

*The Beloved Angel of Gethsemane*

### **To Strengthen the Body of God upon Earth**

O my little ones, my strengthening is for the hour when you also must be alone in the Garden, unsupported by those well-meaning ones around you—the hour when you too must say, “Nevertheless Father, not my will but thine be done. If thou be willing, let this cup pass from me. Nevertheless, Father, *nevertheless, Father, not my will but thine be done!*”

And when you have spoken the word, “Thy will be done,” then and only then shall I appear to strengthen you for the most glorious of initiations—the hour of the crucifixion when the Christ is liberated fully and the soul prepares for the resurrection.

O light of the souls of God, my light is thine own! I am here with a message of great comfort unto all who move with the wind of the Holy Spirit, unto all who, in the wafting of the breezes, do reminisce of the rustling of the Lord’s garment. Yes, you have heard the sacred sound of his garment, and you will hear it again.

The Beloved Angel of Gethsemane

March 22, 2024

## To Strengthen the Body of God upon Earth

I AM the Angel of Gethsemane. You have called me and I have come to strengthen the body of God upon earth, even as I strengthened, in the name of the I AM THAT I AM, the living Saviour, the only begotten Son of Christ manifest in the person of Jesus. Now I strengthen you.

O my little ones, my strengthening is for the hour when you also must be alone in the Garden, unsupported by those well-meaning ones around you—the hour when you too must say, “Nevertheless Father, not my will but thine be done.<sup>1</sup> If thou be willing, let this cup pass from me. Nevertheless, Father, *nevertheless, Father, not my will but thine be done!*”

And when you have spoken the words, “Thy will be done,” then and only then shall I appear to strengthen you for the most glorious of initiations—the hour of the crucifixion when the Christ is liberated fully and the soul prepares for the resurrection.

### The Great Intercession

O light of the souls of God, my light is thine own! I am here with a message of great comfort unto all who move with the wind of the Holy Spirit, unto all who, in the wafting of the breezes, do reminisce of the rustling of the Lord’s garment.

Yes, you have heard the sacred sound of his garment, and you will hear it again.

I am in your midst, and I represent millions of angels who are commissioned by God for the strengthening of his sons and daughters hour by hour as they redetermine and recommit their lives to the doing of his will and only his will, especially in the moment when that will appears to be not their own will.

I have come to tell you of the presence of listening angels and the bands of so many angels who listen, who have heard your prayer. And the prayer of the righteous, the very fervent prayer, availeth much as it is delivered unto the throne of God. Now I come with a message that is the answer to your prayer. It is the certain knowledge that God will grant to you, according to the law of his own cycles, that holy thing for which you have called.

See the slaying of the dragon beneath the feet of Archangel Michael. *Behold!* Behold how each one of the archangels does hold back demons of Antichrist seeking to nullify the ascent of souls on the seven rays of their individual Christhood. See the great intercession and know that the great hour of the appearing of the Ancient of Days is nigh.

### I See a Great Light Entering the Holy Church— the Church Universal and Triumphant

I see the healing of the body of God. I see the healing of schism by the exorcism of the spoilers! I see a great light entering the Holy Church, the Church Universal and Triumphant, whose communicants span the planes of God’s being. They assemble in their white robes, with palms in their hands. They hold the cosmic cube. Each one individually meditates upon the City Foursquare descending to the physical octave.

There is a grand procession of the saints robed in white. They sing, “Alleluia, for the LORD God omnipotent reigneth!”<sup>2</sup>

They behold the reign of the Lamb incarnate, who dwells midst the people of God. They behold the return to the flame. They rejoice in this dispensation to be among you on this very special occasion when your proximity to the Lord Jesus Christ is closer, O my souls, than it has been, for some, for decades; for others, centuries.

This night, as you take your leave of our communion, go with brothers and sisters of light into higher octaves. Be comforted in the oneness of the inner Church. Be strengthened for the days ahead, looking beyond them to the great victory that is oncoming. I see the light of far-off worlds. I see the relentless wave. We are the relentless wave of love.

O wave of love, O wave of love, O mighty wave of light and love, touch the hearts of those who should be here but know not the way. I send the legions in my command to gather the faithful from the four winds of the Holy Spirit. Let the souls of light come! Let them come to the chalice of the Holy Grail!

**The Revolution of God Is Ongoing.  
None Can Stay His Hand!**

I AM in the lightning and the thunder of the hour of thy crucifixion. I AM in the Alpha and in the Omega, and I AM in the many voices who sound with the sound of the thunder and lightning at the throne of the Ancient of Days.

I welcome you into the cooperative venture of angels, elementals, and men. It is an adventure of the Holy Spirit, Father, and Son, through the person of the blessed Mother. It is the adventure of life and the challenge of that Coming Revolution—the revolution that has always been and always will be the omnipotence of God in the midst of the fire of his people and the fiery prophet in their midst. The revolution of God is ongoing. *None* can stay his hand!

Who dares to enter the place of the Holy of holies and profane his name? Let them go, each one, to worship in his own faith rather than to mock the Word of God.

I AM the Angel of Gethsemane. I have seen all. I have come to you all. Each one has claim to the light of my heart in proportion to his covenant with Almighty God. I act under the Law sent by the Lawgiver. I AM true to the Law and to the sons and daughters of God who embody that Law.

[The Angel of Gethsemane chants for 40 seconds.]

Glory unto the LORD. Glory unto the I AM THAT I AM in each servant son and daughter. Glory unto Christ. Glory unto the Holy Ghost. Glory unto the blessed Mother forever and forever and forever. Amen.
