Let the Temple Be Cleansed!

Part 1

I AM Cyclopea. I anchor now within the All-Seeing Eye of God within you those necessary and holy preparations of prayer, of meditation, of initiation, of the spoken Word, and all that you will become in this coming year in preparation for when the LORD God will send you two by two throughout this nation and every nation and when the LORD God will send his teachings—the Everlasting Gospel prepared by the ascended hosts of light by the hand of the messengers—unto the God-fearing peoples of the earth. And they that hear the Word of the LORD and hear that saying, “Lo, I know that my redeemer liveth,” will know that their Redeemer liveth.

So this is a fiat of the Lord Christ, and so it is within you the invocation of that intensity of the Christ. For redemption is the key of the hour, and it is the redemption of souls of light who will become infilled with the Holy Ghost and whose very breathing Presence will then be the...

Beloved Cyclopea

Let the Temple Be Cleansed!

Part 1

I AM Elohim from out the Central Sun of Being. I AM in the All-Seeing Eye of God, all-seeing within you.

I come for the initiation of the opening of the way for the touch of Shiva, which will be the culmination of your conference and your retreat into the white-fire core of being.¹

I AM the light of Elohim. I AM the light from out the Great Central Sun. I AM in the fullness of the Presence of the LORD God. I AM Cyclopea, and I prepare the nation and the nations for the receiving of the All-Seeing Eye of God for the capstone in the pyramid that is abuilding, the pyramid that rises from the base of the City Foursquare and culminates in the manifestation of that God-realization that I AM WHO I AM.

I have heard the messenger say that 1980 would be an important year. I will finish the statement unfinished, for this is the subject to which I am sent by the Lords of Karma to explain to you that in the law of the cycles and the law of the ten governing each century, there comes in the decade of the eighties the initiation of the balancing of the energies of life, the balancing of karma. And the sign of the eighties is the sign of cosmic justice, and that justice decrees the

acceleration of the return of karma, the acceleration of light, and the acceleration for choosing this day who you will be.

Therefore this year of 1979 that approaches is the prologue of a decade of the testing of the souls of the planetary body. All that you set forth in this final quadrant of 1978, all that you plan as the divine plan from the Great Divine Director for 1979, will then be the thrust of power of that which can be accomplished for the God consciousness of the people of America and of earth.

Therefore I desire and I require of you that ere the new year turns in this year, you will set forth the plan and the pattern of your own geometrization of the God-design right where you are—the expansion of the Trinity and of the Mother flame and of the teaching most holy, the spreading abroad [of the teachings] throughout the nations in fulfillment of Jesus' promise that this gospel shall be preached in every nation, and then shall the end come.² It is the end of the cycles of personal and planetary karma and of whether these shall be transmuted or whether they shall be outpictured once again in world calamity.

The All-Seeing Eye of God Is Indeed upon the Lightbearers of Earth

Beloved ones, you have heard of the signs predicted by the astrologers and the psychics. Now hear the Word of the LORD and of the Holy Ghost and of Elohim. For the All-Seeing Eye of God is indeed upon the lightbearers of earth, north, south, east, and west, and out of your soul and out of your inner commitment to the God flame, so earth can be raised by the power of the resurrection flame as new life is born and the Christ comes forth in every son and daughter of God.

Beloved ones, those forces of darkness pitted against the earth through the plots of the fallen ones embodied and

disembodied require forthright action and discernment by the people of God—those who are fearless before God-reality, those who are fearless before the reality of life and therefore do not fear to tackle that world karma and that personal karma, to put it into the flame, to see what is happening, to see what the infiltration of the fallen ones is East and West, to see what are the plots of war and of takeover and the plans of the Soviet Union to move against Europe and to move against America and to move into Africa, to see the plans of the fallen ones even within this country and in other countries of the free world as they think to manipulate the economy and technology through the control of the beast of World Communism.

And yet these fallen ones cannot and will not in the day of judgment be able to withstand the descent of the sacred fire, nor by their puny, mortal consciousness will they be able to stand in the day when the unleashing of war becomes the choice of those hordes of the fallen ones.

Beloved ones, let that day never come. Let that day never come because free men and women today have made correct choices and will stand in the citadel of freedom and will invoke the light of freedom and will raise the right hand and will declare with the Lord Jesus Christ, *“They shall not pass! They shall not pass! They shall not pass!”*

The Redemption of Souls of Light Is the Key of the Hour

O beloved ones, I prepare your temple for the influx of the light of Shiva.³ I prepare you now for the body and blood of the Christ, of the entire Spirit of the Great White Brotherhood, and I say: Heed the warning of the ascended masters and of the messengers that has been given again and again. For the exposure of the Liar and the lie East and West must be forthcoming ere the light of truth and the sword of truth that come out

of the mouth of the Faithful and True⁴ may go forth into the world scene, into the octaves of dense physical matter to bind the Fallen One⁵ and to raise up and to exalt the divine woman within each and every one of you.

I AM Cyclopea. I anchor now within the All-Seeing Eye of God within you those necessary and holy preparations of prayer, of meditation, of initiation, of the spoken Word, and all that you will become in this coming year in preparation for when the LORD God will send you two by two throughout this nation and every nation and when the LORD God will send his teachings—the Everlasting Gospel prepared by the ascended hosts of light by the hand of the messengers—unto the God-fearing peoples of the earth. And they that hear the Word of the LORD and hear that saying, “Lo, I know that my redeemer liveth,”⁶ will know that their Redeemer liveth.

