For Judgment I AM Come

They Shall Not Pass!

Part 1

Now as the souls of the I AM Race gather in the retreat of the Royal Teton,¹ I AM come with a special message unto the initiates of the sacred fire. I come bearing the scroll of life of each one who has applied unto the LORD God to be the servant son, now and forever.

I come, then, with a burden of light. I come with a mighty scroll of victory. I stand in the door of the temple of being, and by the judgment of the Lord Christ given through sons and daughters in this year,² there has come upon the earth that judgment to which you were sent.

O one hundred forty and four thousand souls of light sent by the Ancient of Days, I know you by the scroll that has decreed the purpose of your coming to bear witness unto the truth, to be an intensification of truth as a tuning fork unto the nations, carrying the unmistakable vibration of a cosmic chord whose sounding is the irrepressible, irreplaceable manifestation of the summoning of all that is within the individual—whether of Light, whether of Darkness—and therefore the day of the choosing.

Now I bring to you the evidence that is before me of those who have known of the day of reckoning, of those who in their souls have known that with the coming of the Lamb and the disciples of the Lamb, with the coming of the incarnation of the blessed Keepers of the Flame of the Ancient of Days, there would be the hour when they could no longer continue in their pleasure seeking and their pleasure speaking, excluding the name of God, excluding his glory and his joy but doing all things as a tribute to Caesar, to the lesser self, and seeking the adulation of every part of life.

Seeds of Rebellion within the Family Tree

Beloved ones, many among the one hundred forty and four thousand have embodied among souls of whom they are not a part, souls who are not a part of their family of light or of their lifewave or of those who made the vow with the Ancient of Days.

I come, then, to explain why the Lord Jesus Christ prophesied the division within the family and the hatred and the betrayal and the sword that descends, setting one against the other.³ It is because Alpha and Omega have assigned these servant sons and daughters at the conclusion of this age, as they have done in many past ages. They have assigned and ordained sons and daughters to enter into certain lifewaves, certain, then, as it were, tribes—individuals descending from a group karma and situations that have had their origin and their beginnings in Lemuria, in Atlantis, in the Fertile Crescent, in the ancient land of China, in Africa.

Beloved ones, the seeds of rebellion are ancient within the souls of many of humanity's evolutions, and that seed of rebellion has been carried by them within their genes and chromosomes, thereby attracting to their families and to their family tree those of a like rebellion and a like mind.

And so you see that there have been generations upon

generations that have preceded within the families of the earth, which can be traced far, far into the distant past, where we have seen the rebellion against the Guru. And many of these group karmic patterns have carried with them the rebellion against the Guru unto the present hour.

The Energy Veil and Its Perpetuation Has Been through the Family Tree and the Lineage among the Races

When the one hundred forty and four thousand were summoned before the great throne of Alpha and Omega prior to their incarnation in this age, they therefore were shown a review of the descent and the lineages of humankind, of the very evolutions to whom they were sent to give the Word of God. They were shown what progress had been made and what progress had not been made since their coming with the Ancient of Days. A review of the mission, a vast panorama of experiences, was given for the deep understanding of your souls.

And then Alpha and Omega spoke to each one of you, and I, the Keeper of the Scrolls, with my recording angels standing by, carefully noted each word. For the scrolls of the one hundred forty and four thousand, and the angelic hosts who have embodied among them, are very special scrolls that tell another story, a story distinctly apart from that of the evolutions of earth.

And so, beloved, understand that the origins of departure from God resulted in the extinguishing of the flame through the denial of the Word incarnate, the subsequent judgment of the Cosmic Council, and then the plea by Lord Sanat Kumara that resulted in the coming of your lifewaves and in the manifestation of choices that were once again to be made by the evolutions of humanity who had, far, far in the distant past before your coming, rejected the personhood of God among them. And so in all of these thousands of years it has

been, then, your assignment to awaken, to educate, to draw these ones once again into the glory and praise of the I AM THAT I AM and into the very love of obedience to the indwelling Christ.

You have served in many of life's arenas, and therefore through that which you learned in this particular session with Alpha and Omega (and there were numerous sessions in preparation for this your opportunity for a final incarnation), you then came to understand that the origin of the energy veil and its perpetuation has been through the family tree and the lineage among the races.

You came to understand that although there be billions of lifewaves upon this soil today, upon this planetary body, there are only so many branches of humankind. And so many of mankind, when going back to the original decision to be or not to be God, descend from the same tree—unfortunately that tree that has not been raised up by them to be the Tree of Life.

You Were the One Sent

Alpha and Omega spoke to you individually and said, “Who will now incarnate within these who are the descendants, these who bear the seed of rebellion? Who will enter these families? Who will be the newborn Christ? Who will be the Bethlehem babe cradled in the very midst of adversity and denial?”

