

*Beloved Archangel Gabriel*

### **Earth Shall Be Known as the Star of Freedom Once Again**

Beloved ones most cherished of the angels, do you know that as you made your procession here this very day, saints robed in white—the martyred remnant who have gone before from Russia and from China, from Africa and the Far East, from Europe and every nation besieged by the dragon of the Fallen One—have accompanied you? They have accompanied you with palms and hosannas and rejoicing, for they sing a new song, and it is the song of freedom.

Let freedom ring from out the soul, from out the Spirit of the living God, from out the altar of freedom, for this day have I been sent as the Angel of the Annunciation unto you. And it was not so very long ago that I came unto your mothers and your fathers, though unseen by them, to announce your own incarnation in this life, your soul's descent into Mater for the proving of the Law, for the righting of every karmic wrong, for the loving of one another unto the Victory.

## Earth Shall Be Known as the Star of Freedom Once Again

### *Dedication of the Chapel of the Holy Grail*

Hail, sons and daughters of God! I stand in your midst in the flaming light of purity. From out the Great Central Sun, from before the throne of Alpha and Omega, I AM come.

I come to rectify that which has gone out of the way upon earth and midst her evolutions, and I come to set the standard of the Divine Mother within your midst.

Let the light of purity blaze upon this altar in the name of Alpha and Omega. I invoke the legions of angels of purity. O seraphim and cherubim, keep the way of the Tree of Life within these souls who have come to adorn thy Christ, to adorn in each other and in all, the fullness of our love that is the joy of the ages.

I, Gabriel, consecrate this sanctuary<sup>1</sup> unto the unfoldment within your heart of the perfected chalice of being. Crystal upon crystal let the chalice grow, even as the gold grows in the heart of the rock.

So let the crystal chalice of purity expand now that light and that Word, and let all who enter here come also as pilgrims of Saint Francis and Clare, who commemorate the walk that is the great procession of the ages, the Passion of the Lord,

the Son of God, the Word incarnate, whose walk unto Calvary and thence to Bethany was for ye all and for his kingdom come upon earth in this age.

Beloved ones, let always the walk from the gate of Camelot unto our altar be the reminder of the walk with him of the fourteen stations of the cross, and let each one of you contemplate in this day and this hour what it means for the individual son and daughter of God to say with him, “Yea, Lord, I will drink all of thy cup. I will become thyself. I will assume the mantle of responsibility for my life, for my family, for my community, and for my nation. I will wear the robe of Christ and I will move among the nations as his witness.”

### The Song of Freedom

Beloved ones most cherished of the angels, do you know that as you made your procession here this very day,<sup>2</sup> saints robed in white—the martyred remnant who have gone before from Russia and from China, from Africa and the Far East, from Europe and every nation besieged by the dragon of the Fallen One\*—have accompanied you? They have accompanied you with palms and hosannas and rejoicing, for they sing a new song, and it is the song of freedom.

Let freedom ring from out the soul, from out the Spirit of the living God, from out the altar of freedom, for this day have I been sent as the Angel of the Annunciation unto you. And it was not so very long ago that I came unto your mothers and your fathers, though unseen by them, to announce your own incarnation in this life, your soul’s descent into Mater for the proving of the Law, for the righting of every karmic wrong, for the loving of one another unto the Victory.

Yes, I cherish the memory of the annunciation of each and every soul born of the Most High God with a sacred gift of opportunity to know the soul’s reunion with God, to prove

<sup>1</sup>Lucifer

what is that perfect and acceptable life offering—the soul placed upon the altar. Yes, I have placed you there, as Abraham placed Isaac. And so the LORD God has taken you individually and he has placed you, each one so cherished, for a particular service, for a particular jewel of consciousness that becomes part of the entire fabric of the planetary body and its expansion of world good, of God consciousness.

### **My Angels Consecrate This Property unto Your Victory**

Thus I come again, Gabriel sent by the LORD God in the hour and in the place of his appointing. And therefore my seraphim do surround this property that you have chosen in your hearts<sup>3</sup> to dedicate to a dream, a dream of Arthur and Guinevere and Merlin and Launcelot and each and every one of you as you have dared to dream that dream all down through the ages.

Wherever you have been, no matter what the burden of sin or the weight of darkness, the glimmer of the dream has gleamed on within your heart until this very day it bursts as a mighty conflagration of light. And so my angels do consecrate this property unto your victory, and may it be the victory of a nation and every nation.