So this is a fiat of the Lord Christ, and so it is within you the invocation of that intensity of the Christ. For redemption is the key of the hour, and it is the redemption of souls of light who will become infilled with the Holy Ghost and whose very breathing Presence will then be the all-consuming light of all darkness, discord, all weapons of war, all hatred and the death consciousness.

This Is the Vital Hour for Which All Preparations Have Gone Forth

O beloved ones, when the psychology of a nation is the will to fail and when a nation loses the image of the Real Self and its reason for being, then you see the setting in of the degeneration spirals of disease and sin and of death itself.

O beloved ones, let us stand on the west side of the City Foursquare. Let us roll back these spirals of degeneration. Let us roll them back in the community of light. Let us roll them back in every nation.

Beloved ones, we behold the signs of light. We see the effective power of the Word each and every day, as the smallest little child or the more mature or those ready for transition still call upon the name of the LORD within the churches, within the temple of being. Within every religion upon earth there are those who give forth a call unto the name of God, and by the descending sacred fire so is the day of judgment stayed, and yet it cannot be stayed. And therefore the judgment is come that you might reap a better resurrection,⁷ that you might see and know that which is found wanting so that the fullness of the LORD may come into the temple of being. I say:

The light of God never fails! The light of God never fails! The light of God never fails! And the beloved mighty I AM Presence is that light!

Let the music of the spheres go forth! Let sons and daughters of light go forth! Let Camelot be built! And let the kingdoms of this world become the kingdoms of our Lord and of his Christ!⁸

Let each individual lifestream count, then, that self-worth, and let each look at the signs of the times and understand that in this twelfth month that approaches there is the countdown unto the fulfillment of every phase of prophecy that is brought forth in the Book of Revelation during the decade of the eighties.

Beloved ones, for the survival of the nations, if they pass the test of survival in the economy, in the government, in their education and their misuses (or uses) of science, then I say, beloved ones, there will come an era preceding and presaging the great golden age. And therefore this is the vital hour for which all preparations have gone forth and for which avatars have come thousands of years prior to this hour.

The Witnessing of the Truth Is the Requirement of Your Ascension

Beloved ones, I give you this preview so that you have, then, altogether fifteen months for the preparation of the coming of the LORD's hosts, for the sending forth of representatives into all the nations, for the placing of the teachings, and for the drawing out from the body of the earth those who are of the tribes of Israel, those who are of the light of freedom, those who are of the sons of Jacob and the sons of Joseph, blessed Manasseh and Ephraim. So let their seed respond to the Word of the Great White Brotherhood given by the hand of the Mother. And let all of you be charged now by the fullness of that penetration of the emerald ray of truth and science whereby you will understand that it is the requirement of the fifth ray of the apostle Paul and of the Elohim and of Raphael and Mother Mary that you witness unto the truth.

Beloved ones, no longer will you be allowed to remain in silence, for the witnessing of that truth is the requirement of the fulfillment of your ascension. And therefore whether you witness door to door or on the lecture platform or in writing or from neighbor to neighbor, you will be required to speak the Word of the LORD and to give an accounting this day and to stand up for the hosts of the LORD and to say, "Yes, I am a devotee of Saint Germain. Yes, I am born again through my Lord and Saviour Jesus Christ. Yes, I am to be counted among the saints robed in white. Yes, I stand for the martyrs who have given their life in the name of God at the coming of the dragon of World Communism."

The Hordes of Darkness Must Be Brought to the Judgment

O beloved ones, you do not know what is the greed for the very blood itself of the life and light of the martyrs on

behalf of those who have not that light. The perpetuation of their war and their demonstrations for World Communism come forth only because they have taken the blood of the saints and they have drunk that blood in satanic ritual.

Beloved ones, I am speaking at inner levels of the spilling of the blood of the saints and the cruelty of the massacres that have been practiced against these precious souls of light in Cambodia, in Vietnam, in Red China, in Africa, in Eastern Europe, and in the concentration camps that string the entire Soviet Union, beloved ones. In those actions, those deeds of the fallen ones, they have thereby slain again and again the Lamb of God who was slain from the foundation of the world.⁹ They have not slain bodies or human beings but they have directly crucified Christ afresh.¹⁰ Whether that Christ be Jew or Gentile, Muslim, Hindu, or Buddhist, beloved ones, it is in him that we live and move and have our being. And he is within that temple of the devotee, and it does not matter the name by which the devotee has called. If the heart be pure unto the LORD God I AM THAT I AM, then the LORD God will answer.

And therefore those who persecute life in any and all of its forms, from the unborn unto those who are standing for freedom this day, have themselves, beloved ones, the curse of Cain and the mark of those who have taken life with a sword and therefore who receive the sword of the Lord Christ and the judgment in this hour.

Beloved ones, all these things must come to pass whereby the hordes of darkness, who are moving against the light of the world, must be brought to the judgment. And this takes place when the Lord Christ within you stands before the tribes of the nations and dares to challenge that Fallen One.

At the close of the dictation Shiva said: “I will let you consider who really is Shiva. But when you see you have become myself, then you will see myself as I AM. And you will know myself as Shiva. And what does it matter who I AM? If you can be Shiva, then you are who I AM.” **(4) See Rev. 19:11.** **(5) The Fallen One** refers most often to Lucifer, who attained to the rank of archangel and fell through pride, ego, ambition, and the desire to be above the sons of God and the Elohim.
