

O My God, I AM Real!
by the Ascended Master Cuzco

O my God, I AM real. And thou alone art real where I AM. I AM thy Light that is real. I AM thy Love that is real. I AM thy Life that is real.

O God, thou dost enter my heart moment by moment, drop by drop of light descending over my crystal cord. Therefore [I see that] each drop now enlarged before me on the screen of vision does contain the Divine Image of the Mighty I AM Presence. God does enter my heart. A million times a moment that Divine Image is flashing, flashing, flashing! And I behold thy Love, O God. I behold thy Love.

Come nigh to me, O God. I would come nigh to thee. Enter my heart fully and truly, Divine Image by Divine Image until thou dost approach—thy Presence near, thy voice.

O my God, thou art coming, coming to this temple thou hast wrought. O Mighty I AM Presence, come, be with me; and when the cup of my life is full take me utterly to thy Self.

O my Mighty I AM Presence, I love but thee! I love but thee. I love but thee. Let thy love fires burn within my heart. Let me know that when the heart does not burn, I must pray and pray again to increase that flame of fire of Love.

I AM THAT I AM. No separation is. The Mystical Body of God is One. In the interval of the Sun I know who I AM. I AM Real.

And when this interval and succeeding intervals are done, I step forth from out the center of this Sun once again, treading

maya to find the souls caught in delusion, pearls of great price for whom a price has been paid by the Universal Christ.

I have seen Reality. I AM Reality. I can afford to go forth in unreality another round and another round until my God does call me forever to the secret chamber of his heart and I am born anew, an ascended Son of Light.

I therefore go back, go back and back. And with my diver's suit I plunge into the sea to gather pearls, to protect them, to comfort them, to seal them in thy interval, O God, that is in the secret chamber of my heart where [thy] threefold flame is sealed.

O in that interval, O God, I now have the flame of thy Reality, thy Love. Thy Love that is my portion is my portion to give to those whom thou hast also loved who must know [thee] through my witness.

I AM the witness, O God. I go forth. I go forth.