*O Infinite LORD God, as I stand now upon this altar, as I have come from thy altar, so do thou, O Living Flame of Eternality, extend thy ark of the covenant and let thy mantle descend upon this thy people. For thou hast covenanted with Abraham and with David unto the fulfillment of the Law, unto the one hundred and forty-four thousand.*

*And therefore as thy emissary I do stand in the congregation of the righteous and I raise my hand in the name of the living God, and I send forth a flame that leaps into your forehead as the purity of your all-seeing of the Infinite God.*

*I come for a transfer of light. I come for the sealing of your energies as you embark upon a path of victory with deliberation, with God-determination, with a sign and a signet of victory, which is Christ the Lord.*

### **Repair My House in Church and in State**

Beloved ones, you are as the fishermen called by Jesus. Come, and I will make you fishers of men.<sup>4</sup> Humble souls of light you come, scarcely known of the world, or worldly in any sense. You come because angelic hosts and the very purity of your love have preserved that element of innocence whereby you too can leap into octaves of consciousness where the souls of light do keep the flame of the Everlasting Gospel.

Now I charge you to go forth with that teaching of the Great White Brotherhood, of the saints robed in white, and bring deliverance unto the nations.

So I say, repair my house! This was the mandate of God unto Saint Francis, and so it comes again. Repair my house in Church and in State! Bring the inner blueprint of the Law and the ordering of life. Let there be a return to love. Now angels of the sacred fire, go forth north, south, east, and west, and let there be the sacred fire burning and consuming in this land America of all insanity, sensuality, profanity.

*I, Gabriel, call upon legions of angels. Let this nation this day be exorcised in the name of the living Christ! I call in his name and in the name of Saint Germain for the binding of the fallen ones who have invaded this citadel of freedom! Let the All-Seeing Eye of God now expose them in the name of the I AM THAT I AM, for it is the dynamic decree of the LORD God this day that this nation under God shall be purged of those forces of anti-Christ, anti-Freedom, anti-God, anti-Spirit, and anti-Mother!*

*So let the word be known that the hosts of the LORD are assembled now in the land of the free, and we will roll back the darkness and we will call the humble and the simple and the great and the mighty and the pure and those from every walk of life who will hear our word within the secret chamber of their own heart and bear witness that I am come this day to each and every one of you.*

*I am as real as when I came unto the Blessed Virgin Mary to announce the incarnation of the Lord Christ. Now let the Cosmic Virgin appear in this land America! Now let the Virgin give birth to the Manchild within each and every one of you!*

*O living altar, now angels of the sacred fire, bring that sacred energy and return this land to the union of the light. Even so, Lord Jesus, come quickly.<sup>5</sup>*

*Light of the Ancient of Days, be rekindled in the hearts of this people! O light of the Ancient of Days, burn now upon this altar!*

### **The Saints Robed in White Will Turn the Tide of the Adversary**

O gentle hearts, O sweetest souls, by thy word God can raise up in thee a mighty people and the answer to the call of souls of millions who are in bondage from continent unto continent. They cry out unto the living God. They cry out unto America for help, and no help is forthcoming. And therefore I say, we the hosts of the LORD will enter the fray this day! For we will not turn away one cry of one soul in any land who yearns for the flame of Saint Germain, who yearns for the flame of freedom!

And therefore the Lord Christ and the Lord Saint Germain stand as the witnesses of the age unto the fulfillment of the prophecy of freedom, and the Faithful and True<sup>6</sup> stands forth leading the armies of heaven and of earth.

Therefore, beloved ones, know that we send you and that we transfer to you the immaculate concept of the LORD God for the perfection of thy soul and its birth in the beginning.

Out of this fiery blueprint of the LORD God, his perfection enshrined within thy heart, so shall there come forth in the fullness of this Christmastide the new birth of the Manchild empowered by that light, empowered by the sword.

Watch how the saints robed in white will turn the tide of the Adversary by the raising of the right hand, by the turning back of hatred upon those who have sent it forth.

O living flame of love, so I pray in the name of God, endow these thy children with hearts filled with the love of the Holy Spirit that is the sacred fire judgment of the LORD God unto every enemy of righteousness and truth.

