love! Let our Keepers of the Flame hold high the torch of freedom and know that freedom is indeed on the march! And by the cosmic wave of love, which I bear as the momentum of the causal bodies of love of the entire Spirit of the Great White Brotherhood, there shall come a dawn of love, of light, of transcendent wisdom-love, an aura, then, of rose and Cosmic Christ illumination.

Beloved ones, ere the dawn cometh, the love-light will push out from underneath the tables, the council tables of the fallen ones, their darkness of deception, their evil machinations, their black magic and their witchcraft, and it will reveal the chain of the false hierarchy from astral planes unto those embodied who are speaking the lie and are the

embodiment of the Liar himself!

I say, let the seed of the wicked be cut off by love! *Let the seed of the wicked be cut off by love!* Let the abundance that they have hoarded, the abundance of the light of the Mother and her children, now be cut off, now be seized and returned to those children of the light who are expanding God's kingdom as his consciousness day by day!

We Come for the Tutoring and the Testing of Your Souls in the Energies of Love

In the name of the living Christ I kneel before the altar of the Most High God. I invoke that abundance of light, of supply, of substance in the hand of our messenger and our chelas for the victory of the move this summer.⁶

I invoke that abundance, and I invoke it from the great causal bodies of the saints of the Church who have pledged their causal bodies upon this altar. I speak of the saints in embodiment as well as those who are in heaven. I speak of those whose physical hands may reach into their physical pockets and bring forth the coin of the realm for the coming of God's kingdom on earth as it is in heaven.

Therefore, O beloved, O my beloved children, beware, then, of the meaning of the violence of anti-love, of the anger, of the viciousness of human hatred, and know that as we pass to you the torch of the cosmic thrust for a purpose by love, you are being entrusted with a great fiery cross, a cross of cosmic consciousness that must first perform, as you say, the dirty work of cleaning out that substance of astral energy that has placed a coat of mire, of putrefaction upon the entire planetary body.

Beloved ones, there is nothing so great as the reaction of the fallen ones to the holy innocence of love incarnate within you. We come, then, for the tutoring and the testing of your souls in the energies of love.

Stand fast, for the opposition to that love is as a hurricane and a cyclone, and therefore come closer. Come closer to our witness. Come into the folds of the garment of us as we stand, your messengers. For as we huddle together in the mantle of our Lord Jesus Christ and Saint Germain, dear Morya and Godfre, Mother Mary and Archangel Michael, we will be shielded. And then after the storm, in the brightness of the morning on the day of the opening of *Sing a New Song*,⁷ you will see the light and you will see those who have come through the night from near and far, coming, then, to sing the new song of love—of the love of Alpha and Omega that rings clearly from the Beginning unto the Ending.

You Are Invincible, Inviolable, Untouchable in the Unspeakable Joy of Being

I love you. I love you. I love you. So beloved hearts, feel now as angels of love pour the essence, the elixir of love into the cup of your chalice being. Feel your aura now being filled with the golden pink glow-ray, with love illumined by wisdom flowing by the impetus of Purity's light. Be chalice in that love. Hold it now within your aura. Let it be held by the flame of God Harmony. God Harmony, come forth now! Seal each one in the inner vow of harmony unto the Law!

Beloved ones, especially children of all ages, hear me. I speak to you. Do not receive the temptation to begin to argue or fret or fight with one another, but remember that you are carriers, bearers of the wine of the Spirit, the true wine—wine not of the grapes of wrath but of the grapes of love. This is the wine coming from the winepress of God, the very essence of the blood of Christ, and you are his body.

Now, beloved ones, keep this communion cup. Be this our communion cup and know that as long as you sustain your God-harmony, you will be in that light of love and

therefore meet all of the arrows and darts of the wicked.

Keep this cup as the thrust for the cosmic purpose. Keep it, then, unto the hour when every child of light coming to our conference is safely here in the tent of the LORD.

Now, beloved ones, remember—as dewdrops upon the spiral of the rose of our love—that you transcend the plane of the fallen ones. You are invincible, inviolate, untouchable in the unspeakable joy of Being.

I AM forevermore within you, the rod of sacred fire, Lanello.

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Lanello** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, June 4, 1978**, during the Sunday service in Pasadena, California. [**N.B.** Bracketed words have been added for clarity in the

written word.] **(1) Cuban troops in Angola.** Communist Cuban forces fought in the Angolan civil war (1975–1991) alongside the Marxist-Leninist People’s Movement for the Liberation of Angola (MPLA) and against the National Union for the Total Independence of Angola (UNITA) and the National Liberation Front of Angola (FNLA) guerillas, who were assisted by the South African Army. Cuba finally withdrew her troops in July of 1991. **(2) The leader of light.** Lanello is referring to Dr. Jonas Savimbi (1934–2002), the leader of UNITA and a student of the ascended masters. On November 28, 1977, the messenger called Savimbi “the great soul of light that Morya has placed in Angola.” On June 30, 1978, the messenger commented: “I would like you to know that it is Jonas Savimbi of Angola who leads the lightbearers there and who has communicated directly to me through Congressman Tolbert of Liberia asking for the prayers and intercessions of all Keepers of the Flame in America on behalf of the light in Angola.” At the time of this dictation and after, Savimbi had control of a large portion of Angola. **(3) Rev. 12:17.** **(4) The Soviets and the Cubans.** The USSR began sending troops and military equipment to the MPLA in Angola during Cuba’s involvement in that nation beginning in 1975 and continuing through the 1970s and 1980s. However, the Soviets failed to establish a socialist government in Angola, and the Angolan government renounced Marxist-Leninism in 1990. **(5) The negotiations of SALT.** The Strategic Arms Limitation Talks (SALT) were negotiations between the United States and the Soviet Union for the purpose of curtailing the manufacture of strategic missiles capable of carrying nuclear weapons. SALT I was signed in 1972 and SALT II in 1979. **(6) The move this summer.** During the summer-fall of 1978, the headquarters of The Summit Lighthouse was moved from Pasadena to Camelot in Malibu, California. **(7) The opening of Sing a New Song.** Lanello is referring to the Freedom conference in 1978, held in Pasadena and Camelot from June 30 to July 5, called *Sing a New Song*. In her opening lecture on July 1, “They Sung as It Were a New Song” [Rev. 14:3], the messenger commented on and interpreted many passages from the Book of Revelation, beginning with Rev. 14:1–6 concerning the mission of the 144,000, the sons and daughters of God who came with Sanat Kumara to save planet Earth. The messenger explained that the “new song is the new vibration of the seventh angel [Saint Germain] proclaiming the Word for the age of Aquarius. It is the new vibration that we become by the intonation of the Word, and the intonation of the Word we see comes through many personages that play upon the drama of the Book of Revelation. The science of the spoken Word and the dynamic decree is used by the angels that come [to attend] all these events [in Revelation], and it is used by the multitudes of the saints who are found in the etheric plane who are part of the 144,000.”
