

Beloved Mother Mary

The Descent of the Right Arm of the Mother

I AM Mary. I will hold silence no longer. I will send forth the great fire of the risen Christ. I will send the fire of the resurrection flame as coils of energy going forth from my heart, and the fire of the resurrection shall be unto every part of life the challenge to behold that resurrection and to be resurrected, or to deny it. And therefore that flame itself becomes the acceleration unto death of those who have no life in them.

You have heard of the right arm of the Mother and you have heard of the descent of that right arm, and you have known that by my right hand so the descent of karma is stayed, and so it is released. For I am one unto whom the same promise is given that was given unto the apostles for the remitting or the withholding of the karma of sin.

And therefore, within my sacred heart is the acceleration...

The Descent of the Right Arm of the Mother

Let men not trifle with the Word of God! They have sought to trample underfoot the miracles of my sacred heart. These miracles, given unto me by my beloved Son in the name of God the Father, have been the great keys of the history of Western civilization.

I have come! I have healed! I have cried a tear of sorrow for the people of light, for the souls of God upon earth! And yet my miracles have been ignored except by those who are of the light, who have been touched by that light.

Therefore, even my Son's vicar* has denied some of the miracles of my coming, and others have been denied, as usual, by the skeptics who wear the garb of the Pharisees and the Sadducees.

And therefore the little children, waiting for the body and blood of the Son of God dispensed by my sacred heart, have not had that transfer of light because the means of communication upon the earth have not been used to send forth my message or the message of my Son.

I say, therefore, that God has sent me this day to stand within this altar, to stand within the tabernacle of the Holy Grail.

*Pope John Paul II

I come, the Mother of God within you, the Mother of God within humanity. I AM the Mother of God, in whom the Spirit of God dwells, and I come in the light of the Four and Twenty Elders. For the hour has come for the judgment of the dead, and therefore unto the Mother has God appointed the speaking of the judgment of the Son.

I Will Send Forth the Great Fire of the Risen Christ

I AM Mary. I will hold silence no longer. I will send forth the great fire of the risen Christ. I will send the fire of the resurrection flame as coils of energy going forth from my heart, and the fire of the resurrection shall be unto every part of life the challenge to behold that resurrection and to be resurrected, or to deny it. And therefore that flame itself becomes the acceleration unto death of those who have no life in them.

You have heard of the right arm of the Mother and you have heard of the descent of that right arm,¹ and you have known that by my right hand so the descent of karma is stayed, and so it is released. For I am one unto whom the same promise is given that was given unto the apostles for the remitting or the withholding [of the karma] of sin.

And therefore, within my sacred heart is the acceleration of light this day. The acceleration of that light, then, is unto the judgment of those who have persistently denied the miracles of the Virgin Mary, lo, these two thousand years. For the LORD will not hold them guiltless, and even the blood of the prophets is required of them this day—even their denial of the Mother flame and of her incarnate little ones.

The Denial of the Flame of My Own Sacred Heart

Children of the light, the miracles of God are not to be tampered with—no, not within the Church and not without. And therefore, let those who are without [outside of] the

body of God upon earth be silent before the great phenomenon of the coming of the Woman clothed with the Sun.²

For I AM the coming of the Mother flame into the heart of the earth, into the heart of my devotees, who recite the Hail Mary and are one in the great universal awareness of our Mother Omega. I AM in the heart of everyone who does pronounce my name daily in the sacred ritual of the rosary. And by that sacred gift that I have given these hundreds of years, so is there the penetration of the Church, as the body of believers, with the flame of Mother.

The Mother within the Church is the Bride of Christ. Your soul is the Bride of Christ. And the Mother within the Church is the keeper of the flame of life, the keeper of the flame of the sacraments, the keeper of the flame of purity and of the goal of the ascension.

The Mother light universal within you is the cosmic teacher, who comes with all diligence. The Mother is the balance in Matter, holding the light of the Father, the Son, and the Holy Ghost.

And therefore those who have denied the flame of my own sacred heart, as representative of the universal Mother worlds without end, have deprived not only themselves but they have deprived the little children of the balancing light that is for the healing of the body, the healing of the mind, and the mighty flow of the River of Life.

This is the cause of the collapse of the churches in this day. This is the cause for the entering in of the winds of the night, of the demons and the discarnates. For where the Mother is not given preeminence, there the great River of Life of the Mother does not flow. There the river is dried up and there is no defense against the seed of the wicked.