### **Let America Be Known as the One Who Will Bear the Standard of the Banner of the World Mother, of Her Child, and of the Holy Grail**

Beloved ones, the consecration of this sanctuary as the Chapel of the Holy Grail is in truth the consecration of a jewel of light, a jewel of light in America that is to be the point of the expansion of the flame invoked by your very hearts and souls. For the chalice of the Holy Grail must expand to be every soul of light, every family, every community, and this nation. Let America be known as the one who will bear the standard of the banner of the World Mother and of her child and of the Holy Grail.

So let the banner of the Holy Grail be known as the chalice of the Christ consciousness and as the sign that the LORD God has ordained once again in heaven and on earth the quest for the Holy Grail, the quest for the true mysteries of Christ.

As these are sought and won and implemented step-by-step, line upon line in the government, in every area of life

in this nation, you will see, as I stand to prophesy in your midst, the greatest miracle of the ages. For lifestream by lifestream, soul by soul, the light of Almighty God will come into the temple even as that light is come unto this temple this day. And those who bend the knee and confess the Lord Christ—thus saith the LORD—will receive that cleansing fire, that baptism of the Holy Ghost. And you will see a land that is turned once again unto our God and the rallying of the forces of light. And out of this union there shall be the turning back of darkness and the consummation of love.

**The Darkest Hour Will Be the Greatest Hour of Light  
That the World Has Ever Known**

I AM Gabriel of the sacred fire of purity. I guard the eye of purity within you, enabling you to look upon the living God and to look into the very heart of error and deception and manipulation and that treachery and treason practiced against the souls of light. By the two-edged sword of vision, then, behold the LORD God and behold how he descends into the darkest of the darkness to purge the earth!

Thus we begin. Thus we begin with a remnant here at Camelot. Thus we begin in the Chapel of the Holy Grail with a single flame that shall indeed be multiplied by Maximus unto the coming of the hour when millions of heart flames will burn as one light, as one great conflagration, and earth shall be known as the Star of Freedom once again.

I commend you unto your individual calling in the light. I commend you unto the Father, the Son, and the Holy Spirit, in whose name I baptize you with living waters.

O beloved ones, receive us. For we are the hosts of the LORD, thy fellow servants. We are brothers and sisters who have gone before you to lead the way. Now we come into your midst for this, the darkest hour that will be the greatest

hour of light that the world has ever known.

In the name of Victory, in the name of the legions of Victory and in the name of the twelve legions of the Lord Jesus Christ who come to deliver America, crucified upon the cross of selfishness and hatred, so let this be sealed. Let it be sealed in your heart. And let the coil of energy that I have delivered unto you from the Most High God be the springboard unto your victory.

I, Gabriel, have spoken. I have anointed your blessed Presence. And I leave you in the arms of the everlasting God to tend to you each and every day and to tend the fires of freedom upon the altar of America.

**“The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom.”**

This previously unpublished dictation by **Archangel Gabriel** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Tuesday, July 4, 1978**, during the *Sing a New Song* conference, held at Camelot in Los Angeles County, California. **(1) I consecrate this sanctuary.** The sanctuary at Camelot (see note 3), previously a Roman Catholic chapel, was consecrated as the Chapel of the Holy Grail in commemoration of King Arthur's mystery school. **(2) Your procession here this very day.** Prior to Archangel Gabriel's dictation, staff members and many others formed a procession carrying the sacred focuses into the Chapel of the Holy Grail. The messenger stood before the altar and received these focuses, including, among others, the crystal chalice of the Holy Grail, the sword Excalibur, the tabernacle, a focus of Lord Krishna, statues of Gautama Buddha, Archangel Gabriel, Archangel Michael, and Mother Mary, and portraits of Morya, Kuthumi, and the All-Seeing Eye of God. As the focuses were presented, the messenger made invocations. After singing hymns, purity decrees were given in preparation for Archangel Gabriel's dictation. **(3) This property that you have chosen.** In 1977, The Summit Lighthouse purchased the beautiful 218-acre Gillette estate in the Santa Monica Mountains near Malibu, California, at that time owned by the Claretian Order of the Roman Catholic Church, and named it “Camelot” after King Arthur's mystery school. Headquarters remained at this location through 1986. **(4) Matt. 4:19. (5) Rev. 22:20. (6) Rev. 19:11.**