And when the volunteers came forth one by one and without exception, then it was shown to them that the ultimate choice of the entire descent of those incarnations of a particular lineage would have the opportunity—through the incarnation of the Christ within you—to choose to glorify that Christ Child that the little child might lead them, or to assume that that child was their private possession to the further amplification of their egos, their pride, and their ambition.

And so you can begin to understand, as you have borne the light—sometimes alone within your families, among your relatives, and in your community—that you were the one sent so that these might have the ultimate choice to confess that Jesus Christ is come in the flesh, in the very flesh of your presence, in the very midst of the remaining karma of your life, in the very midst of imperfections, to recognize that buoyant light.

And thus in this hour of the coming of the servant sons for the judgment, it was also ordained that our messengers should come and that the Comforter of the Holy Ghost should be in your midst through the true teachings of the Ancient of Days, which he has vouchsafed to every avatar East and West. And therefore even in the loneliness and in the separation of vibration from those around you, you have found the way, you have found the teaching, and it was promised unto you by your Father and by your Mother.

And so my beloved, armed with a great teaching and the science of the sacred Word, you in this year have given the very invocation that Alpha and Omega promised to you* and that would be in your hands in the hour when those in your immediate families, and even among those who are in the ancestral tree of life, would be called to choose betwixt Light and Darkness.

Some of you have pondered why you should have incarnated among those who have such a hatred of the light. Jesus has given you the answer. There is no other. You need not ponder further. He said, “For judgment I am come.”⁴ *For judgment I am come!* For judgment I am come that there might be the resurrection of eternal life unto those who see you as you are becoming—becoming more and more of the Logos each day. Yet I proclaim: Ye *are* the Logos here and now and therefore sufficient for the manifestation of Jesus Christ, to whom the LORD God has assigned the judgment.

*Decree 20.07, “The Judgment Call: ‘They Shall Not Pass!’”

The False Teachers Gather Souls Away from the True Teaching

Thus, with the prophecy of the coming of this judgment and of the coming of the messengers, the false hierarchy—the impostors of your own souls—have set themselves to the task of organizing the false teachers and the false gurus, of the compromise of the teachings of Christ in the watered-down version, yea, even in the Devil’s own version of his teaching that permeates the world today. They have organized themselves and they have moved against those very clusters of lightbearers, the nucleus here and there of souls who have found one another and who are determined to be free.

And thus the false teachers have arrayed themselves to gather souls away from the true teaching and their true destiny. There have come those who program souls (or would program them), away from the divine plan, and others who then come to expose that hypocrisy and to deprogram these souls once again. When both [ways] are of the human consciousness, you see how within the false hierarchy there are representatives to the right and to the left, and therefore human goodness and human badness weigh in the scale and are found wanting, for only the Goodness of God can prevail.

I come to show you how the fallen ones have contrived to isolate the souls who have gone forth to discover the true meaning of life, how these fallen ones have determined to draw them back through that family mesmerism, and the purpose of this with all of the excuses: “The children should be normal; the children should take up life as it is lived upon this earth; the children should not be changed; the children should not be taken from their parents,” and all of the definitions of cults that have been given forth in the analysis of what is taking place.

All of this is the attempt to deny the eternal Guru-chela relationship that is sealed within your souls as I tell you:

You are all chelas of the Ancient of Days—if you will recognize it, if you will understand that you have never, never, never lost your tie to Sanat Kumara. And therefore, my beloved, you understand the great meaning of the mystery of the Holy Grail.

By Your Light, So the Judgment Descends

And so you will understand that as I come at the conclusion of this year, 1978, I come with the message that many of you—by your dynamic decrees, by your very invocation of Jesus' call, "They shall not pass," by your testimony and by your witness before the tribunal of family, friends, community, and the court of world opinion—have therefore prevailed, and the descent of light through you has come upon many, many souls for that judgment.

And thus, beloved, you may begin to analyze the psychology of deception of the fallen ones, who you see are in agreement with the status quo and would preserve all things as they were with the fathers in the beginning. And therefore, the misery that comes to many who cry out in outrage against their children who are in pursuit of the path of light is the misery of their souls, for they know that the judgment is nigh.

Therefore, I proclaim the liberation of these sons and daughters of God who have come to fulfill a mission and to fulfill their vow, and I reinforce within you that commitment unto freedom and unto life. And I say to you, be not concerned with these fallen ones who have attempted to stand within your pathway, O Keepers of the Flame. Be not concerned. For by your light, so the judgment descends, and unto our God is all of this consigned into the sacred fire.

The Karma between the Lightbearers and These Family Ties Is Now Consumed

Thus, it is done. Thus, it is finished. Thus, there is a turning of the page in the book of life. And now I proclaim to you—

you who have come to be of the priesthood of the Order of Melchizedek, who himself was without father or mother or beginning or ending of days⁵—so you may also say with the Lord Jesus Christ, "Who are my father and my mother and my brothers and sisters but they who do the will of God?"⁶ And you may understand now that that karma, which has existed for many of the lightbearers between themselves and these family ties, is now consumed.