O my beloved, the Mother is the living fountain of youth within the Holy Church, within the very nations of the earth,

within the very temple of each individual soul. And so, therefore, let the Mother come now and open the door—open the door to souls of light to reenter into that communion with Brahma, Vishnu, and Shiva.

My Coming Is for the Judgment of All That Is Anti-Christ, All That Is Anti-Mother

O holy light of God that never fails, I, Mary, salute thee within this sanctuary. I say, then, let the right hand of Almighty God, even the right hand of God as Mother, descend now, and let it be for the judgment of those who have denied the Mother flame unto these little ones both within and without the Church.

And therefore let there be the judgment of the false teachers who have stolen into the churches with their false theology. They could not have come had the blessed light of the Virgin been extolled sufficiently, but they have come because the flame of Mother, as a deep devotion of the souls of her children, has been withdrawn by the wolves in sheep's clothing.

I come, then. I enter the church where I am welcome, and my word does ring forth! It rings from every cathedral, from every church, from every mosque and synagogue. For the LORD God has bidden me enter! And whether those temples are made by man for the idolatry of man, no matter. For where the people come and where the name of God is given, there I go by his will this day. And my coming, then, is for the judgment of all that is anti-Christ, all that is anti-Mother, and all that would persecute the teacher of the teaching of the Mother in this age.

I Will Perform My Miracles in This Age

Therefore, let the teacher and the teaching be one in the very heart of the disciples of Jesus, my Son. Let the teacher

and the teaching be one indissoluble union in the heart of the messenger and in the heart of the chelas of the Guru who is Mother.

I, Mary, AM that Guru. I AM the Guru unto the twelve tribes of Israel. I have anointed unto you a spokesman on my behalf, who comes wearing the mantle of my ascension garment and my sacred heart.

Therefore I announce to you that I will perform my miracles in this age, and they will not be turned back. They will be received by the faithful. For the LORD God Almighty, beloved Alpha and Omega, have purposed my coming—that the great light of the universal Mother shall be acknowledged in the earth, whether by those who disbelieve or those who believe. All shall behold and wonder at the coming of the great light of the Mother in this hour.

And none shall, therefore, turn back the great living reality of my appearance to Juan Diego and the transfer of my image to that tilma.³ This is not a matter of conjecture. It is a matter proven by the science of the Spirit and the science of Matter.

Those who have denied my coming, those who have thought to imprison the light of my coming unto their own separate doctrine, I say, let them be judged! Let them be bound! For my coming is for all men and women and children within and without the Holy Church!

The Giving of the Rosary

I send forth the light! And the light, as it penetrates the earth, will shake the very earth. And that is the sign of the penetration of Matter, of the great light of Mother, the reinfusion of every cell and molecule and atom of the invincible cosmic light of Mother flame. That flame is the flame of your ascension. It is the flame of the resurrection of elemental life, and it is the flame that is the foundation of the golden age.

Without the flame of Mother adored in the heart of every person of God, that golden age cannot come, my beloved. And the ascension of earth and her evolutions—signaled by the ascension of the messengers and the mass ascensions from the hillsides of the world⁴—will not come except by the light of the Cosmic Virgin within you.

Therefore I bless the giving of the rosary in the name of the Father, of the Son, and of the Holy Spirit, and in the name of the Cosmic Virgin. I bless the recitation of the Word whereby each and every one becomes a part of the great chain of the rosary that is my own, the universal chain of being that is the Guru-chela relationship that I hold with the beloved of my Son.

I stand in a temple of the earth, and my coming is for the coming of the great light of the Sun. It is for the coming of that light of the Great Central Sun that is for the realignment of earth so that earth and her evolutions will be able to stand in the coming of the hour of those astrological configurations prophesied for the 1980s, when light will again intensify, when darkness will intensify, and when those who hold the light must hold the light for the victory of the perpetuation of the seed of Abraham within the earth!

Let the Use of the Name Mary Be a Healing in Your Life

I AM in the center of the diamond will of the chela. My diamond heart is the determination that you have shown, that the saints have shown. It is a magnet Above; it is a magnet below. It is an invincible, immovable force of cosmic dimensions that rolls back the skepticism of those fallen ones—their doubt, their vilification, their persecution and mockery of the name of Mother and the name of Jesus Christ.

Let the name Mary, then, be the understanding of the

Mother ray in every part of life, and let the using of that name, its very pronunciation, be a healing in your life. Ma-ray is a light of God that passes through my soul! I AM the chalice of the light! The origin of the light is God!

Worship God. Worship the light. Worship the Son and the Holy Ghost. Worship that great light in all of the worlds, heaven and earth, in all of the Spirit and Matter planes.

I am come, then, for the restoration of the flame of Mother within Church and State. Its implementation is the blessed rosary. By the return of the Mother flame to every endeavor, human and divine, will the victory of the earth be won, will the seed of the Wicked One be confounded.

The Compromise by the Good People of the Earth Has Destroyed My Church

I reveal to you that the Lord Jesus, when I was yet in embodiment and after his resurrection, took me and others of the disciples to show to us not only the great wonders of Almighty God and his saints in heaven, but also of the great tortures of the astral plane that man has called hell.

And therefore, beloved, I have known of the great tortures of those who have inflicted evil upon these Christed ones, and therefore I intercede before the Father hourly for the little children of God to be taken away from the Tempter, to be rescued by the true shepherds of the people.

For those who come selling their wares of atheism, agnosticism, sensuality, the drug culture, and the diabolical sounds of hell that resound in the rock music, I say to you, beloved ones: Those who are caught up in all of these torments spend a certain period of transmutation with the fallen ones who have created that darkness, whereby the soul may know that this is that which does tempt the soul away from its eternal reunion with God.

Those who make merry, who would drink of the blood of Jesus Christ, take, then, those beverages that are served, the alcoholic beverages, and they take these as a mockery—a mockery of the blessed Holy Communion—and they say in their hearts, “We will drink a toast to the devil with the sacred blood of the Son of God.” And therefore they have created the imitation of the Communion wine that is served in sanctity unto the congregation of the righteous.

Do not deny what I say, for even though these souls consider themselves to be engaged in a harmless act, even though they call themselves Christians, those who partake of that which has been purveyed as the philosophy of Satan, as the uses of alcoholic beverages of all kinds, those very ones know whereof they have abused the blood of Christ.

Do not enter in with them. Do not think that a little bit of social drinking is permissible. All of this is tied to the fallen ones, who in the very beginning have said, “We will popularize the desecration of the blessed wine of Communion.” Have no part with them! For even alcohol itself is a deadly drug against the souls of the people.

You may consider that I am radical. Well, I am about the saving of souls, and you ought also to be! And you must understand that it is the compromise. It is the making of evil easy! It is saying, “There is nothing wrong with a little bit here and a little bit there.” It is this very point that is the turning in the road, my beloved.

If you desire to have the great light of the saints coursing in your very veins, if you would receive the great miracle of the transubstantiation not only of the bread and the wine but of your very own flesh and blood, then I say to you: Do not partake with them! Come apart and be a separate people!⁵

If you would be a living miracle of life yourself, then consider that you cannot walk a path of compromise. It is the

compromise by the good people of the earth that has destroyed my Church! That Church has been destroyed by the utter compromise, by the allowing of the College of Cardinals, of the pope himself to allow his word to be put down and trifled with by the Communists.⁶

I tell you, this must not be! And when it is come, it is the sign that Almighty God therefore is not present within his representatives. For I tell you, the Holy Ghost is able to withstand this invasion of the Church, this trampling upon of the sacred issues of life!*

Wherefore Did My Son Hang from That Cross?

Wherefore did my Son hang from that cross? Do you not hear the lightning and the thunder as I stood and beheld the agony?

Then think how those in the churches, Protestant and Catholic today, seek the life of ease and compromise, and every one of them is found wanting! And everyone who does compromise the Path will find himself in the astral plane, working out that karma that he has inflicted upon the body of God. And everyone who has interfered with the birth of these little ones, everyone who has advocated abortion from the pulpits of the churches, I tell you they will suffer exactly the karma that is written in sacred scripture spoken by my Son.⁷ And it will not be withheld this day!

Awake, I say, O body of God upon earth! For when the judgment of the Mother descends, you may be filled with the light of the Holy Ghost if you have no part with the seed of the wicked. Therefore stand and behold the salvation of our God, and be diligent! And *hold the light! Hold the light! Hold the light!* so that the adjustments in the earth, which are coming, may be held without severe loss of life to the children of God.