And so I come to announce to you the rolling up of a portion of that scroll, that temporary scroll that therefore concerns itself not with your individual karma but with an assignment of Alpha and Omega, which you therefore have completed.

Thus with the burning of that portion of the record that Alpha and Omega have assigned to me, there is the liberation of your souls to go forth without delay, without any further pull or burden from those who think they possess you by these ties.

And therefore you can go forth two by two in the understanding that your heart's love does now flow from God unto the Lord Sanat Kumara, unto the Lord Gautama Buddha, through the Lord Jesus Christ and the entire Spirit of the Great White Brotherhood, uninhibited to every one of the one hundred forty and four thousand and the angelic hosts incarnate.

My beloved, you may not realize how much you have been pressured and burdened and interfered with by those individuals who have sought to control you, not only in this life but in other incarnations.

Now, this teaching is not intended in any way to separate you from your families, but it is to increase the tie of light and love to the Christ Person that is the Reality of every family member and to give you a cutting free from various family trees, various sections of the earth where you have embodied on numerous occasions for the very same drama, the very same role. And when you have played your role and

then gone forth and said, “I would be free,” then has come the hour of the reckoning.

Thus we would increase the love of hearts and the love of hearts freely given to all who are a part of one circle of life. We consume only that which is unreal, that which is a selfish love, a possessive love, and a seeking of the perpetuation of that which is not of the light.

to be continued

“The Summit Lighthouse Sheds Its Radiance o’er All the World to Manifest as Pearls of Wisdom.” This previously unpublished dictation by the **Keeper of the Scrolls** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Sunday, December 31, 1978**, during the New Year’s class, *The Feast of Saint Stephen*, held at Camelot, Los Angeles County, California. Part 2 of this *Pearl of Wisdom* is published in this volume, no. 22. [N.B. Bracketed words have been added for clarity in the written word.] (1) **As the souls of the I AM Race gather.** On December 31, the same day as this dictation by the Keeper of the Scrolls, El Morya announced the dispensation of the summoning of the American people to the Royal Teton Retreat, the etheric retreat congruent with the Teton Range near Jackson Hole, Wyoming. El Morya said: “This evening, as we come together at the Royal Teton Retreat, there will be the great dispensation of the Four and Twenty Elders and of the Lords of Karma: the summoning of the American people—every man, woman, and child—to that great amphitheater. And there, no matter who they are or what their evolution or what their laggard consciousness or what their state of mind, *there* they will be summoned! *There* they will come! *There* they will stand while the hierarch of the age, Saint Germain, is introduced to them as the deliverer of this nation and as he introduces to their soul the reality of the path of the messenger and of the opportunity to support freedom and its flame in every nation before the taper of freedom is extinguished and there is none to light a flame!” (See *Pearl of Wisdom*, no. 2, this volume, pp. 19, 20.) (2) **The judgment given through the sons and daughters in this year** is referring to decree 20.07, “The Judgment Call: ‘They Shall Not Pass!’” by Jesus Christ. On August 6, 1978, Jesus gave a dictation in which he released the Judgment Call, stating: “I have given you then a call which is yours to set before the altar of the living God. May it proceed from your temple each day, that you may reenact the judgment of the Four and Twenty Elders before the Court of the Sacred Fire upon the God Star.” (See 1978 *Pearls of Wisdom*, vol. 21, nos. 32 and 33.) This decree can be found on the last page of this *Pearl of Wisdom*. (3) Matt. 10:34–36. (4) John 9:39. (5) Heb. 7:3. (6) Matt. 12:48–50.

The Judgment Call “They Shall Not Pass!”

by Jesus Christ

In the Name of the I AM THAT I AM,
I invoke the Electronic Presence of Jesus Christ:
They shall not pass!
They shall not pass!
They shall not pass!
By the authority of the cosmic cross of white fire
it shall be:

That all that is directed against the Christ
within me, within the holy innocents,
within our beloved Messengers,
within every son and daughter of God . . .

Is now turned back
by the authority of Alpha and Omega,
by the authority of my Lord and Saviour Jesus Christ,
by the authority of Saint Germain!

I AM THAT I AM within the center of this temple
and I declare in the fullness of
the entire Spirit of the Great White Brotherhood:
That those who, then, practice the black arts
against the children of the Light . . .
Are now bound by the hosts of the LORD,
Do now receive the judgment of the Lord Christ
within me, within Jesus,
and within every Ascended Master,
Do now receive, then, the full return—
multiplied by the energy of the Cosmic Christ—
of their nefarious deeds which they have practiced
since the very incarnation of the Word!

Lo, I AM a Son of God!
Lo, I AM a Flame of God!
Lo, I stand upon the Rock of the living Word
And I declare with Jesus, the living Son of God:
They shall not pass!
They shall not pass!
They shall not pass!
Elohim. Elohim. Elohim. [chant]*