*This may mean that the invasion of the Church has been successful because the leaders of those churches do not have the empowerment of the Holy Spirit.

There Come Tumbling down Miracles without End

I, Mary, have come to you. I come to your heart. I speak from my heart. I speak from the heart of Jesus. I speak from the heart of Saint Germain, my beloved. I speak from the heart of the Father. And I AM here! I AM in the earth! And I stand with every soul who is determined to *be* the Church, to *be* the Bride of Christ, to *be* the electrode in the body of God.

We will overcome all injustice. We will overcome because we are one in the unflinching sword of righteousness, in the pure light of justice, and in the great miracles of Saint Germain.

I shake the very Tree of Life, and now there come tumbling down miracles without end unto the body of God in the earth.

O my beloved, I AM with you! Every hour I AM with you! I AM with you in the agony and in the great bliss of this movement of light unto light and this acceleration of darkness.

So the light is come. So rejoice and so endure unto the end of the carnal-mindedness of the Wicked One and his seed, for their time is indeed short.

I have decreed it! I stand in life! I AM the resurrection! And I challenge all to stand where I stand and face the light of God!

“The Summit Lighthouse Sheds Its Radiance o'er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by **Mother Mary** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, January 28, 1979**, during the Sunday service at Camelot, in Los Angeles County, California. Any books listed in the following endnotes are published by Summit University Press and are by Mark L. Prophet and/or Elizabeth Clare Prophet unless otherwise noted. Books, audio, and video products are available at <https://Store.SummitLighthouse.org>. The widest selection of audio files, including dictations, is available at www.AscendedMasterLibrary.org. [N.B. Bracketed words have been added for clarity in the written word.] (1) **The descent of the right arm of the Mother.** On August 11, 1979, the messenger explained: “Mother Mary herself . . . carries the authority for intercession and for judgment. When the judgment descends, it descends through the Son of God and through the right arm of the World Mother, Mother Mary.” (2) Rev. 12. (3) **My appearance to Juan Diego.** Mother Mary appeared to Juan Diego (1474–1548) on December 9, 1531. After Mother Mary’s dictation, Elizabeth Clare Prophet explained the significance of Mary’s appearance: “The great point, the great key of all Western civilization was the appearance of Mother Mary to Juan Diego and the transfer of her image to his tilma. . . . It happened, it is a fact, and that fact was the turning of the tide from an age of darkness to an age of enlightenment. It was the turning of the tide of the great karma of Lemuria and the sinking of Lemuria, and without that appearance . . . Western civilization, this nation under God, all that is accomplished could not have been accomplished.” (4) **The mass ascensions from the hillsides of the world.** In a dictation given on July 3, 1969, the Queen of Light prophesied that there would be mass ascensions from the hillsides. Elizabeth Clare Prophet explained on April 1, 1972: “So the concept the masters have given us is that many souls of light who are destined to come into embodiment have earned their ascension. They require only ten or twenty or thirty years more in embodiment in order to make their ascension. I have on file three different dictations over a ten-year period where the masters have said that there would be mass ascensions from the hillsides of the world because of these young souls coming into embodiment who are ready. Now, each time an individual ascends from the physical plane of the planet, there is left that momentum and that record. You see the record of one man’s ascension, of Jesus, and for two thousand years that record of that ascension and that life of victory has held up the earth, has inspired people, has been our very life. Imagine when there are masses of ascensions. The entire consciousness of the planet will be raised and people will be able to walk in their footsteps. And those who require one or two [more] embodiments will be able to make it because of the victory of others.” (5) II Cor. 6:17. (6) **The allowing of the word of the pope to be put down and trifled with.** In her comments after this dictation, the

messenger stated that “when the pope [John Paul II] sent his message to his native land of Poland, the Communist party censured that message. The wrath of Mother Mary descends today concerning the censuring of the activities of the pope and of the Word of God, which she says ‘cannot and must not be trifled with.’ So she comes with the challenge of this . . . and with the challenge of the compromise of the members of the Catholic Church with Marxism, with a doctrine of social justice, and with the pushing of the pope (now in South America) more and more toward social activism, . . . attempting to use the Church as the instrument of revolution in the name of justice.” (7) See Matt. 18:6–10.
